

Navy Boys in Action

James Macintosh Robertson, son of Mr. and Mrs. W. A. Robertson, was born in Plattsmouth and lived here continuously until his graduation from the high school in 1934. After one year in the Santa Rosa Junior College of Santa Rosa, California, he entered the United States Naval Academy in June, 1935.

Four years in the academy were the usual very full ones of steady study, regular military drills, instruction in the use of all kinds of defensive weapons from pistols to ships' cannon, and instruction in the

manipulation of all manner of craft, from the slender racing boat to the gigantic steam-driven sea fortresses. Even the practical operation of submarines under the water and of gunnery from ship of the air was not overlooked by the officers and instructors of this most thorough school. Cruises to foreign lands gave these same students a taste of world conditions and problems.

Extra curricula activities for Jim were Glee club, the Log staff, and battalion crew on which he served as stroke oar the last two years. During the senior year, he also served his company successively as second petty officer, midshipman Lieutenant and midshipman ensign. During June Week, this First Company of the First Battalion proved to be "Color Company," the best drilled of the regiment.

Commissioned as Ensign and officer of the line in June, 1939, Jim now is serving with the Pacific Fleet aboard the heavy cruiser, U. S. S. Louisville. Besides his regular duties as one of the junior officers, he is the coach for three rowing crews being trained aboard the Louisville for the annual Badenburger Cup Races.

The most recent boy from Cass county to enlist in the United States navy is Louis Puls, son of Mr. and Mrs. Otto Puls, Murray, Nebraska residents. At the present time he is at the training station in Great Lakes, Illinois and relatives and friends may now communicate with him at the following address: Mr. Louis A. Puls, U. S. Naval Station, Company 22, Great Lakes, Illinois.

A recent letter received by his parents indicated that he had been a patient in the hospital for two weeks, and he was released Friday, April 26. His recovery, seemingly, has been rapid as he has gained six pounds in weight and manages to keep a remarkable appetite the letter stated. In his examinations and tests Louis has won the distinction of gaining 100% which, so far, makes his rating in the navy excellent.

Among the activities in the line of sports Louis has learned to swim fifty yards and for the first time he had the pleasure of taking a boat ride, Sunday, April 28.

How One Woman Lost 20 Pounds of FAT

Lost Her Prominent Hips
Lost Her Double Chin
Lost Her Sluggishness

Gained a More Shapely Figure and the Increase in Physical Vigor and Vivaciousness Which So Often Comes With Excess Fat Reduction.

Thousands of women are getting fat and losing their appeal just because they do not know what to do.

Why not be smart — do what thousands of women have done to get off pounds of unwanted fat.

Take a half teaspoonful of Kruschen in a glass of hot water first thing every morning to gently activate liver, bowels and kidneys—cut down your caloric intake—eat wisely and satisfyingly—there need never be a hungry moment!

Keep this plan up for 30 days. Then weigh yourself and see if you haven't lost pounds of ugly fat. Just see if this doesn't prove to be the surprise of your life and make you feel like shouting the good news to other fat people. And best of all a jar of Kruschen that will last you for 4 weeks costs but little. If not joyfully satisfied—money back.

coln; and Maisie Imig, business administration freshman from Seward, were declared to be the six most beautiful girls on the Nebraska campus by editors of the other five yearbooks of the Big Six schools who acted as judges.

Judges of the 1940 beauty queens were Al Makins, Kansas State college; Charles Roberts, University of Oklahoma; Jack Williams, Iowa State college; Russel Harris, University of Missouri; Richard McCann, Univer-
