## COMING TO FALLS CITY

CHIEF OF STAFF OF THE HOT SPRINGS DOCTORS

Saturday, November 19 At Union Hotel. Makes No Charge For Consultation Or Examination

The Chief of Staff of the Hot Springs Doctors is making his annual tour of the state, visiting the towns and cities, calling on their patients in each community, and consulting with new patients who are desirous of the great treatment that cures all chronic and nervous diseases of men and women. The phenomenal success of the Hot Springs treatment is due to the fact that it removes from the patient's system the cause of disease.

The highest standard of quality is the only standard in the medicines used by the Hot Springs Doctors. These expensive medicines are especially prepared for each case, they are from the world's best laboratory, guaranteed by the pure food laws, eliminating all possibility of anyone taking into their system any poisonous drugs. A cure is sure and permanent as a result of taking the world famous Hot Springs home treatment.

Chronic and nervous diseases like rheumatism, asthma, bronchitis, goiter, disease of the heart, blood and lung diseases, catarrh, gall stones, epilepsy, kidney, stomach and bladder troubles, and female diseases must yield to the treatment as given by these noted Specialists. In their Lincoln offices are thousands of letters from people who have been restored to health, in many instances these people could not have been cured if not for the Hot Springs treatment.

The treatment that has cured these people and restored thousands of others to health is available to the people in this section, for it is this wonderful system that the Chief of Staff of the Hot Springs Doctors bring to us on Saturday, Nov-19th at the Union Hotel.

They have hundreds of letters from cured and grateful patients, the following is a sample.

Dear Doctor—When I began taking your treatment I could hardly get to my office. I had had two operations and had tried several doctors, but got no relief. A friend of mine told me of you. My case was so bad I was afraid you would not take it. I am so glad I came to see you, as I am feeling so well now. I will heartily recommend you.—Mrs. C. B. Robertson, 2711 S. Ninth Street, Lincoln, Neb.

Dear Doctors—I had catarrh of the whole system for several years. My throat, stomach and bowels and kidneys bothered me all the time; was not at all times able to do a days work. Your medicine has done me so much good that I would advise all suffering with catarrh and catarrhal conditions to take advantage of your treatment.—John M'Shane Gen'l Del., Omaha, Neb.

What may be a slight ailment now may in a short time be incurable. Opportunity knocks at every man's door once and if he does not answer goes away. Your opportunity is now. If you are suffering with any chronic disease and desire to be restored to health, vigor and happiness, don't fail to call Saturday, November 19th, at Union Hotel.

The permanent offices of the Hot Springs Doctors are located at 14th and O Streets, Lincoln, Neb.
