SAMUEL WAHL'S TWENTY-SIXTH

1909

ANNIVERSARY

STARTS
Thursday, July 22d

SALE

CLOSES
Saturday, Aug. 14th

Our 26th Anniversary Sale the magnitude of which has never been approached in this part of Nebraska, opens on Thursday, July 22 with stupendous opportunities for savings. Once each year this store invites you to a feast of bargains. These events have always been phenomenally successful, but this sale we now welcome you to will set a new record. We bought heavy in all departments this spring. We did a big business, but not as big as we expected--the weather was against us. The result is that at the end of the season our stock is larger than we care to have it; we must face a loss, even welcome it, to make a thorough clearing.

Men's CLOTHING Youth's

This Sale Suggests the Wisdom of Buying to Every Man in Falls City and Vicinity

The man who wants the finest clothes produced, regardless of cost, won't find fault with this sensational price reduction. The man who must put his price limit away-down-low will find this event an opportunity of a life time; in fact this sale appeals to men in all walks of life. It's not alone the sensational reductions that are interesting--it's the quality of clothing that we will have on sale that we lay particular stress upon. The goods which we are offering were MADE EXPRESSLY FOR US by America's greatest manufacturers.

HART SCHAFFNER & MARX

The regular prices do not fairly indicate the worth of the clothing unless you understand the acknowledged fact that values here are always lower by 10 per cent than other houses in this part of Nebraska.
