

# Soennichsen's Edge Out Russell Sports, 9 to 8

### Girls Play Valiant Game—Keil and H. Hirz Get Homers—Record Crowd Present.

By ROBERT COOK

Before the largest attendance in softball history at Plattsmouth, Soennichsen's turned back the valiant Russell Sports, an organization of girls out of Omaha, by a close score of 9-8. Pauline Chapman pitched for the girls while her 12-year-old sister caught. George Mayabb pitched for the locals and had his hands full before the last ball had been pitched. R. Hirz, Keil and H. Hirz led Soennichsen's attack with two hits apiece. Keil and H. Hirz got home runs. A. Klefsky, Kozad, and Ash led the Russell Sports assault with two hits apiece also.

The Russell Sports opened the scoring in the first inning. A. Klefsky dropped a Texas Leaguer out of Schubeck's reach for a hit. P. Chapman walked. Kozad drove out a blooper out of R. Brittain's reach, and A. Klefsky scored when Smith dropped Wondra's peg to the plate. Ash whacked out a single, and both Chapman and Kozad scored.

Soennichsen's tied it up in the first. R. Hirz singled and went to second on a passed ball. Smith rapped out a double to score Bob. Keil slammed a home run into deep center, Smith scoring ahead of him.

Russell Sports regained the lead in the third. A. Klefsky singled and went to third on Smith's wild heave to second. Ash doubled to drive her in but was out trying to steal third.

Soennichsen's again tied it in the fourth. Livingston took all four bases when L. Klefsky dropped his high fly.

Soennichsen's forged strongly ahead in the fifth. C. Brittain reached second on Ash's bungle of his fly. Mumby dropped Kozad's throw, and Brittain scored as Smith reached first. Keil walked, and H. Hirz lifted a circuit clout over L. Klefsky's head for three more runs.

Russell Sports again knotted it up in the sixth. A. Klefsky walked and P. Chapman was safe as R. Brittain wrestled with her grounder. Kozad parked a single and Klefsky scored. Both runners stole bases and came in on another bad throw by Smith. Flowers singled and scored when Smith overthrew first trying to catch her off the bag.

Soennichsen's finally won in the last of the seventh. R. Hirz singled and purloined second. With two gone Keil belted the ball through left-center for what would have been a home run, but, since Hirz scored 'he winning run, Keil was credited with only a single.

Best fielding plays were Flowers' running catch of Mack's pop-up despite the fact that she collided with Sacha. P. Chapman's snare of R. Brittain's foul fly when she ran into her sister, A. Klefsky's spar of Mayabb's hot drive, and H. Hirz's shoe-string catch of Kozad's liner.

### EXTEND APPRECIATION

The officers of the Cass County Chapter of the American Red Cross wish to express their appreciation to the Cass county people for their fine co-operation during the "Learn to Swim" week just closed. Without the hearty co-operation of everyone this program would not be possible.

From each of the seventeen Cass county towns free transportation has been provided to the pools nearest them where free swimming lessons were given to each group for one week. Our thanks to the drivers.

To the management of Merritt's Beach, Plattsmouth, and Lake Park, South Bend, Cass county should be very grateful as these pools have been turned over, gratis, to the Red Cross for the school of instruction each year. Cass County Chapter A. R. C. has given this service.

Our thanks also to the local chairman of swim week in every town. Their responsibility has not been small.

The co-operation of Louisville firemen and business men was very outstanding. They made personal contributions to the amount of \$300 besides giving of their time and strength and filled in the north end of Stone Lake (where the Red Cross instruction is given) making of it a good wide beach, thus removing much of the hazard and danger for beginners and giving the people of Louisville and surrounding community a fine bathing beach. Henry Davis deserves our thanks for serving as chairman of this project.

We especially wish to express our appreciation to all who assisted as instructors and life savers. It has been very gratifying to find those who have been instructed in the A. R. C. other years coming back and giving their time and ability to help teach and protect the new students.

We have been very fortunate in securing Mrs. Harriett Benson of Fremont as this year's instructor and examiner. Her work has been excellent. We also have been fortunate in securing Miss Betty Clements of Elmwood as county chairman of life saving. Miss Clements is a Red Cross examiner herself and fully appreciates every part of the life saving service. To her untiring efforts much credit is due.

Beginning seven years ago, only a few took advantage of the free instruction given by the A. R. C. This year several hundred have attended classes in a business-like way and put forth their best efforts in learning to swim and also pass the tests for life savers. You who give your dollar when roll call comes next November are also helping to make this program possible.

### CONSCRIPTION NO THREAT

While many authorities over the country claim that prospective passing of a compulsory military training bill is causing a rush to the matrimonial altar, Judge A. H. Duxbury has contrary views.
