Finally an and he has actively taken charge and agreement was reached between of- pushed the financing and the drillficers and board of directors of the ing of the well to its completion. Golden Rod Oil company and Mr. Rhoden and Mr. Urish, by which the oil company acquired 10,000 acres of Many Attend oil leases from Rhoden and Urish on an agreement to issue stock in the corporation in payment for the oil leases. Parties interested in the project purchased and placed upon the William Sporer farm the derrick at the place where the present oil well Glenn Vallery, Local Representative is now being drilled. This was done in order to hold the leases and make the same valid.

The matter of financing the company was from the beginning extremely difficult. Parties who, it was believed, would be willing to become financially interested in the project and with whom negotiations were were here for the event. carried on for approximately a see take of the company was host for finally declined to make any invest, the day and provided a fine enterment. Then the possibility of financing again became especially

After some period of time a driller from Horton, Kansas came to Plattsmouth and begun negotiations with the board of directors in an effort to secure a contract for the drilling of the well. Finally in August, 1937. a contract was entered into between the board of directors of the Golden Rod Oil company and the driller from Kansas, which proved unfortunate for the company as the driller failed to live up to his contract and only drilled to the depth of 350 feet from August, 1937 to January, 1939, when a settlement was made between the company and the driller whereby the company secured the use of the equipment, then in use in drilling the well.

In February, 1939 negotiations were begun between Homer C. Stevens of Humboldt, Nebraska and the board of directors of the Golden Rod Oil company whereby Mr. Stevens was to superintend drilling of the well at which time W. E. ## Taxpayers of County Hold a Meeting Here

crease in County Budget-Form Permanent Organization

From Monday's Dally-

This morning a meeting of taxpayers was held in the district court oom at the court house and which was well filled by the interested parties who had come to attend the hearing on the matter of the annual budget for Cass county for the year

The budget this year had been increased over that of the last year to cover deficits made in funds during the year in the cost of relief and which has also made a shortage in the general fund.

The 1939 budget income was \$221,433 which was insufficient to carry on the running expenses of the county and the 1940 anticipated budget income was placed at \$231,maintained for the entertainment of 794 to care for the funds where overdrafts occurred.

The members of the group were 4, 1939 the plaintiff was ascending opposed to the increase and a numher urged that the expenses of the county be cut to secure the needed sums rather than budget increases

The matter of relief administration was discussed at some length by a number of the members of the group and proposing a more rigid administration of the relief.

The Taxpayers League then organized a permanent organization and the following officers were named: Chairman-Willard Clapp, Elm-

Vice - Chairman - Henry Wendt, Murdock. Secretary-Treasurer-O. A. Davis,

Members of the board of commissioners were present at the meeting to hear and receive the suggestions of the league members as to the budget plan.

There will be another meeting held at Weeping Water on April 1, 1940 at the community building to dis-
