MEMORIAL SERVICES

Rev. F. Ellsworth Day Delivered a Patriotic Address

Sunday morning at 11 o'clock the members of the G. A. R. and W. R. C. marched from their hall to the Christian church where Rev. F. E. Day delivered an able address and paid tribute to the old soldiers. Special music was rendered by the Christian choir. The duet by Mrs. Rieger and Miss Prater "Cover them over with beautiful flowers" was well received. The text taken for the sermon was "No greater love hath a man than to lay down his life for a friend." The church was beautifully decorated with the national colors, potted plants and cut flowers which added much to the appearance of the scene.

ATCHISON VS. FALLS CITY

A Large Crowd Witnessed The Ball Game at Poteet's Park

The first ball game of the season was played at Poteet's park Wednesday afternoon. A good crowd was present, but owing to the rain during the afternoon many were forced to remain at home, who had intended to attend.

Atchison and Falls City played a good game, as both teams were good ones and those who attended were well pleased. The game was a ten inning one and the score 6 to 7 in favor of Falls City.

Next Tuesday our boys will play a game with the Pottawatomie Indians at this place and promise our people one of the best games of the season.

Card of Thanks

I take this means of thanking my many kind friends and neighbors, who so thoughtfully and willingly assisted me during the sickness and death of my wife. HENRY J. KLOEPFEL.

Captain Oury and his company were in good spirits and say they have been receiving the most courteous treatment on their march so far. They left here at 7 a. m. Tuesday and expect to reach Ft. Leavenworth about June 1.

HELD BLUE ROCK SHOOT

W. VEACH AND O'BRIEN WERE HIGH MEN AT THE SHOOT

A Large Crowd Attended the Blue Rock Shoot at the Park Friday, Saturday

A blue rock shoot held at the city park Friday and Saturday proved to be a grand success. There were not as many professionals here as was hoped for owing to the fact that the Iowa state shoot was held on the same dates, although there were a goodly number present to take an active part.

O'Brien won high place with the professional men, and Will Veach of this city was the high amateur as he broke 140 straight, second 196 out of 200, missing only 10 in 400. Meisenheimer of Hiawatha lost 33 blue rocks out of 400, and his score on the last 200 was 189. Hurst of Iowa is another expert who got in on the money.

The Hiawatha World says: "Men like Veach, though they do not make their living shooting,

DID NOT REACH HUMBOLDT

Forced to Return Home, Arriving Here About Seven O'clock

Sunday afternoon Rev. R. Cooper Bailey, wife and daughter Miss Elsie, Miss Agnew and Tom Poteet, started in Poteet's touring car for Humboldt where the former was to deliver the memorial address to the G. A. R. at that place and Miss Agnew was to sing. When they were a few miles west of Verdon a tire on the car went to the bad and a new one was immediately put on, but before going any distance it burst. A heavy rain came up at that time and they tried to hire a team to make the trip but could not and were forced to wrap the wheel with rope and return to this city, arriving here about 7:30. This was very much regretted as it is the first engagement Rev. Bailey has broken in more than twenty years. Some times things seemed dark and the road was a hard one, but he always managed to arrive on schedule time.

are as good as professionals. Veach is a Falls City farmer and is the best dense powder shot in the world."

Died Tuesday Night

Mrs. Susan Haeffele died at the home of her daughter, Mrs. Albert Hartman, north of this city Tuesday night. She had reached the ripe old age of 75 years. She was born in Baden, Germany, and came to America in 1854 and was married that year to Fred Haeffele. Eight children, all of whom are still living were born to them. The funeral services will be held from the home of Mrs. Hartman Friday afternoon at 1 o'clock and the remains laid to rest in the Bowen cemetery, northeast of Falls City.

HIGH SCHOL CLOSSES

Bid Farewell to Teachers and Pupils

On Friday morning when all the scholars gathered at the high school building, the meeting proved to be a sad one. The time had arrived for the teachers and pupils to say good-bye until the opening of another school year. It was also the time for the senior class to bid farewell to the old high school and the teachers and pupils, whom they had learned to love so well. The final roll call was heard, and speeches were made by the presidents of the different classes, also by the members of the basket ball and track teams, manager and assistant manager of the Orange and Black. Prof. E. K. Hurst gave an exceedingly nice talk and Prof. Wood, who will have charge of the school next year was present and addressed the school. At 11 o'clock the members of high school went to the city park and enjoyed a picnic dinner, and this was the closing of year's work at the Falls City High school.

