ECONOMY MAYTAG \$59.50

Costs Only . . . The family that must watch every penny can still find a place for this Maytag in its budget. If you feel you must invest in a washer in the lower price class — be sure to see this Maytag before you buy.

You will find this New "Economy" Maytag has some of the exclusive conveniences that are featured on the more expensive models, and because this washer is a Maytag, you know it has MAYTAG built-in quality to give you more value for every dollar you invest.
