If you find any substance in your baking injurious to health made from baking powder in this can there is—

\$1000
In it for you

Calumet has been backed for years by an offer of \$1,000 for any substance injurious to health found in the baking prepared with it.

Does not this and the fact that it complies with all pure food laws, both State and National, prove that Calumet is absolutely pure?

With the purity question settled—then Calumet is undoubtedly the best Baking Powder. It contains more leavening power; it is more uniform—every can is the same. It assures better results—and is moderate in price.

Church Days

In order to encourage early Christmas buying we have decided on a novel plan, which has been most enthusiastically entered into by the churches of Falls City.

Commencing next Saturday, December 3, and continuing until December 10, we have assigned each day to a church and the day will be known as that church day. On that day ten per cent of the total cash sales will be donated to the church to which the day is assigned.

Church members and those interested in helping any particular church will do well to make their Christmas purchases on their church day, and thus make a donation to their church without any cost to themselves.

- Following are the assignments of church days:
- Saturday, December 3, Christian Church
 - Monday, December 5, Brethren Church
 - Tuesday, December 6, Baptist Church
 - Wednesday, December 7, Episcopal Church
 - Thursday, December 8, German Evangelical Church
 - Friday, December 9, Lutheran Church
 - Saturday, December 10, Presbyterian Church
