RECOVERING FROM ACCIDENT

A. E. Lamberson, employe of the Lincoln Telephone & Telegraph Co., was injured Friday while working on the line in Louisville, falling from a pole and at first it was feared he might have sustained very dangerous injuries.

He was working on a line some ten feet off the ground when he fell and light on his shoulders, his head striking a rock and apparently causing a concussion. The injured man, who was unconscious, was taken to the office of Dr. Wortman where temporary aid was given, he then being taken on to Lincoln to the Bryan Memorial hospital.

It was found that his injuries were not of a severe nature and this morning he was reported much better and had regained his faculties after the concussion.

MEMORIES OF MOTHER

In yonder silent city,
Where the stars their vigils keep,
And night winds murmur softly
Our loved one lies asleep.

All earth's strife is over;
No more watchful care,
No more pain or sorrow
Shall be hers to bear.

Blessed angels welcomed,
Her on yonder shore
And we too will join her
When our journey's o'er.

Love and beauty reign there
Where all trials cease,
Christ our Savior giveth
There eternal peace.

Though she left us lonely,
We shall seek her face
And be with her always
Saved by grace.

Beautiful memories
She left us here below,
Like a beacon radiant
Is their afterglow.

Guiding us to Jesus,
From whom all blessings come;
Guiding us to heaven,
Home, sweet home.

OUR KIND LOVING MOTHER

In a time like this, we understand,
That you have lost a good loving friend;
A mother, grandmother and a faithful wife,
The best friend on this earth, all your life.

But she has not wandered very far away,
Just to only another place to stay;
With God, her full happiness to share,
She will be waiting for you over there.

It is hard and sad with loved ones to part,
Those that we love with our kindly heart;
But now that she is lingering over there,
She will welcome from us a daily prayer.

Her friends will also miss her here,
Perhaps often shed a sorrowful tear;
Someday, perhaps not a long time to come,
We may meet her in her Heavenly home.

L. W. LORENZ.
In memory of Mrs. L. B. Egenberger, deceased

INSTALL NEW AMBULANCE

The Horton funeral home on North Seventh street is installing a new ambulance to be used in their service to the public. The new ambulance is a Buick and of a convertible type that can be used as a passenger car or transformed into a full sized ambulance, carrying one stretcher.

The right hand side of the car is arranged so that the entire side can be opened up to permit the placing and removing of the stretcher and patient with comfort and dispatch. There is room in the back portion of the car for an attendant in addition to the driver's seat in front.

This will be a fine addition to the equipment of the Horton home and permit real service in ambulance work of which the funeral home has had a great deal in the past year. It will be much appreciated by the community as an asset in case of necessity.

IN MEMORY

A skilled musician and a successful leader of others. A loyal friend, a kind neighbor. A truly exemplary business man, enjoying distinctive honors as a citizen. Ever thoughtful of others, always exercising a breadth of Christian charity and tolerance, when appraising his fellows in matters of personal choices and avowed convictions.

Cheerful, hopeful, abounding in the finer virtues which so endeared him to all who knew him. Constant in devotion to his home and church. Patient in illness and suffering, he calmly approached the close of his earthly life with a triumphant faith. This was "Ed" Schulhof.

—One who knew him.

A MUCH APPRECIATED SERVICE

At the time of the severe illness and death of Mrs. Mary Hewitt on Wednesday, the Horton Funeral home rendered much appreciated service in placing its ambulance at the disposal of the family and rushing the ailing lady to the hospital, even though it required Mr. Horton to leave his own activities at the chapel, where he was busy with arrangements for a later service. Although death came before the patient reached the hospital, the efforts of Mr. Horton and his courtesy in supplying the ambulance at such a time are much appreciated by the family and friends.

HERE FROM MANLEY

Mr. and Mrs. John C. Rauth and Mr. and Mrs. Walter Moekenhaupt, of Manley, were in the city Thursday afternoon to spend a few hours visiting with friends, also looking after some business matters.

RENDERS GOOD SERVICE

Since Mrs. George Nickel of Elmwood was elected secretary-treasurer of the Cass County American Red Cross, it seems fitting just now to mention some of her activities in the community. She received a diploma of award from the American Council of Defense, signed by the officers of authority in Washington, D. C. She was appointed by Mayor Ed Penterman and he witnessed her credentials signed before a notary.

During the World War the A.R.C. chapter of Elmwood sent her to Omaha in the interest of war work, she had charge of the surgical dressings. Mrs. Nickel has been active in the Elmwood Woman's club for the past 23 years. Prior to her marriage she taught in the Weeping Water public schools, and at many times and in many ways she has reached out a helping hand in time of need, giving freely of her means and strength without thought of recompense.

Mr. and Mrs. Nickel have always supported the worthwhile enterprises of the town financially. She has been active since the beginning of extension work in the county. She and Mrs. Lucy Lyle were the only Cass county women on the bus trip through Canada to Washington, D. C. to attend the convention.

The Elmwood branch of Red Cross made a wonderful record during the World War under the leadership of Mrs. L. F. Langhorst and the ladies at the head of the departments of knitting, sewing and surgical dressings with the co-operation of the entire community and surrounding country. Elmwood chapter has responded readily to any distress call, raising over \$200 for the Republican river disaster and \$60 for the Ohio Valley flood.

We recommend Mrs. Nickel not as a stranger to the people but as a faithful and loyal worker. — Contributed.

Funeral services are expected to be conducted tomorrow or Monday, and Father Sinkula anticipates returning to Plattsmouth about Tuesday.
