

Florence M. Sedlak Weds W. R. Lang Today

Nuptial Mass Unites Plattsmouth Girl and David City Man at Holy Rosary Church.

From Wednesday's Daily— With a background of white pom poms interspersed with bouquets of artemisia and three tall, gold candelabra branched at each side of the main altar, Miss Florence Marie Sedlak, youngest daughter of Mr. and Mrs. Michael Sedlak of this city, and Mr. Wilbert Richard Lang, son of the late Mr. and Mrs. Charles Lang, of David City, Nebraska, were united in marriage in the presence of thirty-six, which included relatives, choir members, and a few close friends of the couple. The ceremony took place at the Holy Rosary Catholic church at 1610 Pearl street in which church the bride was baptized and confirmed and the groom baptized, the ceremony taking place at 7 a. m.

To the familiar strains of Lohengrin's "Bridal Chorus," the wedding party entered the church. Miss Dorothy Svoboda, organist at the church, played the accompaniment. Rev. Joseph R. Sinkula, pastor of the church, performed the singling ceremony and extended them the blessing of the church. Father Sinkula also celebrated the nuptial mass and was assisted by two acolytes—Bernard and Edward Kubicka.

The seven present choir members of the church sang four hymns during the mass. "Ecce Panis," a Latin hymn, was sung at the offertory; "Oh Lord I Am Not Worthy" was sung at the communion. "Oh Mary How Sweetly Falls That Word," "Oh What Could My Jesus Do More," and "Oh When Shall We With Angels Bright" were other sacred hymns sung during the mass. A consecration service followed the mass in which the bride knelt before the statue of Our Lady and during this service the choir rendered the hymn "On This Day Oh Beautiful Mother." The bride has been prefect of the R. V. M. Sodality of the Holy Rosary church during the year 1939-40.

The bride wore an aqua blue dress with matching hat and accessories, and a corsage of pink rosebuds. Her bridal bouquet was of white chrysanthemums, which she later placed at the foot of Our Lady's altar during the consecration service.

The bride was attended by Miss Bernice Dearden, fiancée of the bride's brother, Albert Sedlak, of Omaha, and she wore a rose-colored dress with matching hat and blue shoes. Her corsage was of salmon-colored roses.

The groom was attended by Albert Sedlak and both wore the conventional dark suits. The bridal party motored to the home of the bride's parents on West Elm street immediately following the wedding ceremony at the church and enjoyed a wedding breakfast prepared and served by the bride's mother, and two sisters, Mrs. Carl Alexen and Mrs. Charles Fulton. They were assisted by other members of the family. A nuptial dinner was served at high noon. An informal reception was held at the Sedlak home this afternoon and this evening.

Miss Sedlak (now Mrs. Wilbert Lang) was born and reared in this city, and is twenty years of age. She is a graduate of the St. John's

parochial school and attended Plattsmouth high school only a year. She has been engaged in housekeeping work for the past several months.

Her husband was born and reared in David City, Nebraska. He received his education in the David City schools and a few years ago came to Plattsmouth where he is employed. At the present time Mr. Lang, aged 23, is a night clerk in the Cohn's Nu-Way tavern.

Mr. and Mrs. Lang will make Plattsmouth their home for the present time.

Out-of-town guests at the wedding included Mr. and Mrs. Thomas Sedlak and two children, Joetta and Donald of Sedalia, Missouri, the former a brother of the bride, Miss Bernice Dearden, Omaha, Mr. Lang's sister; and her husband and his brother and sister-in-law from David City were also present.

Congratulatory messages were received from Los Angeles, California from the bride's two brothers, Fred Sedlak and wife, Louis Sedlak and family, and Mr. and Mrs. Wilbur Driver and family, the latter Mrs. Lang's sister.

Shoe Demand is Great; Used Shoes Needed

Adequate Footwear for All Needy School Children Dependent on Bringing In Used Shoes

The snowfall has brought greatly increased need for shoes for school-children—a demand that should be met before the opening day of school next week.

The American Legion Community Building Club has undertaken to see that no child is forced to miss school on account of lack of adequate footwear. Obviously, however, it will be impossible with limited resources to supply new shoes or overshoes to each needy boy and girl. The cost would be prohibitive.

However, in years past, a plan has been carried out that made available to the greatest possible number the benefits of the Club's generosity—namely, the collection and repair of many pairs of outgrown and partly-worn-out shoes and overshoes. The cost of repairing these is not nearly so great as buying new ones and thus a much greater number of children can be served.

To date the response to the appeal to turn in these outgrown and repairable shoes, rubbers and overshoes at Wescott's store or Conis Shining Parlor has not been nearly as great as in former years.

The request is again made, in the hope that everyone having footwear of this kind, will take the time to hunt it up NOW and bring it in at once. It takes time to repair and sort the contributed footwear, and on the opening day of school many applicants will have to be disappointed unless this is done.

New footwear will be purchased to supply missing sizes, but used and repaired shoes will be issued whenever possible in order to make the available funds perform the greatest possible good.

Club expenditures the last winter of its free shoe program amounted to more than \$125.00 and that much or more will be available again this year—but unless there is greater response to the request for used and outgrown footwear, that will not be nearly enough.

Interested citizens can help very materially by seeing that this is done at once. With your aid along this line, the Club will be able to make good its pledge to see that no child has to stay out of school because the parents can't and governmental agencies don't supply them.

With colds and flu prevalent to such a large extent, it is doubly important that the health of such children be safeguarded and nothing will do more toward that end than the supplying of good, warm footwear.

Won't you help now, by getting out the discarded shoes and bringing them to Wescott's store or to Conis Shining Parlor?

MR. WILCOX IMPROVING

C. E. Wilcox returned recently to his home on South K street, after being treated for a bone felon in Preston hospital in Lake Worth, Fla.

Mr. and Mrs. Wilcox and daughter, Marilyn, have resided in Lake Worth for the past two years, having lived formerly in Beatrice and Plattsmouth.—Lake Worth (Fla.) Post.

SHERIFF IS KEPT BUSY

Sheriff Joe Mrasek has been very busy the past few days as well as Deputy Sheriff Emery Doody, their calls having been numerous and due largely to the slippery and snowy condition of the roads. South of this city particularly has there been a great deal of trouble for the motorist unacquainted with the road. Near the George Ray farm there were several cars caught in the icy roadway and being forced to be pulled out.

See the goods you buy. Catalogs but how about the goods when descriptions are alluring enough, you get them?
