TELEPHONE 226.

Read the ads. The Tribune advertising columns carry a number of bargains in various lines every day, and the careful housewife can pick up real money savers, and apply the amount saved elsewhere, if she only notes carefully each day what our enterprising merchants are offering.

Thomas A. Edison ought to bring his portable house molds to Falls City and erect a hundred or so concrete homes over night. The question of suitable homes becomes more pressing every day, and people are offering to pay exorbitant rent for decent homes that are located anywhere near the shops. The business men of Falls City who have money to invest should form a building association and see that the demand for homes is met at once. There are any number of families that would buy homes on the installment plan and the investment would net the builders handsome returns on their money.

Now is the time when the Falls City Commercial club, by pushing things a bit, can get returns for the time and money spent in former years. A Commercial club can boost all the time, and do good work, but sooner or later, the chance to get something big for the town will present itself, and the club will be the organization best suited to go after new business and new establishments. Kearney is the best organization, numbering among its members practically every live business man of the city, and carrying on at all times a campaign of progressive boosting. Falls City has better chances for boosting than Kearney, and in time will be a better city; and the Commercial Club is in a position to hasten the day. Let's have a grand revival of the club, and let the people know what a good city we have, and how much better it will be soon.

Notice

There will be a change in date for Masonic lodge of instruction. Grand Custodian French of Kearney, Neb., will hold the lodge of instruction on Friday, April 21st, instead of Monday April 24th. All Master Masons will govern themselves accordingly.—E. G. Whitford, Master.

WASHINGTON NEWS NOTES

As indicated in this correspondence the democratic majority of the House of Representatives propose to give immediate consideration of the Canadian reciprocity matter, and certain phases of the tariff which have been previously outlined. The democrats propose that a great many articles now protected by the Payne-Aldrich tariff law, is placed upon the free list, including meats of all kinds, flour, timber, sewing machines, salt, plows and agricultural implements, also leather, boots and shoes and barb wire fences. Wool will be considered when the reciprocity agreement and free list measures are out of the way. It is expected that this proposed legislation will arouse a big fight.

There is a general expression of approval of the administration of Honorable Champ Clark as the Speaker of the House of Representatives. The Committee on Ways and Means having taken the responsibility for the appointment of committees out of Mr. Clark's hands, the usual dissatisfaction expressed by members who have met with disappointment in their assignments, has been carefully concealed, and no one has thought to charge their ill successes to the presiding officers of the House. While Mr. Clark is a partisan in every sense of the word, he has always been admired because of his absolute fairness to political opponents, and things are running exceedingly smooth. The endorsement of William Randolph Hearst is a big feather in the cap of Mr. Clark and has added some what to the strength of the movement to make the new speaker a presidential candidate. Mr. Hearst designates Mr. Clark as the "Party Pilot" and says that the democratic party "must avoid unsound radicalism or dishonest conservatism." He adds that if the progressives of the two parties fail in their objects, that a new party composed of democrats and republicans will be formed. His advice to self-appointed advisers to democracy is to go home and leave the work of Champ Clark.

Spanish War Soldiers Reunion

The Spanish War soldiers of Lincoln and Lancaster county are making big preparations to entertain their comrades on April 26 and 27, 1911, at the Fourth Annual reunion to be held in Lincoln. The reunion is for all Nebraska soldiers everywhere and all Spanish War soldiers in Nebraska, no matter from what state or whether a member of any organization. Headquarters will be at the Lindell hotel and all soldiers should report for registration, immediately upon arrival. Many enquiries as to where this or that comrade is have reached headquarters. Some of them could not be located, but

ELECTRIC THEATRE

TO-NIGHT

"ELDORA THE FRUIT GIRL"
A love story in the tenement quarter in the east side of New York by the Edison Co.

"COWBOY'S VINDICATION"
The plot is typical of the west and the film contains glimpses of western scenes of great beauty. It is an Essanay Photo and a good one.

"MR. FOUR FLUSH"
Fred Walton takes the leading part—and for good clean comedy this picture can't be beat, it is by the Selig Co.

the secretary has written between 150 and 200 personal letters arranging for comrades to meet at this reunion.

Every company, troop and band will have its reunion and there will be a big camp fire where all will attend.

Theater tickets for one evening will be furnished all comrades outside of Lancaster county and the other evening will be devoted to a banquet to which all are invited.

