You Can Have Insured Clothes

THAT'S the kind we offer you in Clothcraft. With each Clothcraft garment goes an insurance policy in the form of a signed guarantee by the maker. And we stand back of it, too.

The guarantee means that your Clothcraft Suit must hold its style—that it is strictly pure wool—that the coat front won't break—that the collar and lapel won't sag or pucker. Think what this means to you.

Yet Clothcraft Clothes cost no more than ordinary clothes which never could stand such backing.
