Hugh Butler, Omaha Grain Man and Candidate for United States Senator Is Speaker.

The members of the board of directors of the Plattsmouth Chamber of Commerce had a very interesting meeting Tuesday following their luncheon at the Hotel Plattsmouth, the event bringing a large number of visitors to participate.

Attorneys Madge Garnett and Florence Fouchek, lady members of the bar of Cass county were present as was also County Commissioners Ray Norris and H. C. Backemeyer, Max Gilbert, local Maytag representative, Judge Jesse L. Root, of Omaha.

The principal speaker of the luncheon was Hugh Butler, prominent Omaha grain dealer, republican national committeeman and a candidate for the nomination for U. S. senator.

Mr. Butler had as the theme of his address that of "Transportation," taking up the railroad, river navigation, highways and airways, all having a vital part in the transportation of the nation and the problems that have arisen in the competition and use of all of these. The speaker pointed out that there had been many benefits in lower freight rates because of the river competition with railroads. It had gone to the consumer. The larger part of the population lives within a radius of fifty miles of the oceans, great lakes and deep water outlets. The large industries have followed this line and today the large population centers exist while the farm must remain in the interior sections of the country. The speaker urged that all possible advantage be taken of the waterways but that the need of the railroad was very great in all parts of the country.

Music was furnished by some of the guests, Mr. and Mrs. Ed Kohrell and Alvin Smock, accordion; Fred Vincent and Laverne Rice, drums; William Henriksen, horn, and Harry Rainey, violin.

### Member of Old Family Here with Bergen-McCarthy

Miss Mary Hanrahan, Cousin of Miss Genevieve Whelan Revealed in Secretarial Post.

Miss Genevieve Whelan, employee at the Iowa-Nebraska Light & Power company in this city, was very much surprised recently when she discovered a photo of her cousin, Mary Hanrahan, in the September issue of "The Gregg Writer," a magazine for secretaries, stenographers and typists.

Mr. and Mrs. John Hanrahan, former residents of Plattsmouth, are the parents of this young lady. Miss Hanrahan is Edgar Bergen's (and Charlie McCarthy's) "secretary," but that is rather a misnomer, as her duties cover everything from packing Charlie in his suitcase ready for a trip—as near as NBC or as far as New York—to helping decorate and furnish Mr. Bergen's new home.

In giving advice to office seekers, "The Gregg Writer" goes on to explain Miss Hanrahan's good fortune in obtaining such a position:

"She just happened into it a few years ago when she had a perfectly good position which she liked, with the Rockefeller Foundation in Chicago. She had registered with the Music Corporation of America and completely forgotten about it until they called her one day for an interview. Mary wasn't at all interested in working for Mr. Bergen—she already had a job she liked and couldn't see any reason for giving it up to work for a then unknown ventriloquist. She was sold on the idea only after listening to a record of Charlie McCarthy's. She thought he was screamingly funny and that anyone who could write his material must be very clever indeed. She still thinks so, and is glad she decided to gamble with Bergen."

Following their residence in Plattsmouth the Hanrahan's left for Chicago where they had resided since. Although they had lived in Chicago Miss Hanrahan has been a visitor here several times and was her cousins' guest in Nebraska. Mr. Hanrahan was the brother of Mrs. Mary Whelan.

The photo pictures Mary Hanrahan and her boss, Edgar Bergen examining some of the "scads" of McCarthy novelties.

**CAPTURES 'POSSUM**  
From Wednesday's Daily— Mrs. W. F. Evers proved herself quite a hunter unwittingly last evening when returning home. Mrs. Evers was driving up to the garage to put the car away and noticed a small animal in front of the car and which ran into the garage and out of sight. When the car was put away she closed the garage and notified the other members of the family and after a search the animal was located "playing" possum in a large can. It proved a fine specimen of the 'possum family and which will make a real gastronomic treat.

**JUNIORS VISIT AT TECH**

**HELP STOMACH DIGEST FOOD**  
Without Laxatives—and You'll Eat Everything from Soup to Nuts  
The stomach should digest two pounds of food daily. When you eat heavy, greasy, course or rich foods or when you are nervous, hurried or show poorly your stomach often punts out too much food. Your food doesn't digest and you have gas, heartburn, nausea, pain or sour stomach. You feel sour, sick and upset all over. Doctors say here take a laxative for stomach pain. It is dangerous and foolish. It takes those little black tablets called E-Lax for indigestion to make the excess stomach fluids harmless, relieve distress in 20 minutes and put you back on your feet. Relief is so quick it is amazing and one 25c package proves it. Ask for E-Lax for indigestion.
