TELLS OF ADVENTURES
 The Rotary club at their luncheon had the opportunity of hearing a story of adventure, a part of the journeys and services of one of our townsmen, Herman Reichstadt. Mr. Reichstadt was unable to be at the luncheon but the story of his adventures was told by E. A. Wurl, the chairman of the program.
 Mr. Reichstadt is a native of Switzerland and his lifetime has been one filled with many stirring incidents from the peaceful land of the Swiss to the stirring experiences along the lines of service in the French Foreign Legion in Africa and other parts of the world. He made ten trips through the Suez Canal on his way to various points of service for the French. One of the extensive campaigns he had was that of the French conquest of the island of Madagascar, where the queen was overthrown and the natives, attacking the French were quieted down. This island is 1,000 miles long and about as wide as the state of Nebraska. It has been one of the choice African possessions of the French. Located on the east coast of the dark continent, it has a fine climate and raises much fruit. Mr. Reichstadt states on the east coast of Africa the shore lines are very shallow and large boats are required to remain several miles at sea and passengers and cargo landed by tenders.
 He was at Djibouti, French Somaliland at the time the Italians were defeated by King Menelik in the campaigns of 1896.
 One of the incidents of his service well remembered is that of seeing the Spanish war fleet leave its native land in 1898 for Cuba where on July 3-4 it was destroyed and sunk by the United States fleet at the battle of Santiago, off the coast of Cuba.
DEPARTS FOR WISCONSIN

HIGH SCHOOL TO PRESENT CONCERT FRIDAY, DEC. 13
 The music department of the Plattsmouth high school will present its annual fall concert, Friday, December 13, at the high school auditorium.
 The number in the music department this year is larger than it has been some years previous. There is a total membership of 186 in the complete department, 72 of these being in the band. This band when marching at the coliseum at the Ak-Sar-Ben stock show found it a bit crowded; this shows that the high school band is far from small.
 In the choir there are 114 members, and the majority of these are upper classmen who were with the choir last year on its trips where it received much honor.
 Besides these two fine groups there is the all-girl choir, and small vocal groups.
 The new music of the choir will probably add to the enjoyment of the program, and will help to make it one of the finest concerts given by Plattsmouth high school.
HOLD BUDGET MEETING
 The hearing on the proposed budget for Cass county for the next fiscal year of 1941 was held Monday at the office of the county commissioners. The commissioners were in session all day but the only persons to attend was Hon. W. B. Banning of Union and O. A. Davis of Murray, representing the Taxpayers League. There was no objections filed to the budget.
AN APPRECIATION
 I wish to thank the many friends who sent letters, gifts and cards during my convalescence in Sioux City. Especially do I wish to thank the Freshman class for the lovely flowers. These acts of kindness helped to shorten my stay away from home.
 JO ANN TRAUDT.
