## Service for Peace Held at M. E. Church

American Legion Guests at Church; Message of Rev. Lawson Deals With World and Church.

In commemoration of near approach of the Armistice anniversary, the members of the American Legion of this city, were guests at the First Methodist church Sunday to enjoy a wonderful sermon on world conditions given by Rev. J. C. Lawson, also a World War veteran.

The pastor spoke from the message of St. Paul to the Ephesians as to the evil days that were upon the land, taking from this the many years of evil things that had befallen the world and while many see the world today as in its worst conditions, the pastor pointed out that these days had been before in the world and passed on. The Roman persecutions of the Christians under the rule of Nero, the abuses of the middle ages and the terrors of the French revolution has also produced world wide repercussions and from the terrors of these great upheavals in the world had come much good.
