

Plattsmouth to Defend Track Title in May

Showing Last Year in East Nebraska Six Conference Won Title—Face Hotter Competition

Plattsmouth High, last year's champions in the Eastern Nebraska Six conference, are ready to vie again with their five opponents for top honors when the conference meet is held early next month. Taking first in seven of the fourteen events scheduled last year and a goodly number of place and show positions, the Blue Devils mowed down their opposition and coasted to a comfortable win. Things promise to be just a bit hotter this year for the defending champions as the Blue and White are considerably weaker in the sprints, due to the loss of Allan White, Plattsmouth's ace sprinter of last year.

Only Jimmy Yelick has been a constant point getter in the tournaments to date, and Yelick is a weight man, leaving the Platters vulnerable in the sprint division.

Without a doubt things could be a lot worse, as Coach Hoffman has a great deal of confidence in some boys who have yet to prove themselves. Boys who are taking White's place in the 100-yd. dash are Charley McClain and Joe Noble. McClain has given indications of speed and whether he can produce it is only a matter of trying. Joe was a point winner from last year. McClain and Wohlfarth are the boys set for the 220-yard dash. Wohlfarth like McClain has yet to prove himself though he has indicated that he has what it takes.

Quarter miler on the P. H. S. squad are Grauf and Wohlfarth. Grauf was a reserve center on the football squad and has showed a great deal of speed and stamina in the 440 yard run. Grover Parriott who placed fourth in last year's half mile and Milt Allen a transfer from Nebraska City will take care of the half mile, while Malen Powell, a second place winner last year, will run the mile.

Joe Noble is the only boy Coach Hoffman has for the high and low hurdles. Noble also placed in this event last year.

Joe Phillips last year's broad jump winner is being replaced this year by Kenny White, Lars Larson, and Chuck McClain. Between the three of them the boys should be able to sew up most of the points. Ray Evers, lanky Plattsmouth sophomore is an outstanding personality in the high jump, while Johnny Aschenbrenner will do the pole vault.

Plattsmouth is all but invulnerable in the weights with Captain Jim Yelick leading the way. Malen Powell and Charley Kozak may add some needed points.

Though an 880 relay team has not been selected as yet it is altogether possible that Parriott, Noble, McClain, and Grauf may be made into such an outfit.

The following are the official records of the Eastern Nebraska Six conference.

- 220-yd. dash—Allan White, Plattsmouth. Time: 23.6.

Silver Wedding Anniversary—

On April 26, 1915, Miss Anna Henrich and Mike Kaffenberger were united in marriage at the home of the bride's mother, Mrs. Mary Henrich, Rev. J. H. Steger, pastor of St. Paul's church, officiated and Mrs. Karl Zaveren, sister of the bride, played the wedding march. The bride and groom were unattended.

Twenty-five years later—Sunday evening—Mr. and Mrs. Kaffenberger celebrated their silver wedding anniversary. In conjunction with the anniversary, Fritz Kaffenberger's birthday, likewise, was celebrated. Attending the fete were members of the late Adam Kaffenberger's family and descendants of the Jacob Henrich family.

The dining table looked very charming with a large silver wedding ring, bearing a miniature bride and groom and a bell surrounded by lilies of the valley, as the centerpiece. Silver candeliers in crystal holders added a sparkling touch to the decorations. A two-tier wedding cake, containing another miniature bride and groom, likewise graced the table.

Java was poured from the container that was received as a wedding gift by Mr. and Mrs. Kaffenberger twenty-five years ago.

Cards and other forms of entertainment were enjoyed by the large group who were present. Prizes were awarded.

Mr. and Mrs. Kaffenberger, who reside on the same farm they occupied at the time of their marriage, have one son, Henry.

NAMED AS SENIOR GUARD

Friends will be pleased to learn of the success that has come to Dave Pickrel, long time member of the police force prior to last May 1st, on his application for Senior Guard position at Fort Crook. When this Civil Service examination was announced last fall, Dave was one of numerous local applicants. There were also applicants from all over this territory to the number of more than 550.

Some ten days ago, Dave received his rating, which was the highest of any awarded, 98 per cent. In addition he was granted a 5 per cent veteran preference, for a total of 103. As a result of this fine showing he was called to Fort Crook for an interview last week and yesterday was recalled for medical examination. Passing this, he was advised to come back tomorrow afternoon for equipment and begin work on May 1st.

Since early in December, Mr. Pickrel has been in charge of the NYA project at the baseball park, and has been doing an excellent piece of work. F. M. Barrett, NYA supervisor for this area, was in the city today and receiving Mr. Pickrel's resignation, expressed regret at losing him from the park project.

For a long period of years, Dave served on Plattsmouth's police force, and in his application for the guard position was recommended by two former mayors of the city under whom he had worked.

In the Guard position, he will be connected with the Quartermaster Department, not the bomber plant. Establishment of the new motor repair yards on the Fort Crook grounds has brought need for an increased number of guards immediately, while it is expected that later when the bomber plant is completed and ready for operation, a large additional number will be added, to be filled from this examination. At the present time only six or eight are being added.
