KEITH NEVILLE
 CANDIDATE FOR GOVERNOR
 DEMOCRATIC TICKET

I am opposed to my opponent's plan to put the state in the wholesale liquor business and to finance the plan with tax money.

It would cost a million or more dollars to buy stock, provide transportation and build warehouses for that purpose.

You and I know that money once paid in taxes never finds its way back to the pockets of those who paid it.

Vote for Neville and sound "pay as we go" government.
