MISSOURI RANCHMAN

FORMER EDITOR NOW STOCK RAISER

E. F. Sharts Meeting With Success In His New Vocation—He's a Hustler

That our old friend and fellow townsman, E. F. Sharts, is in the fancy live stock business for fair down on his Missouri ranch was made evident this week when he planked down one hundred salmon in payment for one of L. H. Howe's top notch animals to head his herd of Polled Angus cattle.

It would seem a long jump from the interior of a print shop to the manerism of a stock farm, but it seems that E. F. was able to clear the abyss without even so much as sweating a hair.

We propose to exact from him a promise that our Thanksgiving table next fall be supplied from his pen of small pica turkeys; that a couple dozen double leaded eggs layed by his great primer flock of 2-line pica hens with gothic shaped ear lobes and wattles and fine 6-point combs be forwarded to us forthwith. And as a sweetener we would be forced to accept a few slabs of side meat from his pica slugged pen of antique eared porkers. Here's success to you, Sharts.—W. C. Norton in Humboldt Standard.

SUNDAY WEDDINGS

CONTRACTING PARTIES POPULAR YOUNG PEOPLE

Maudie Nations and Alvin Davis of This City and Frank Peck and Ethel Cook Wed

Yesterday afternoon at three o'clock, Miss Maudie Nations and Mr. Alvin Davis, both of this city, were united in the holy bonds of matrimony at the home of the bride's mother, Mrs. Margaret Nations. No one but the immediate relatives of the young couple were present. The bride was beautifully gowned in white. Mrs. Davis is one of Falls City's most estimable and popular young ladies. For the past two years she has held the position as stenographer in the office of the clerk of the district court.

The groom is a well known and well liked young man in Falls City. The young couple will probably make their future home in Falls City. The Tribune joins with the many friends of the young couple in extending their congratulations.

Sunday at high noon a very pretty wedding was solemnized at the home of Mr. and Mrs. Wm. Cook of Verdon, when their daughter, Miss Ethel, was united in marriage to Frank Peck of Falls City. The ceremony was performed by Rev. Blough of Verdon. The bride was arrayed in a beautiful white lingerie dress, while the groom wore the conventional black. The couple took their places under a beautiful archway of white wedding bells and evergreen. After the ceremony a sumptuous and delightful wedding dinner of three courses was served.

There were about twenty guests present, among them several from out of town. The bride is a popular Verdon girl and is well liked by her hosts of friends. The groom is a well known young farmer living about six miles north of Falls City, where they will make their future home. The Tribune joins their many friends in wishing them an abundance of joy and happiness.

NEBRASKA CITY PRESBYTERY

WILL MEET IN FALLS CITY THIS MONTH

Dr. Bailey, Pastor of The Presbyterian Church Is Stated Clerk Of This District

The pastor and delegate elders of the Nebraska City Presbytery of the Presbyterian church will meet in convention in Falls City, April 10-12. As the Presbytery is quite large the number of delegates expected will be over 50. The citizens of Falls City will be glad to assist their Presbyterian brethren in case they find themselves pressed for more accommodations.

Food For Repentance

A well known Federal official was strolling down Philadelphia Ave, one afternoon when he encountered a very small boy crying bitterly. "What's the matter with that child"

demanding the official somewhat per-empthorily, of the woman who had him in charge "Is he ill?" "He ain't exactly ill," responded the unmoved woman, "but between you and me, sir, no stomach ain't going to stand nine doughnuts."

APRIL FOOL PARTY

A Large Crowd Was Present And a Fine Time Is Reported By All

The Christian Endeavor of the Presbyterian church gave an April fool party in the basement of the church last night. There were about thirty present, and a very pleasant evening was spent. Several odd and unique games were used among them one called postoffice. Each person went to the postoffice where they either received a call for a package, letters or card entitling the holder to a seat in the Bailey Richardson Circus. Those receiving packages received some very queer and amusing gifts. The show proved to be a menagerie, where every animal asked for was shown the questioner by the aid of a mirror. Great fun and much laughter was the result. Late in the evening, delicate refreshments were served.

School Entertainment Course

Arrangements have been made for an extra number of the School Entertainment course. Totten, the Magician, will be here April 5th. Totten is a master of the art of Magic and Illusion. While his wizard feats are mystifying in the extreme, his entertainment is clean and elevating. "Totten is a big all-round man and a big all-round magician and entertainer. He has not only won his spurs, but he has tested their quality before hundreds of chautauquas and lyceum audiences, the most critical in America. Totten's art is on big lines; it is finished. His art is disciplined, finely chiseled, not broad nor coarse, but wholesome and uplifting.

If you want an entertainment course next year, patronize this last number, and help to make this year's course pay out. Season ticket holders will be given a special concession on this extra number. Admission 35c and 25c. Season tickets holders, 25c for adults. Tickets for this number in the cities are usually \$1.00. Saturday evening, April 5th.

HE REACHED THE LIMIT

Nebraska City Man Must Return To Country From Whence He Came

Nebraska City, March 31—Some time since a German giving the name of Burger was arrested because he assaulted the wife of a farmer when she refused to stop her housework and supply him with something to eat when he came begging, but promised him food as soon as she got through sweeping.

Since the man has been in jail it has been ascertained that he was sent away from Germany because he could not keep out of trouble and was finally jailed because of an assault on his mother. The church furnished him money with which to come to this country. It has been decided that an inquest was unnecessary as indications were that death was caused by accidental drowning or suicidal intent. Davidson was a tailor and had conducted a tailoring establishment in this city for many years. He was 65 years of age and is survived by several grown children.
