## EIGHTY-NINE MEN FOR SERVICE

State Selective headquarters announced today that 89 Nebraska men will be inducted for a year's military service during the week January 8 to 15.

The order was received from Seventh Corps Area headquarters in Omaha. Adjutant General Guy Henninger, state draft director, said a call was expected for additional men during January.

Selective service officials said the allocations for the 89 among Nebraska local boards would be announced within a few days, but it appeared uncertain whether the conscriptions would be limited to volunteers. Nebraska drafted 122 men from the volunteer rank earlier this month under the draft program.

## PLAN CHURCH SERVICES

Mrs. Nellie Thum, missionary of the Holiness church, is to be here Saturday, word has been received by the local church people. She will be at the church in South Park at 2 o'clock Saturday to meet the local members of the faith. It is hoped to have a large number of the members present.
