

DAHLMAN DEFEATED

INCOMPLETE RETURNS INSURE ELECTION OF ALDRICH.

HITCHCOCK FOR U. S. SENATOR

Democrats Make Sufficient Gains to Insure Control of Lower House of Congress—Result Conceded by McKinley.

The returns from sixty-three counties including Lancaster and Douglas, give Aldrich 86,619, Dahlman 79,471, a lead of 7,148 for Aldrich. In fifty-nine counties including Lancaster and Douglas, Burkett has 71,488 and Hitchcock 90,009, giving Hitchcock a lead of 18,533.

THE COUNTRY AT LARGE.

The republican majority in the U. S. senate will be reduced. John A. Dix, (dem.) is elected governor of New York by about 56,000. Woodrow Wilson, (dem.) is elected governor of New Jersey by about 15,000. Massachusetts has gone democratic on governor by about 30,000. In Ohio, Judge Harmon, (dem.) appears to have a majority of about 15,000. In Wisconsin the return of Senator LaFollette to the U. S. senate seems assured. In Pennsylvania republicans claim the election of Tenor for governor by a large plurality.

CHESTER H. ALDRICH. Elected Governor of Nebraska.

Lincoln—The election of Chester A. Aldrich over James A. Dahlman is now beyond doubt, the only question being the size of the republican candidate's majority. Allowing Dahlman 8,500 majority in Douglas county, and subtracting from that the Aldrich majority of 2,106 in Lancaster county Aldrich is in the lead 5,769 votes counting in both Lancaster and Douglas. Mr. Aldrich still claims the state by 30,000 majority. He says that he has heard from almost every county in the state and the majorities bear out his claim. He says he has carried every congressional district in the state with the exception of the Second.

On State Officers. Lincoln—Reports from a very few counties on state officers indicate that republicans are keeping well up with the head of the ticket and that they will be elected along with the governor. In the wet sections the other republican candidates seem to be running ahead of Aldrich.

Chicago.—Incomplete returns on the election of representatives in congress indicate that the democrats will have a working majority of twenty-nine in the next house. The number of democrats elected to congress, according to the latest returns, which are of an unofficial character, is 225. The republican representation will be 164 or 165 or eight seats less than the democrats now have in the Sixty-first congress.

The Legislature. Lincoln.—It is yet impossible to give a correct personnel of either branch of the state legislature, but the democrats are claiming a working majority in both houses.

Rome.—The results in the American elections were learned here with keen interest. Cardinal Merry Del Val, the papal secretary, has a message from New York which he took personally to the pope to whom he said the democratic victory meant a defeat of Col. Roosevelt generally.

Colonel Has Nothing to Say. Oyster Bay, N. Y.—"Absolutely nothing to say," was the word that came from Sagamore Hill. Theodore Roosevelt was at home all Tuesday evening, but he declined even to receive interviewers. The probable attitude of Colonel Roosevelt, in view of the result of the election, can be judged only by what he has said the last few days. In his speech at Davenport, Ia., he said if the republicans were beaten this time they would win next time, and that, win or lose, the fight would go on.

Norris Wins by Big Margin. McCook—Congressman George W. Norris, whose canvass received national attention, has scored a notable triumph in the Fifth district. His majority over Sutherland, democrat, will be from 1,200 to 2,000, as at present estimated, and may go higher. Norris carried at least two-thirds of the counties in the district and in

many precincts which went democratic on other offices he was given a larger vote than his opponent.

The First District. Will Hayward has conceded Maguire election. He said: "Mr. Maguire has apparently carried Lancaster county by four or five hundred votes which is more than I can possibly overcome in the country counties. I am naturally disappointed. I put in every hour of my time after the primary on the job in an effort to redeem the First district. In a campaign including seven thousand miles of travel and ninety-three meetings I had the pleasure of speaking for the state ticket and platform and the local ticket in every case."

Democrats Carry Ohio. Cleveland, O.—The democrats swept Ohio, and in addition to electing Judson Harmon for a second term as governor, have undoubtedly elected the remainder of their state ticket and a majority of the legislature. In consequence, Senator Charles Dick, republican, will be succeeded in 1911 by a democrat. Harmon's majority over Harding is still in doubt, but sufficient returns are in to show that it is the largest ever given by Ohio to a democrat. The latest estimates give Harmon's The latest estimates give Harmon a margin of 60,000 over Harding.

