Wedding Ceremony Performed April 20, Is Followed by Reception and Honeymoon Trip.

Mr. and Mrs. Vincent J. Pilny, Jr., who were married in Racine, Wisconsin on Saturday, April 20 and who spent a week's honeymoon in northern Wisconsin, are now at their home, 1618 Main street in this city. Mr. Pilny came to Racine from Plattsmouth the week of April 14 to take as his bride at 9 a. m. Saturday, April 20, Miss Ann Elizabeth Morawetz, daughter of Mrs. August Morawetz, 1712 North Chatham street. The marriage rites were solemnized at St. John's Nip. church by Rev. A. G. Weiler, who officiated in the presence of a large group of friends and relatives. Palms, ferns, and cut flowers decorated the church. Ivory lace over satin was fashioned into the bride's gown, which had a train, sweetheart neckline, long sleeves with points at the wrist, and tiny buttons down the back. Her long veil, covering the train of her dress, was of tulle and fell from a tiara of orange blossoms. Given in marriage by her uncle, Frank Morawetz of Milwaukee, the bride carried a sheaf of calla lilies tied with satin-ribbon, and wore a gold heart-shaped locket, the gift of the bridegroom.

Wears Blue Taffeta

To all her attendants the bride presented gold lockets. Her maid of honor, Miss Ione Heltz, preceded the bride to the altar, wearing blue velvet taffeta, an train, and a bowknot veil and slippers to match. Her bouquet combined pink roses, forget-me-nots, and baby's breath. Bridesmaids were Miss Josephine Bucheger and Miss Janet Crangle, whose gowns were in pink velvet taffeta and aqua velvet taffeta. Both had bowknot veils and slippers to match their dresses, and carried arrangements of pink roses, forget-me-nots, fever few and baby's breath.

Brother Is Attendant

The bridegroom, who is the son of Mr. and Mrs. Vincent Pilny, Sr., of Plattsmouth, Neb., had as his best man the bride's brother, August, and ushers were another brother, Stephen, and Vincent Chvilcek. Songs by St. John's choir included "Ave Maria" and "On This Day O Beautiful Mother."

Dinner and supper for 40 guests at the bride's home were followed by a reception for 200 guests. At the reception, the bride's mother and bridegroom's mother received in navy blue chiffon dresses and white gardenia corsages. Out of town guests included Mrs. Vincent Pilny, Sr., Miss Julia Svoboda, Plattsmouth, Nebraska; Mr. and Mrs. Louis Prochaska, Monfort, Wis.; Mrs. Tillie Paldar, Wilmette, Ill.; Frank Morawetz, Miss Harriett Petran, Mr. and Mrs. Bill Morawetz, Mr. and Mrs. Hugo Glenz, Mr. and Mrs. Walter Richter, Mrs. John Petran and family, all of Milwaukee; Mr. and Mrs. Joseph Weber, Janesville; Mrs. R. Navy Boys in Action

Richard Winfield Rea, the second eldest son of Mr. and Mrs. F. I. Rea, was born in Newman Grove, Nebraska January 26, 1918. The family came to Plattsmouth in April, 1925. Richard completed his grade school education at the St. John's parochial school and graduated from the Plattsmouth high school in 1935.

Richard enlisted in the United States navy February 16, 1938 at Omaha where he was assigned to the Great Lakes Training Station at Chicago, later being chosen honor man of his company of 100 men at the close of the training period. He received his assignment to the U. S. S. Mississippi, one of the largest battleships stationed at San Pedro.

The cruise of 1939 took him to the Caribbean Sea for annual maneuvers and at present is with the fleet at Hawaii where they are presenting War Problem XXI.

During the course of his enlistment so far Richard has successfully completed the examinations which have given him the following ratings: second-class seaman, first-class seaman, and the latest to be effective in May—third-class gunner's mate, which gives him ranking of third-class petty officer.

Roy E. Butler began his naval service in the Great Lakes Training School, nine years ago. When his four year term was up, he re-enlisted for two years. At the close of that short term, he decided to stay in the navy for the full term which is 20 years.

He is in the signal corps, and has availed himself of the opportunity for study on ship board, and some night school while off duty, taken the competitive examinations, and won the promotions necessary to reach the rank of first class seaman.

For years Roy has been stationed in the San Diego harbor, on the S. S. Dobbin which is the mother boat to several destroyers, but during the recent war game maneuvers, he was transferred, at his own request to the U. S. S. Aylwin, and will probably draw eastern service during the next year.

While stationed at Seattle, Wash., in 1932, Roy married Catherine, a foster daughter of Dr. and Mrs. H. G. McClusky, of this city.

Mr. and Mrs. Butler make their home in San Diego, California.

A young, recently-married man who is stationed in the United States navy is Earl Lamberson, eldest son of A. E. Lamberson, an employee of the Lincoln Telephone & Telegraph company's local staff. At a surprise marriage on August 20, 1939 at Logan, Iowa, Earl became the husband of Miss Alice Jane Hirz, daughter of Mrs. Cora Hirz, Justice J. M. Davis, Logan, performed the wedding ceremony. Plattsmouth friends of the couple didn't learn of the marriage until some months later. Earl is now the father of a daughter, who was born to his wife on Sunday, April 14 in Portsmouth, New Hampshire. Mr. and Mrs. Lamberson named their daughter Mary Jane.

