

Plattsmouth Nudges Papillion for Close Victory

Reserve Move Boomerangs—Hilt Takes No. 3—Scrub Scores the Winning Run.

By ROBERT COOK

Putting on a blistering hitting spree in the seventh, the Plattsmouth Blue Devils squeezed by a fighting Papillion outfield by the narrow margin of 4-3. Joe Noble started for Plattsmouth and pitched three hitless innings, fanning six before his arm went bad. Ralph Hilt hurled four innings, gave up three hits, and struck out five in getting credit for the win, his third of the current season. Harvey Cordes pitched the first game of his high school career and did right well. He allowed five hits and whiffed seven in his efforts. Not one run was earned. Parriott doubled, and Martin, Eaton, Hilt, and Melsinger got singles for the Blue Devils. Plambeck, Daup, and Dolling singled for Papillion.

Plattsmouth opened up in the first. Martin was safe on R. Becker's fumble and stole second. Chovanec walked. Noble grounded to Miller who threw him out. However, Schmidt, the first baseman, got lost in the wilderness around A Hassock, and Martin stole home.

In the second Hilt walked and stole second, third, and home while Papillion was committing four errors.

In the third inning Parriott reached second when Miller dropped his infield popup, stole third, and scored on Peter's roller to second.

In the sixth frame Hoffman, in a state of exuberance, poured in a reserve outfield and catcher. Came successive drives into left field by Dolling and Plambeck. Then Daup lashed a sizzler into left. The ball skidded off Woster's glove, and all three runners scored.

Plattsmouth recovered in the seventh. Wayne Melsinger, a substitute who had never played before took the initial pitch for a ride into right field, Martin clouted one into center. Eaton singled to center and Melsinger scored the winning run on Daup's wild throw-in.

This was the same team that Plattsmouth annihilated 21-0 earlier in the season. "The lane is long that never turns."

P. S.: Harry Shiffer was absent again.

TO HOLD REFERENDUM

WASHINGTON, May 10 (UP)—Secretary of Agriculture Claude R. Wickard today ordered a referendum held among wheat growers May 31 on a proposal for AAA marketing quota level by 217 million bushels, 1941 bumper crop of 838 million bushels. The quotas, first ever asked on wheat, will be effective if approved by two-thirds of the farmers voting.

If quotas are approved every farmer would be entitled to most his farm's wheat acreage allotment plus wheat from any previous crop. The government would collect a 15¢ bushel penalty on marketings in excess of quotas.

If the allotted acreage failed to produce a "normal" crop the farmer also would be permitted to market under the quota additional wheat up to that amount.

Wickard said the 1941 crop surplus an estimated carry-over of 390 million bushels of old wheat on July 1 would give the nation a supply of 1,236,000,000 bushels exclusive of crop insurance reserves.

The supply exceeds the marketing quota level by 217 million bushels, Wickard said. If farmers reject marketing quotas the Farm Act provides that no government loans can be made on the 1941 wheat crop.
