HERE IS THE PROOF

That the best body-building and strengthening tonic for

Delicate Children

— is —

Vinol

"My 9 year old daughter was weak, pale, and had no appetite. I gave her Vinol, and she began to thrive at once. She gained rapidly in weight, color and strength." — Mrs. W. H. GILMORE, Durand, Mich.

"My two children, who were puny and ailing, rapidly gained flesh and strength when I began to give them Vinol. I proved that Vinol is a splendid tonic for delicate children." — Mrs. C. ALLEN, New Bedford, Mass.

Vinol builds up healthy flesh and makes thin little limbs round and plump. Children love to take it.

We return people's money without question if Vinol does not accomplish all we claim for it. Try it, please.

A Father and His Daughter

Do you know that one of the sweetest relations in life is that between a father and daughter? Not that he loves his boys less, but they will be able to take their places in the forefront of the battle of life some day and fight their own way to victory. Because of her sex the little girl cannot do this, and is, therefore, in a greater sense dependent for protection on the man she calls father. What have you done to "make good" with your little girl? Are you planning and saving for her? Do you know that the one friend which never deserts you in time of trouble is a bank account? Have you provided that kind of a friend for yourself and your little girl? If not, why not. You ought to come in and talk to us about a matter of so much importance to you and yours.
