 Let the business men of a town be public spirited, liberal, ready to enter inot any scheme that gives fair promise of being for the interest of the town, and that town will be well up with the progressive spirit of the age. But if the business men are careless and indifferent, willing to take only what comes, and not ready to reach out after more customers, then the town lay in all its interest, and outsiders will size it up and keep clear of it.

Group is most prevalent during the dry cold weather of the early winter months. Parents of young children should be prepared for it. All that is needed is a bottle of Chamberlain's Cough Remedy. Hunger makes me think of you;  
 Thought of you makes me hungry.  
 Between the *thought* and *sight* of you,  
 Indeed I'm *always* hungry.

But with appetite awaiting—  
 a nickle in hand and *you*  
 in store—who could wish  
 for anything more?
