The Safety Fire Escape Co., of Pritt, Iowa gave a practical demonstration of their apparatus at the Central school building Tuesday afternoon. The dignified professors and even the lady teachers slid through without alarm. The kids pronounce it a tremendous success. # Don't Pay High Prices JUST BECAUSE OTHER MEN DO

Some men think that clothes can't be good unless they're expensive. Usually they're right.

But here's once they're wrong. Clothcraft All-Wool Clothes cost you only \$10 to \$25; yet, in style, fabric, wear, fit, workmanship—everything that goes to make thoroughly good clothing—Clothcraft gives you high-priced quality at moderate cost.

The proof of it is the guarantee—a guarantee of all-wool, good tailoring, lasting shape.

In no other line can you get clothes like these—with a guarantee like this—at \$10 to \$25.

Don't be satisfied—and you won't be in the end—unless your next suit has the Clothcraft label.

Hat Pins Back Combs  
Belt Buckles Barrettes  
Gold Locket Mesh Bags  
Fancy Purses Toilet Articles

The prices are fair and reasonable—not "cheap," but just right—Our show window doesn't tell half the story—so many pretty and useful things necessary for My Lady's toilet that are not in the window. But they are here, subject to your approval.
