### TWO BEAUTIFUL CHURCH WEDDINGS IN THIS CITY

Many of Richardson County's Popular Young People Married This Week

#### WERNER-PAXTON

On Monday morning at St. Thomas Episcopal church occurred the marriage of Max Werner and Mary Paxton both of this city. The wedding march was played by Mrs. Neide and promptly at 11 o'clock; the rector followed by the groom, proceeded from the vestry to the chancel, where they were met by the bride leaning on the arm of her mother, who gave her to the man of her choice. The couple took their places before the altar and to the sweet low strains of "Harts and Flowers" the words were pronounced by Rev. G. L. Neide which united these two for life.

Except the bridal party, Mr. and Mrs. Frank Werner, parents of the groom, Miss Jessie Paxton and Ethel Neide were present.

This worthy young couple are well known to all our people and have been very popular in church and social circles. Max is now employed by F. W. Cleveland & Son at Nebraska City, where they will reside in the future. He has a modern cottage nicely furnished and they will go to house keeping at once. They left Wednesday for that place. The wedding was a complete surprise to their many friends, but all join the Tribune in extending hearty congratulations.

A very pretty wedding took place at St. Thomas Episcopal church in this city Wednesday morning when Guarth H. Yates of Omaha and Miss Virginia Mead of this city were united in marriage, Rev. George L. Neide performing the ceremony.

After the betrothal the couple took their places before the altar, which was beautifully decorated with cut flowers, potted plants and many lighted candles, where the words were pronounced which united the hearts and lives of this happy young couple.

The bride was beautifully gowned in white silk, trimmed in chiffon and carried a shower bouquet of pink and white carnations and wore a long white veil. She is the youngest daughter of Mr. and Mrs. I. L. Mead of this city and has a host of friends, who wish her a life of peace and happiness. The groom is a stranger to us but is one of Omaha's industrious young business men. He now holds the position as auditor in the United States National bank at that place.

### SUCCESSFUL ART EXHIBIT

Exhibit Given Under Direction of Womens Federation

The Art exhibit given under the direction of the city federation of Women's Clubs during several days of last week, was a decided success. Many of the pictures were fine works of art. There are comparatively few artists, but everybody, by intelligent study and observation may be able to see and appreciate the best in the artistic field. That this is being realized was evidenced by the good crowds which were in attendance at the exhibit in spite of the unfavorable weather.

Among the favorites was one in oil by Miss Alice Cleaver, "The Housewife," which attracted much attention and favorable comment. It is hoped that such exhibits may become a permanent feature of the club women's work, for the instruction and pleasure derived is immeasurable.

Several of the pictures were sold, one of them being purchased by the City Federation.

Orville Schoenheim was born in this city April 7, 1871, and was the only son of Mr. and Mrs. Lothair Schoenheim. He grew to manhood in our midst and is well known to all our people. On April 6, 1894, he was married to Miss Etta Smith and to them was born one son, Lothair.

For several years he has been identified with our business men and was always courteous and genial. He was at one time deputy county clerk and afterwards deputy county treasurer under J. H. Morehead.

#### MORAN

John Moran died at the home of his daughter, Mrs. James Barry, at Odell, Neb., Friday. He had been in poor health for some time but was only confined to his bed for three days. The cause of his death was heart trouble. The deceased was past seventy-four years old and has always been an active and ambitious man.

Mr. Moran came to Nebraska thirty-nine years ago and was known by most of the pioneers of this county, as this had been his home continuously since then.

The wife has been dead twenty-three years and he was always a kind father to the little ones who were left motherless when quite young.

While she will be greatly missed, yet she lived to a ripe old age, having reached the eighties. She leaves 11 children, 27 grand children and 17 great grand children. Funeral services were conducted Sunday by Rev. Jones of the Congregational church and the remains buried at Prairie Union.

### A GOOD LECTURE COURSE

This Would be a Feast for Falls City People

The University Extension Department of the University of Nebraska, offer to furnish a course of three, five or seven lectures for next year for the actual expense of railroad fare and hotel expense. They have already offered for this course, Chancellor Avery of the University, Senator E. J. Burkett, Senator Norris Brown, Charles Fordyce of the university, Hon. E. L. Metcalf of the Commoner, and hope to secure Hon. W. J. Bryan, Congressman Hitchcock and Hinsaw and several other members of the University faculty.

This is an excellent opportunity for Falls City to enjoy a high grade lecture course and we feel that some move should be made to secure the course at once. Among the men mentioned are those who could not possibly be secured through a bureau and many of them would only come at an enormous cost, so this seems to be a golden opportunity.

### WILLING WORKERS COOK BOOK Is To be Put on the Market Very Soon

## SEVENTH ANNUAL MEETING

### ONE-HUNDRED TEACHERS ATTENDED THE ASSOCIATION

Dawson Won First and Falls City Second Place in the County Debate Friday Night

One of the most successful and best attended county debates ever held in this city, was held at the court house Friday evening.

The question was "Resolved that the United States should grant absolute independence to the Philippine Islands." The speakers on the affirmative were Louise Rule of this city, William M. Albin Shubert, and Anna Klima of Dawson. Negative were Viola Johnson Verdon, Grace Duncan Rulo, and Ruth Auxier of Salem.

The question had been given careful thought, and much study and the young people did credit to themselves and the schools they represented on this occasion. It was gratifying to hear the young people talk on questions of this nature and to know our public schools keep in touch with all current events and national questions that arise.

The judges were Supt. Simons of Table Rock, R. C. James and P. B. Weaver of this city. Miss Klima of Dawson was given first place and Miss Rule of this city second.

The music was under the direction of Miss Agne. The Boys Glee Club sang two selections, "Absent" and "The Wood Chuck" and the girls sang "Rosary."

The Richardson County Teacher's Association met in this city Saturday with one hundred and twenty members present besides many pupils and patrons. This was one of the most successful meetings ever held in the county.

The program was carried out without any changes and was very interesting. The address, "School Virtues" by Pres. J. W. Crabtree of the State Normal, was one of the finest things on the program. The lecture on "The Irrepressible Boy and his Teacher," was greatly enjoyed by all. It was given by Charles Fordyce Ph. D., of the State University. These two numbers were exceptionally good.

There was a splendid music furnished by the Falls City High School, under the able direction of Miss Agnew.

A number of teachers and High School pupils took the teachers examination on Saturday at the office of the county superintendent. The association closed Saturday afternoon and all who attended say it was a very profitable meeting. Much of the credit is due Prof. Hodapp of Verdon, the President, and Prof. T. J. Oliver, the Secretary of the association.

### Destroyed By Fire

Fire of unknown origin destroyed the house on the George Smith farm north of town last Sunday. All the goods on the lower floor were saved, but nothing else could be gotten out of the building. The high wind made it impossible to fight the flames. The building was valued at \$4400, with \$2200 insurance, or a loss of \$2200 to Mr. Smith. Work of rebuilding the house will commence at once, material already being hauled out to the farm.—Dawson News Boy.