Story Hour at the Library

To all discerning minds, one of the most important branches of education is the primary department. Not all of this is in school. The Library also has its primary department. Here the Librarian gathers the children and tells them stories, selected from the best literature, history, folk lore and myths. These are told not merely to give the children pleasure, but also to help them in their selection of books.

Last Saturday Miss Spencer had her first "Story Hour". Twenty-eight little people came to the Library and listened to two or three old stories. During the summer, the hour from one to two on Wednesday's will be the children's. Miss Spencer wants to have all the boys and girls under ten who care to come, to belong to her Story Hour.

Broken Bones

While playing base ball with the team from the St. Louis medical college a short time ago, Mark Ryan, son Lary Ryan, was unfortunate enough to fall and break both bones in the limb. He is a student in one of the leading medical colleges in St. Louis and is a member of the junior class. He has many friends here who will regret to learn of his accident.

Ball Game Tuesday

The Pottawatomie Indians, who are touring the state will visit this city Tuesday, June 1. They have a strong base ball team and will play the Falls City boys that afternoon at 3:30. A good game is guaranteed. Come out and show the boys your heart is in the right place. Encourage them and we will have a ball team this season.

Idaho Bill Here

The Idaho Bill show played at this place Saturday afternoon. A large crowd attended. It like most shows of its kind pleased some, while others were disappointed. A good display of rope throwing was seen on Stone street before the performance at Poteet's ball park.

DEATHS IN THIS COUNTY

SEVERAL DEATHS REPORTED TO US THIS WEEK

Well Known Richardson County People Have Been Called to Their Reward

KLOEPFEL

Mrs. Katherine Kloepfel, wife of Henry J. Kloepfel, died at their home nine miles northeast of this place Thursday, May 20. This couple were married on the 22d of last November, 1908. She was in poor health at that time but her condition was not considered to be serious, but a short time after their marriage she took cold and it settled on her lungs and developed into consumption. She was ever patient and hopeful that she would be restored to health and bore all her trials and suffering as only a true Christian could.

To the young husband who has been so patient and faithful we extend our deepest sympathy in so dark an hour. Funeral services were held from the home May 22 and the remains were taken to her old home at Springfield, Ill., for burial. Mr. Kloepfel accompanied them to that place.

HARRAL

The many friends of George Harral were shocked on Sunday morning to learn of his death. Mr. Harral, has traveled as adjuster for the Continental Insurance Co, and returned home the last of the week complaining of feeling poorly. A physician was called and did all he could for him, but his condition grew so dangerous that a specialist from Omaha was telegraphed for. Upon the latter's arrival Sunday morning at 7 o'clock, he pronounced the patient in a dying condition, beyond reach of medical aid. His death occurred 3 hours later.

Mr. Harral was about 50 years of age and leaves a wife. His parents reside in Colorado being quite aged, and a brother lives at Norton, Kansas. He was a wealthy man and had extensive land interests in Richardson county. The deceased was well known here and our people regret very much to learn of his death. The funeral services were held from the Catholic church at Dawson Tuesday.

VANVAULKINBURG

Ethel Fee was born June 6th, 1886, was married to Frank Vanvaulkburg in April, 1906, died at the home of her father-in-law, D. Vanvaulkburg, in Rulo, on Monday evening, May 24th, '09. A few months ago they went to Denver, hoping that the change of climate would be beneficial. She seemed to gain for a while, but in a short time began to decline and was brought back to Rulo several days ago to await the summons which she knew would soon come. The funeral took place from the M. E. church conducted by Rev. Bennet Maze. She leaves a husband and little daughter, mother and sister, and numerous other relatives to mourn her early departure. The sorrowing relatives have the profound sympathy of a host of friends. During her stay here Ethel made many friends, and it seems sad for her to be taken from home and loved ones so young, but if she has missed some happiness here, she has also missed many sorrows, and she went with hopes of a residence in a brighter home. Beautiful flowers covered the loved form, which was tenderly borne to its last resting place. *