Hitchcock for Senator. Senator Burkett has been defeated by Congressman Hitchcock by a decisive majority of fifty-three counties complete give Burkett 51,944 and Hitchcock 61,188, making Hitchcock's majority in these counties, 9,244 over Burkett. From the returns from these fifty-three counties Hitchcock's lead over Burkett is 174 votes per county. With these fifty-three counties giving

the democratic candidate such a lead it is probable that he will increase it to 15,000 or more when he goes down to Douglas county. This would make his final majority fully as large as that of the republican candidate for governor. This is a change in the vote on these two offices of about 50,000 votes.

Cannon is Re-elected. Danville, Ill.—Joseph G. Cannon, speaker of the house of representatives, was re-elected to congress from the Eighteenth Illinois congressional district by a reduced plurality. Legislature in Doubt. New York.—The complexion of the legislature which will select a successor to Senator Chauncey M. Depew will be settled only by more complete returns, although it seems probable that the republicans will hold a working majority.

every one of the seventy scattering precincts in Colfax, Stanton, Madison, Cuming, Knox, Dodge, Cedar and Platte counties. Dan V. Stephens, Latta's campaign manager, says a majority of 5,000 in the district is a conservative estimate.

New Comer in Politics. New York—John Alden Dix, governor-elect of New York, is a nephew of the famous John A. Dix, who sent the stirring message of 1861: "If any man attempts to haul down the American flag, shoot him on the spot."

A new comer in politics, he was first heard of six years ago when he went to the democratic national convention in St. Louis as a delegate. Two years later he was a candidate for governor in the Buffalo convention that nominated William R. Hearst. This party irregularly did not prevent the democrats of Washington, his home county, from electing him their chairman, and when the next convention came two years later he was nominated for lieutenant governor and defeated.

What Figures Show. In 383 precincts outside of Douglas, Lancaster and Custer counties the vote on governor stands: Aldrich 27,639, Dahlman 21,348, a lead for Aldrich of 6,291. Compared with the vote of 1908 on governor, Aldrich is gaining 22 votes to the precinct. The 1908 vote on these 383 precincts was: Sheldon 26,677, Shallenberger 27,769, a lead for Shallenberger of 1,092 votes.

Comment of Chairman Lloyd. James T. Lloyd, chairman of the democratic national congressional committee, issued the following statement: "Present indications are that congress will be democratic by about thirty-five majority. Thus far returns indicate that our pre-election estimates were about correct." He says further, "It is a serious rebuke to the republican party for its failure to reduce the tariff as the people believed the party had promised. The high cost of protected manufactured articles which has resulted in greatly increased cost of living has had very much to do with producing this result."

ELMER J. BURKETT. United States Senator from Nebraska Defeated for Re-election.

Champ Clark Happy. Bowling Green.—Champ Clark, minority leader in the house of representatives, when advised that democrats probably would control the next house of representatives, expressed his gratification and predicted that the majority would be fifty democratic members. "The landslide," said Mr. Clark, "is attributed directly to the tariff and the fight on the rules in the house. The rules split the republican party, and the tariff coming so soon after, caused dissatisfaction throughout the country."

McKinley Concedes Defeat. William B. McKinley has sent congratulations to Chairman Lloyd of the democratic national committee upon the reported success of the democrats in winning a majority in the next congress, and has made the following statement:

In Hamilton County. Aurora.—Eleven precincts out of nineteen in Hamilton county show Burkett 824, Hitchcock 722, Aldrich 1,066, Dahlman 524, Sloan 834 and Good 757. The county will give Aldrich more than 600, whereas two years ago Sheldon barely carried it. The county option candidates for the legislature are elected.

President Votes Early. Cincinnati.—President Taft arrived here at 10:30 o'clock Tuesday morning to cast his vote in his old precinct in the A'Brienville district of Cincinnati. He went from the train to the home of his brother, Charles P. Taft, and went to the polls before noon.

Tulsa, Okla.—Serious trouble was narrowly averted here when C. W. Nelsons, a negro and a Methodist minister, was refused the right to vote at one of the precincts. A large crowd of negroes gathered around the voting booth and threatened trouble, when officers appearing on the scene dispersed them. Nelsons later caused the United States commissioner to swear out a warrant for the election officials who denied him the right to vote.