The committee is unable to get the addresses of many Nebraska soldiers and so have been unable to send them notice. It is hoped that every soldier who reads this article and who has not received a letter from the committee will at once write to Frank I Ringer, Lincoln, Neb., committee, giving his Company, Regiment and present address.

Methodists At Stella

Stella, Neb., April 19—At the seventh annual session of the Nebraska City district conference of the Methodist church here 60 ministers and delegates from the district are in attendance. The capacity of the church listened to an address by Chancellor C. A. Fulmer of the Wesleyan University. During the session the chancellor received a telegram from the students saying they had raised \$1,200 as a student's subscription to help toward a much needed addition to the gymnasium. The announcement was greeted with much applause.

The meeting yesterday began with a sunrise prayer meeting at six o'clock. An address was given by O. M. Keve on "The Church and Some Problems of the Day."

HOUSE MOVING—W. T. Banseum, who recently bought the Jones House moving outfit, has established his permanent residence one block north of the old stand pipe. Phone 237 b. See him and get prices before placing your work. tf

JOHNSON MUST HANG

THOS JOHNSON'S LIFE CAN BE SAVED BY GOVERNOR

Supreme Court Refuses to Grant Rehearing— Execution of Sentence is May 19

Thomas Johnson the Omaha negro who is to be hanged for the murder of a stockman named Henry R. Krankland, now has no hope except from an appeal to Governor Aldrich. He is to be hanged for murder May 19 unless the governor interferes with the carrying out of the law. Johnson was convicted by the District court of Douglas county and the judgment was affirmed by a majority of the supreme court. He then applied to the supreme court for a rehearing and this motion was overruled yesterday. The death of the convicted man will take place within the stockade of the state penitentiary unless Gov. Aldrich interferes to stay the judgment of the courts. The governor is now out of town and will not return for more than a week, so that applications for clemency must remain on file for awhile.

Johnson was formerly a U. S. soldier. He had an honorable discharge. He was convicted of the murder of a cattleman in Omaha and the watch of the murdered man was found in his possession. Blood was on the clothing of Johnson when he was arrested after he had spent the night in a dive with a negro woman. He asked for a re-hearing on the ground of prejudice on the part of white men on the jury and because of the alleged prejudicial action of policemen and the sheriff at the trial before the jury. His motion for a rehearing having been overruled by the supreme court, only a reprieve or a pardon from the governor can save Johnson's life.

Layson-Bruhn

A very pretty wedding took place at the home of bride's parents, Mr. and Mrs. Martin Harris, Wednesday evening when their daughter, Miss Etta was united in marriage to Fred A. Bruhn.

At eight o'clock to the strains of Lohengrens wedding march played by Mrs. Laura Leyson, sister-in-law of the bride, the bridal couple took their place beneath a decorated arch from which wedding bells were suspended, where they were united in the holy bonds of matrimony. The bride looked charming in a dress of cream messaline, carrying a bouquet of carnations. The After the ceremony the guests were ushered to the dining room where a three course wedding supper was served. The tables were beautifully decorated with ferns and white carnations.

Only the near relatives of the bride and groom were present, and many beautiful and costly presents were received. The bride is the only daughter of Mr. and Mrs. Martin Harris, living south of Dawson and is highly esteemed and loved by all who know her. The groom is the son of Mr. and Mrs. Bruhn, living west of Salem. He is an upright and industrious young man and a prosperous farmer.

The happy couple will be at home to their friends at the Martin Harris home after May first. Their many friends join us in extending congratulations and wishing them a long and happy wedded life. X X

Farmers, Attention

We can deliver you oil and gasoline to your homes if you will take 50 gallons at a time and let us know a week in advance. We also have gasoline and oil tanks for sale. Phone 396—Heck and Wamsley. tf

CLARENCE E. SMITH

A Typewriter Test That Means Something

Blindfold yourself. Have ten typewriters of different make placed in a row—a Monarch somewhere among them. Try each keyboard in turn. The machine with the lightest touch will be the

MONARCH LIGHT TOUCH

and you can locate it every time no matter how its position be changed.

Just as the proper tools produce the best work, so does a responsive key action increase the efficiency of a stenographer. It saves her strength. Therefore, she has a better grip on her work, is more accurate, more rapid, gets a greater quantity of work done. There is no "three-o'clock fatigue" where the Monarch is used, and a few days' trial will convince you of this fact.