Earl was born on February 12 (Lincoln's birthday) 1917 at Raymond, Nebraska and received his high school education in the Plattsmouth high school, where he was graduated in 1934. Earl joined the navy in 1935 and enlisted for four years. At that time the major portion of his enlistment was spent in San Diego, California. From there he was transferred to New London, Connecticut and then went to Coco Solo, Panama Canal Zone, where he spent a period of 2 1/2 years in foreign duty. Following his return to the United States he was on a receiving ship for a while before he received an honorable discharge from the navy. He received a five-year rating in four years and, at the time of his discharge was a first mate and later a third-class petty officer.

In the summer of 1939 he re-enlisted and then was married. He has been at the submarine base at Portsmouth, New Hampshire on the submarine "Seawolf," a sister ship of the sunken submarine Squalus. He is now at military maneuvers in the Pacific.

Earl's wife and daughter are expected to arrive in Nebraska sometime during the third week in May and will remain in Plattsmouth during the summer. Accompanying Mrs. Lamberson and Mary Jane from Portsmouth will be Mrs. W. H. Burns, sister of Mrs. Lamberson. Following the maneuvering period, if possible,

Mr. Lamberson anticipates coming to Plattsmouth around September. Both will visit with their parents and other relatives. The coming fall and winter will find them residing in California.

PROTEST WPA CUTS

LINCOLN, April 30 (UP)—Governor R. L. Cochran told Senator George W. Norris today he believed a deficiency should be made to prevent heavy reductions in the WPA rolls. In a letter to Norris Cochran suggested that if a deficiency appropriation is not made Nebraska's share of the reduction should be less drastic than the scheduled slash for May. "The announcement that there will be a reduction in Nebraska of 5,000 on the WPA rolls May 1 has caused considerable concern not only among those directly dependent on WPA, but also to all citizens familiar with our conditions," Cochran wrote.

Union Pacific Reports Increase in Revenues

Reports at New York Show Decided Gain for Railroad in Freight and Passenger Revenues.

NEW YORK, April 29 (UP)—Union Pacific freight revenue increased 10 per cent in 1939 and passenger revenue increased 6.4 per cent according to the railroad's annual report made public today. Common stock earned \$6.74 per share as against \$6.62 in 1938, and \$6.00 per share was again paid in dividends on the common stock.

W. A. Harriman, chairman of the board, pointed out that the volume of freight traffic for the past four years compared favorably with that of the peak years 1928 and 1929, although revenues were substantially less. Had last year's volume moved at the average rate per ton of 1921, freight revenue would have been about \$61,000,000 greater, or at the 1929 average rate about \$21,000,000 greater.

Analyzing the passenger traffic, Harriman indicated that the volume had more than doubled since the low of 1933 and during the past three years was greater than any year since 1926. Mr. Harriman attributed recovery of volume to reduction of passenger fares, and air-conditioning and modernization of equipment. Although the volume of passenger traffic was 92 per cent of 1921, revenue was only 46.9 per cent.

A decrease in operating revenues of 19.6 per cent as compared with 1921, Harriman said, was partially offset by a 21.9 per cent saving in operating expenses.

Union Pacific taxes in 1939 were equivalent to 9.9 per cent of gross operating revenue, amounting to \$468.52 per employe and \$7.33 per share of the common stock.

Objections of Counties Overruled by Board

State Board of Control Refuses to Cut Minimum Salary to Be Paid Assistance Directors.

The state board of control has turned down the suggestions made by the executive committee of the State Association of County Officials regarding the pay schedule set up by the state merit system as it affects the assistance department. The executive committee asked that the minimum for county assistance directors in class 2 counties be \$125 to \$225. The board had originally recommended that the minimum be \$150, and left the salary at that level, with the provision that counties which do not now pay that amount may, by presenting sufficient reasons to the board, be permitted to pay less.

The board of control also declined to accept the suggestion made by the executive committee on the matter of reducing qualifications for visitors. The committee asked that the requirements for a visitor be reduced, to conform with the qualifications of county assistance directors.

The board said its decision was based on experience resulting from its application for reduction of qualifications for county assistance directors, made a year ago to the social security board, which required practically a year's time to secure some decision.

There are 11 counties in class 2 based on the size of the case load, which are paying \$150 a month or more to their assistance directors. Nine others are paying less. At a recent hearing county commissioners from Otoe and Nemaha counties objected to such a high schedule. Lancaster county commissioners have also objected to paying its director \$150 a month. He now receives \$140.

The board explained that the decision on the matter does not apply to present salaries but will apply only if there are vacancies to be filled.

The board also explained, in refusing to follow the executive committee's recommendations, that the registers' covering positions in the state assistance and child welfare program are practically exhausted, and examinations must be given as soon as possible. In establishing salary ranges the board explained that minimum salaries suggested should be high enough to attract persons qualified to perform the duties of the position.
