REAL BASE BALL GAME

OUR BOYS OVERCOME A 7 TO 0 LEAD AND WIN

The Game Was Exciting From The Start—Score was 10 To 15

The Falls City High School base ball team defeated the Tecumseh team in a game of spectacular plays, as a glance at the score card will testify. Tecumseh started off in the lead and increased her score steadily until the fifth inning when our boys began to sit up and take notice. The pitching of Miner of Tecumseh was of a Mink League class until this inning. In three innings, because of ragged fielding the bases were full and only one down and three times he retired our side without a score. But when our boys did find him they made up for lost time and scored in every inning.

Though not a classy game, it was very interesting, something doing all the time. Falls City stole bases at leisure, made running one-handed catches of line drives and made just enough errors to let Tecumseh in on the game. By strategy our boys coaxed fourteen walks from Miner. Chester Lippold out of six times at bat, drew three walks, a single and a 3-bagger, and stole three bases, besides playing a brilliant fielding game. Chester will break into the leagues some fine day. The pitching of "Chiny" Potet was a feature especially when he hadn't pitched for about three years. All of our boys played fine and now stand second in the Southeastern Nebraska league. Following is the line up:

Falls City—Heck, catcher; Potet, pitcher; Marr, first base; Gist, second base; Lippold, third base; Whitaker, r. f.; Norris, l. f. McDermott, cf.; Lowe, s.s.

Tecumseh—Miner, pitcher; Kettel, catcher; K. Stuart, first base; R. Stuart, sec. base; Peake, 3rd base; Dunlap r.f.; McKee, c. f.; C. Menchen, l. f., W. Menchan s. stop.

The score by innings:
Falls City—0-0-0-2-2-3-4-4-x—15
Tecumseh—0-4-1-2-0-1-0-2-0—10

Hogs—Receipts, 8,000 head; the market 10c lower; top \$6.35 and bulk of sales \$6.05 @ 6.25.

BRIGMON BOUND OVER

HIS BOND WAS PLACED AT \$1,000.

Judge Spragins Decides That Evidence Is Sufficient For Such Action

The preliminary hearing of Con Brigmon was held this morning in the office of Judge spragins. After hearing testimony in the case, the judge decided that the evidence warranted his binding Brigmon over to the District Court, which he accordingly did, fixing bond at \$1,000 which has not been furnished at the time we go to press.

Brigmon's hearing will come up at the next term of court and will be a very interesting one from a law standpoint, as we understand some of our best legal talent will be opposed at that time.

Prof. Atwater, who taught Science in our schools the past year, has accepted a similar position with the Falls City schools for the ensuing year. Prof. Atwater is an accomplished gentleman, and our board offered him re-employment another year but he felt that he might accomplish greater things by going to our neighbor town on the south.—Tecumseh Journal.

Well Satisfied

In future campaigns, for ten years at least, Johnson county is to be associated with Nemaha and Richardson in its senatorial district. As heretofore Johnson county will have one representative, but will not join Nemaha in the election of a float representative. Thus our representation is reduced, but the western part of the state which has been unrepresented for nearly 20 years, will now have a fair representation in our legislative halls.—Tecumseh Journal.
