VISIT OLD FRIEND

Head and Chest COLDS

THRU scientific manipulations—and correct sunlight treatments for head and chest colds. Dr. Joe J. Stibal, Chiropractor, can relieve and correct in one third usual time a large majority of these cases. 18 years experience.

Sunday a group of the members of the Young Men's Bible class of the First Methodist church of this city, motored to Corning, Iowa, to visit with Ward Whelan, a member of the class for a great many years. Mr. Whelan has been ill for the past year and was very much cheered when the old friends came in to spend the day and greet him. It was a very happy occasion for all of the party. Those making the trip were E. H. Westcott, teacher of the class, Judge

A. H. Duxbury, L. S. Devoe, R. C. Jahrig, George Brinklow, Hallie Perry, Don York, Harry White, Walter Minniear, G. O. Schwenker, William Heinrich and John Elliott.

R. H. PATTON IMPROVING

The many friends of Robert H. Patton will be pleased to learn that he is now showing improvement following several days when his condition was quite serious. Mr. Patton was brought home Monday and is now recuperating at the family home in the south part of the city.

Preparing for Historical Show for the Karnival

Persons in County Having Articles Suitable for Exhibition Urged to Bring Them in.

It is hoped to have the historical exhibit of the King Korn Karnival this year one of the best that has been seen, one that will bring a real showing of photographs, letters, books and articles identified with the early history of Cass county.

The exhibit will be held in the corner room of the Journal building at Fourth and Main streets, where articles may be brought the first of next week to be catalogued and arranged for showing.

Dr. G. H. Gilmore, of Murray, who has made the history of Cass county his hobby for years, will be the chairman with local people assisting him.

It is desired to have Indian relics, old dresses and clothing, hats and bonnets of bygone days brought in as well as historical documents, pictures, letters, newspapers and old books shown. Anyone that has old time household effects, ox yokes and guns are urged to send them in.

Anyone in any part of Cass county or Mills county, Iowa, Sarpy county, Nebraska is urged to contact Dr. Gilmore and bring in their articles. They will be well cared for and returned at the close of the Karnival.

SERVES IN NOTED BATTERY

Second Lieutenant Herbert Sundstrom, son of Mr. and Mrs. Elmer Sundstrom of this city, writes that

he is now stationed at Madison barracks, New York with Battery D of the Fifth artillery. The station is located on Lake Ontario, being one of the historic posts of the country. The battery is the oldest in the United States army as it was stormed by Alexander Hamilton in 1776, participating in all of the wars of the United States since that time.

From Monday's Daily—
