Mary Boehme and Anna Davis were in Falls City one day last week.

Della Martin Opol Hays and Elmer Wilson drove to Falls City, last Friday.

Rev. A. E. Wachtel preached in Falls City Sunday evening.

Walter Graves was born Aug. 12th 1890, and was killed by a train at Hiawatha Kans., Aug. 7th 1910. The remains were brought to Rulo, Friday evening, and the funeral was held at the M. E. Church at ten o'clock, Saturday, conducted by the Pastor. A large crowd came to sympathize with the stricken family.

Walter was a good quiet boy, liked by all who knew him, and altho it seems doubly hard to see him taken away in the first bloom of his young manhood, yet we know that the Heavenly Father always knows best, and sometime we will understand.

He leaves mother, father, and one brother and one sister to mourn his loss. The remains were laid to rest in the Rulo Cemetery.

Charley Stodard of Humboldt sold a handsome Waterman Piano to Mr. and Mrs. James Ayers.

## Community Interests

Did you ever stop to think how much we all depend upon one another. As St. Paul said, "Different members, but all of the same body." If the eye, or the hand, or the foot refuses to do its work the whole body is hampered, and hence one cannot say to the other, "I have no need of thee." The same is true with the varied interests of this community where we live. The farmer, the merchant, the doctor, the lawyer, the banker all depend on one another, and for any one of the number to refuse to recognize this is to throw our whole business machine out of joint. In anger a man says, "I can do business without you." Perhaps he can, but not so good as with "you." To buy goods away from home, or to send your money away from home for deposit is to ignore the claim the community has on you. As bankers we wish to acknowledge this claim always and feel that "turn about is fair play." Your money on deposit with us aids in building up and making more prosperous this community in which you live, and general prosperity always means individual prosperity. We shall be glad to see your name often on the tail end of our checks.

## Women of Nebraska

BREAD made from average flour is part waste, part impurity and only part food. Bread made from Puritan Flour is every ounce good, pure, blood-making food because Puritan Flour is made exclusively from the nutritious, hunger-satisfying part of the choicest wheat grown. We separate our flour into twenty different "stocks" or streams, then blend it to get into every sack the scientifically right combination of nutritious, bread-making qualities. This is done by actual chemical and baking tests—part of our unexcelled milling system. Your baking can't fail with Puritan Flour.

Every Sack of Puritan Flour is Guaranteed. Use half or more—if it doesn't make the best bread, cake, biscuit and pie-crust you have ever baked—return the balance of the sack and your dealer will refund your money without question. Don't be satisfied with just good flour—when you go to the expense and labor of buying flour, and using up fuel in baking bread, and taking your entire system to digest it—you want the finest, the purest, the most nourishing you can buy. You want PURITAN—Nebraska's Quality Flour.
