Neuralgia Pains

Are the result of an abnormal condition of the more prominent nerve branches, caused by congestion, irritation, or disease. If you want to relieve the pain try Dr. Miles' Anti-Pain Pills. They often relieve when everything else fails. They leave no disagreeable after-effects. Just a pleasurable sense of relief. Try them.

THE GILLIGAN LOTS.

Now Is the Time for Any Wage Earner to Get One.

We desire to call your attention to our sale of town lots, on Thursday, September 2d, 1909, sale to begin at 1:00 p. m.

We are offering 100 choice lots adjoining the Crook & Towle addition, which is the most desirable residence section of the city.

This tract of land has, for the past ten years, been known as the Gilligan Fruit Farm, and is located on the northwest of the city, commanding a fine view of the surrounding country.

The terms of our sale, as advertised, are one-half cash and balance on reasonable time. But we will say, for the benefit of those wishing to purchase lots, that special arrangements can be made, thus offering better inducements.

This rare opportunity should appeal to mechanics, clerks, teachers and wage earners in general, and also the retiring farmer.

Falls City prospects were never so bright as now and it has more to offer to home builders than any other town in the state. We hope to be favored with your presence on date of sale.

WHITAKER BROS.

Rubbing It In.

The Falls City people who like base ball have not gotten over their dazed feeling yet. Auburn's nine went down there last Wednesday to play a two series game, but they defeated the Falls City "colts" by a score of 15 to 2. The Falls City papers, commenting on the game, say that their team was composed of cripples. The truth of this may be judged from their statement that the Auburn team, which is conceded in this part of the state to be one of the strongest teams in eastern Nebraska, could be defeated by any ordinary pick-up team.—Auburn Republican.

Should Thank Him.

It was probably an oversight that the mass meeting did not thank Dr. Burchard as a body for his intelligent demonstration with the city water. The Tribune's representative derived much benefit from his instructive explanation and we are sure every man and woman present did the same.

Grandma Diltz Home.

Grandma Diltz returned from a trip to California last week, where she had spent a few months with relatives. While Grandma is 83 years of age she withstood the long journey better than many younger ones would. She had a very nice time, she says.

Died at Preston.

Special from Preston.

An infant of Mr. and Mrs. McCumber was called to Heaven last Friday night. The sympathy of the entire community goes out to the sorrowing parents.

Work on the new Presbyterian church has been delayed somewhat the past week, waiting for pressed brick that had strayed in transit.

Harold Gagnon was a Rulo visitor Monday. He was attracted by the horse sale.

CENTENNIAL ANNIVERSARY.

Churches of Christ Will Hold Convention at Pittsburgh, October 11-19.

The Centennial anniversary of the beginnings of the movement for the restoration of Apostolic Christianity and the unity of Christians in fact, will be held at Pittsburgh, Pa., October 11-19, 1909.

This will be the greatest of the great conventions of the Disciples of Christ. Thousands will be in attendance from all over the world, and the Pittsburgh brethren have already made and are still making great preparation for the entertainment of "the delegates and visitors. Several halls have been engaged capable of caring for fifty thousand people. The hotels have been requisitioned for space and boarding houses listed. Private homes by the hundred will be open for lodging. The rates will be from fifty cents per day each person to as high as one cares to pay.

The railroads have made a rate of one and one-half fare for the round trip from Missouri river points. For Nebraska our outlet is Omaha. The rate from there will be \$29.25 round trip. Add double the local one-way rate from your station to Omaha and that will be rate from your place.

Any one may take advantage of this excursion, and it is hoped Nebraska may have a special train of her own. For further particulars see the pastor of the local church, Rev. F. E. Day.

Reavis Family Home.

C. F. Reavis and family, who had been spending several weeks at the summer resorts in the west, returned home Friday. Among some of the places they visited was San Francisco, where Mr. Reavis delivered an address to the Elk's National convention. He brought back several different badges collected while there and they are certainly very pretty.

Band Benefit a Success.

The band benefit given at the Christian church on Monday evening was a financial success. The boys realized something over \$20. Considering the short time the boys have been organized, and the fact that the larger per cent of them never had and musical training, they did remarkably well.

P. S. Heacock has been "laid up" with rheumatism most of the week, being forced to stay away from his business part of the time.

THE SALEM ASSEMBLY.

Twelve Hundred and Thirty-one Tickets Were Sold.

Special from Salem.

The Assembly held in this city on Sunday was a grand success from every standpoint. That Salem is still in the land of the living you would know if you had attended this meeting.

There was considerably over a thousand tickets sold—to be exact, 1231.

A good program was carried out and the principal event was an address by Rev. F. Elsworth Day of Falls City. His subject, "The Religions of Yesterday, compared With the Religions of Today," was handled in a thorough learned manner.

The Assembly was such a success that arrangements have been made for another meeting of a like nature, four weeks from the date of this one.

Much of the success was due to the untiring efforts of Bert Emmert and wife, who had given a great deal of their personal time and labor to it.

DIED AT STELLA.

Miss Mary Bourke, a Highly Respected Woman Passed Away.

Special from Stella:

The entire community was made sad on Wednesday morning, August 4th, when word came to town that Miss Mary Bourke had died at her home, north of town.

She was born in Illinois and lacked only six days of being fifty years of age at the time of her death. She had always been a great "home body" and was the mother girl of the family. She leaves a mother, four brothers and three sisters, besides a host of friends, to mourn her departure.

Funeral was from the home, conducted by Father Feeney of Auburn. Burial was at the Catholic cemetery near Howe, beside her father.

The sympathy of the entire community is extended to the bereaved family.
