### SENIORS CELEBRATE IVY DAY

The Seniors of the High school celebrated Ivy Day yesterday at three o'clock out on the H. S. campus. First the class song was sung by all of the seniors, then a very entertaining programme was rendered.

An oration by Jeffrey Harris; followed by the history of the class by Prucilla Woodring and Rhenice Nanniga. Grace Reavis sang a solo "Ivy Plant", which was very much enjoyed by all.

A great stone with the names of all the seniors inscribed thereon, was left to the school as a memorial of the class; during the programme this was covered with a large flag which was raised at the close of the exercises.

According to the old custom the ivy was planted by the class president, Bertha Stumbo.

### NEWS FROM OVER THE STATE

**FOUR LOUISVILLE MEN IN JAIL AT PLATTSMOUTH Charged With Highway Robbery and Also With Severely Beating One of Their Alleged Victims.**  
Plattsmouth, Neb., May 16.—Joseph Schleuter, Simon and Joseph Meier and a man named Murphy are in the county jail here charged with highway robbery and assault. It is said one of the four has made a confession to County Attorney Taylor and Sheriff Quinton in which he claims that he took no part in the affair, but was with the others at the time the crimes were committed.

Schleuter, the man alleged to have confessed, says that Saturday night the men filled up on whiskey. They went down near the wagon bridge near Louisville, where they held up Foreman Parkner of the Rock Island and some of his gang of workmen, taking \$15 from the former and severely beating one of the workmen. The man who received the beating was nearly killed, it requiring several hours' work by physicians to restore him to consciousness.

When the matter was reported in Louisville the marshal went out and arrested all four of the accused, who were later brought here by the sheriff. Parkner is a Lincoln man.

**THOMPSON TO GOLDFIELD**  
Hastings, Neb., May 17.—Superintendent S. H. Thompson has accepted the superintendency of the Goldfield, Nev., Public schools at a salary of \$3,000 per year. He has served three terms as superintendent here.

### FAIRBURY PEOPLE VOTE TO HAVE SIX SALOONS

Fairbury, Neb., May 17.—A special election was held in Fairbury Tuesday for the purpose of voting on the proposition of granting licenses to six saloon-keepers. The result was a victory for the "wets."

The fight was a bitter one and both sides left no stone unturned to bring success to their cause. The W. C. T. U. made a vigorous campaign of the city to maintain the policy that has prevailed in Fairbury since last year—that is a "dry" town. For the first time since 1896—during the past year—Fairbury had no saloons. Both wets and dries employed a number of automobiles and were engaged from the opening to the closing of the polls in "getting out the votes."

Quite a surprise was manifest at the light vote cast and both sides were unable to account for it.

The proposition of saloons or no saloons should have been voted on at the regular municipal election held April 4, but the dry administration then in charge kept the question off the ballote. It was necessary to take the case into district court at Beatrice in order to get the "citizens' ticket" on the ballot.

About three weeks ago the city council of Fairbury passed an ordinance limiting the number of saloons in Fairbury to six. Formerly Fairbury had seven saloons. The city council also increased the licenses \$500 per annum. Under the former custom, each saloonkeeper paid a license of \$1,000 to conduct a saloon. This year it will be necessary for each saloonkeeper to pay a license of \$1,500.
