Out Joy Riding

Ralph Jenne took a company of young people to Hiawatha last night in his auto to attend the open air band concert. Hiawatha is there with the goods when it comes to band music, and this occasion was no exception, for the young people report good music and a jolly time.

At the close of the meeting a dainty lunch of ice cream and cake was served.

"With Sherman to The Sea."

LINCOLN TEAM A HUMMER

Will Play Three Games in Topeka—Then Go To Denver

Denver won the second game of the opening series in a rattling ten inning contest, the score being 1 to 0. This lone score was made on a steal home by a Denver player, which ordinarily never would have succeeded, but the bare faced burglary was made against such heavy odds of winning that it came as a surprise and thus was a success.

The game at the Beach Sunday between the Denver and Lincoln clubs was a joy to the fans who attended. The Antelopes again demonstrated their ability with the pole stick and when the thing closed it was found that nine luscious easter eggs were chalked up against the Denver boys while the Lincoln club had four credit marks. Jake Wolverton winged a good game and held the heavy hitting Grizzlies to one lone hit, while the Lincoln bunch knocked out an even dozen from the hand of Peter Ehlman. However, the fact is apparent from what we have seen of the Denver club that they have certainly a strong aggregation, and will be found up close to the top.

Lincoln left Sunday night for three games in Topeka and three in Denver, and will return Sunday for a game that afternoon at the Beach with the Wichita Izies, another strong bunch.

Denver came to Lincoln in a special and was met at the train by a band, which headed a parade up the street. It was a surprise for the Grizzlies, and was appreciated very much. They carried with them three hustling newspaper men from the Denver papers and in consequence their trip was well taken care of.

A Fine Modern Cottage

The Oleson house on 15th and Harlan St., has begun to look like some one meant business. The work of lathing has begun and will be only a short time until Mr. Oleson will have his neat little modern cottage completed. It will add materially to the appearance of the block.

Will Remodel His House

In a few weeks W. S. Korner will remodel and make into an up-to-date modern dwelling the house now occupied by Ed Jones and family, just north of Mr. Korner's new bungalow on 14th and Harlan Street. Ed Jones will move into the property just north of the Catholic church recently purchased by Ed Durfee from the church.

The firm known as the "U" System of Tailoring, owner and controlled by J. A. Rearden and Louis M. Ullmann, dissolved partnership yesterday. These young men have contemplated this change for some time past.

Pure home made ice cream, vanilla, chocolate and crushed strawberry at the Candy Kitchen, 15c per pint, 25c per quart tf

DISTRICT FEDERATION

THE PROGRAM WILL BE PRINTED IN A FEW DAYS

Will Hold Their Convention In This City May 2 And 3 Christian Church

The Womens clubs of the First Nebraska District are electing delegates to send to this city on Monday and Tuesday, May 2 and 3. The meeting will be held at the new Christian church and every effort is being put forth to make the gathering a success in every way. The presiding officer, Mrs. H. C. Lindsay of Lincoln has prepared a fine program, which will be printed in a few days.

Chancellor Avery who lectures on "A Comparison of the German and American Schools," is one of the attractions. Mrs. Helms of the University school of music will give a Shakespearian evening. Other musicians from over the district will appear upon the program. Our own local talent will also contribute a number or two. All of the sessions are open to the public and it is hoped there will be a good attendance of the citizens of our town.

Those who have agreed to entertain delegates will confer a favor upon the committee if they have, any particular ones in mind whom they want to have with them by telephoning any of the following: Mrs. Frank Reavis, Mrs. Charles Hargraves, Mrs. A. E. Hill or Mrs. John Powell.

Methodist Social Circle

Mrs. Dr. Fordyce was hostess to the Methodist Social Circle yesterday afternoon. About fifty ladies were present in spite of the threatening weather. The house was beautifully decorated in Easter lilies, apple blossoms and cut flowers. Miss Edna Carico favored the company with a vocal solo; Miss Sara Morsman, an instrumental solo; Nellie Craig a vocal solo. Miss Maude Graham and Mrs. T. L. Davies delighted all with a special musical selection, "Bethoven's Symphony." The hostess in her usual charming manner made the afternoon one of real pleasure to her guests. A unique two-course luncheon was served, Mrs. W. A. Greenwald, J. W. Schaible and Miss Etta Thompson assisting the hostess.

Base Ball Notes

The Colts have all reported, and a finer looking bunch of players were never seen in this city.

John Forrester, manager, is an old hand at the business, having played in the Western leagues at Leavenworth and Topeka.

Jack, as he is better known to the base ball fans, is a man of wide experience and certainly knows a base ball player when he sees one. This is what he says about the league: "I have a bunch of promising young players I won't say what the end will be, but keep your good eye on us." And of course we expect him to repeat what we did last year, come home at the close of the season with "the coveted rag."

A Show for the people, old and young, all come away with the same verdict. "Best show we ever saw." Falls City, May, 3.

The Young Men's quartet met at the home of Miss Jennie Keim last night with Miss Lena Nordorf as accompanist.

OPENING GAME MAY 18

Boys Have Arrived And Are Out Practicing

The ball boys are out for practice these days, and are fast getting in shape for the opening game. Falls City will undoubtedly be the best town in the league in point of attendance, and it is earnestly hoped that she can duplicate her feat of last year and bring home another pennant. If it were possible to call the games at 6:00 o'clock, the attendance would nearly double, as the shop men and many others who are unable to get off in the middle of the afternoon could and would miss their supper in order to attend. Now that we are to have no Sunday base ball, it seems worth trying to arrange at least a game a week for such a time that the laboring man can get a chance to see the great national game without losing time and wages.

Horse Ran Away

While on his way from Humboldt yesterday, Mr. Goddard, of the music store of this city was driving with his auto, when he met Mr. Robahr, who was driving a horse to a cart. The horse became frightened at the machine, threw the driver out and broke things up in general. The horse was caught a short distance away and with considerable patching and repairing of the cart and harness Mr. Robahr continued on his way.

More Small Pox In Town

Frank Barrett and Carl Alexander, living in the block just west of Smith's Furniture store, and Pat Thompson, living near the M. P. depot are the last cases reported. John Vogel, living in the extreme east part of town has every symptom and it is believed he has the dread disease.

Mrs. Ralph Simpson has several places broken out on her face, and her mother, Mrs. Cade has been very ill for a few days, but not broken out.

Ernest Gagnon, who was taken sick with smallpox the first of the week is reported to be getting along nicely.

It is thought by the physicians that a colored man coming from somewhere in the south brought the disease to this city. Mayor Keeling says that all told, there are about twenty-five cases in town. The officers are using every precaution to keep the disease from spreading, and a strict quarantine is placed on each home, where the disease is located.

Bound Over To District Court

John VanHoozen who was returned to this county by Sheriff Fenton on the charge of stealing Fred Marmet's team, had his preliminary hearing before Judge Spragins. He was bound over to the district court. His bond was fixed at \$1,000.
