William E. Evers, University of Nebraska student and son of Mr. and Mrs. William F. Evers, who has recently been nominated to a cadetship at the U. S. military academy at West Point, received very pleasant news Wednesday.

The local young man was notified that the military board at West Point passing on the rating of the newly appointed cadets, had approved his scholastic and academic records from the University of Nebraska and the Plattsmouth public schools and accepted these as regarding the mental tests for admission to the academy. Platters Bow to Tech Wednesday Score 51 to 23

Superior Passing and Fast Breaks Give Visitors Advantage—Locals Suffer From Illness.

The Platters Wednesday evening at the local court were turned back for the second time this season by the Maroons of Omaha Tech by the score of 51 to 23, the contest being one in which the visitors were never headed from the start.

The locals suffered also from the loss of Joe Noble, center, who was at home suffering from flu and unable to take part in the game, this forcing Ed Smith, captain, to the center post.

The Technical team had a smooth running, fast breaking group and in their swift and accurate passing held a decided edge through the game. Kamp, Brown, Levine and Thompson were the chief scorers of the visitors and in their fast plays broke through repeatedly to dump the ball into the baskets. Kamp was finally forced from the game by the foul route.

Donald Martin was the chief point getter of the blue and white as he annexed four field goals to make eight points for the Platters. Smith and York each accounted for two goals and Yellick one.

Corbin Davis showed the most brilliantly for the Platters in his field play as his defensive work at the guard post was among the best of either team and York also was looking good in the defense against the fast moving Maroons.

Tech led 9 to 3 at the first quarter and stretched this to 22 to 19 at the half time and 36 to 14 at the third period.

In the curtain raiser of the evening the Tech seconds won by the score of 42 to 16.
