Do you eat enough of tifts

The great benefit in health and strength that good oatmeal is known the world over. Every year there are more and more eaters of Quaker Oats, which is recognized in this country and in Europe as the one perfect oatmeal.

All the experiments of the government food experts and the athletic trainers of Yale University prove that cereal eaters are the strongest and healthiest, and Quaker Oats stands at the head of the list of cereal foods. It is not only the best food, but it's the cheapest food on earth. Eat it daily for breakfast.

For city trade Quaker Oats is packed in the regular size packages, but for those who are not conveniently near the store for daily shopping the large size family package is just the thing.
