### SOROSIS MEETING

The ladies of the Sorosis club met at the home of Mrs. Charles Hargrave yesterday afternoon. The programme as carried out was in celebration of flower day.

There were about twelve ladies present, each one responding to roll call by a quotation on her favorite flower. A paper by Mrs. Wm. Wilson on "Flowers" was read by Mrs. Ed. Steele; followed by two articles, one on Mother's Day and one on Children's day, read by Mrs. Ewalt. Both papers were well written and well read and were very much enjoyed by all present.

Very dainty refreshments were served by the hostess, assisted by Mrs. Jussen and Mrs. Dittmar. Just before leaving the hostess presented each member with a pansy plant in a little flower pot decorated with the club's colors, yellow and white. Every one had a lovely time and they all went home very much pleased with little favors so thoughtfully picked out by the hostess.

The next and last meeting of the year will be held on May 24 at the home of Mrs. M. Giannini. A delightful picnic has been planned to celebrate the occasion.

### TRIES TO FORGE CHECK

After some slight disagreement with Robert Bates an old man who had been working for the former, wrote out a check for six dollars, signed Mr. Bates' name to it and tried to cash it in Van Winkles' saloon. It evidently was a poor imitation of the real article and when he found that he could not cash it he started out of town. The sheriff was soon at his heels but he was a little too slow for the old man who seems to have evaded the law and escaped all the officers. Sheriff Fenton was after him again this morning but was unable to get any trace of him. The old man's name seems to be unknown to any one here.

## COLTS, FOUR YORK, SIX.

VISITORS TAKE LAST GAME. Peru Normal will be here Friday for a Game.

The York league team captured the last game of the series yesterday by the score of six to four. They went on their way rejoicing, for we had it all doped out that Falls City would take the entire series. The attendance was not up to expectations, and maybe that had something to do with the result.

Next Friday the Peru Normal will try conclusions. They are said to be the fastest aggregation in this part of the state, so a hot game is assured.

Following was the score by innings yesterday:  
Falls City 0-0-0-1-0-0-3-0-0-4  
York 1-0-0-0-0-2-3-0-0-6

### WHALE NETTED FORTUNE. It Yielded Oil and Something Else, Ambergris Worth \$60,000.

In a vault at the headquarters of a wholesale drug firm in Boston are about 100 pounds of ambergris. It is valued at \$60,000, according to experts.

Trade quotations give the present market value of ambergris at from \$10 to \$15 an ounce. The 100 pound package is by far the largest amount of ambergris received in Boston or New England in many years and is said to be of uncommonly quality. It was picked up by the crews of the bark Bertha, Captain Ben Vera, and the brig Viola, Captain John A. Cook, who found it while whaling off the coast of Africa in December.

The crews of the Bertha and Viola were pursuing sperm whales when the lookout sighted several spouting in the sunlight. One fellow about thirty feet long lagged behind the others. He was sluggish, and it happened that the harpoons which simultaneously pierced his sides came from small boats from both ships. That's why the crews are dividing the spoils.

The laggard yielded only fifteen barrels of oil, but the grumbling of the whalers was dispelled by the huge black lump of ambergris was taken from him.
