

Citizen Group Named to Study Water Situation

Will Act in Advisory Capacity to City—To Seek to Retain Cemetery Board Members.

One of the features of the council meeting Monday evening with the announcement by Mayor Lillie of an advisory citizens committee to serve with the council committee in the matter of the forthcoming renewal of the water franchise, adjustment of rates or the possibilities of a municipal plant. The men named to this committee are Joe Lapidus of the Hotel Plattsmouth, E. H. Bernhardt, of the Norfolk Packing Co. and Searl S. Davis, well known real estate dealer. These men were confirmed by a unanimous vote of the council.

The petition for a street light in the neighborhood of Ninth and Locust streets was received and referred to the lighting committee. A petition signed by Dorothy Bourne and others for a light a block east of the Holy Rosary church was received and also referred to the lighting committee.

The request of Lester Thimgan to lay a six-inch sewer from his property to connect with the Eighth street sewer was received and the permit granted, the matter to be under the supervision of the streets, alleys and bridges committee.

Discuss Cemetery Board
The resignations of W. P. Evers, Judge A. H. Duxbury and J. C. Comstock were received and read by City Clerk Albert Olson, causing a general discussion of the matter.

Councilman Selver was of the opinion that the resignations should be rejected and the men be asked to remain as members of the board, where he stated, they had made such splendid records. The council should appoint a committee to get in touch with the members and see if their

decision in the matter was unshaken. Councilman Webb expressed his opinion as personally in favor of the excellent work the members had performed, but the city and the persons interested in the cemetery should know definitely what was to be done. The board is not able to organize owing to half of the members resigning.

The motion of Selver to sound out the board members as to remaining was passed with Puls and Johnson passing.

Mayor Lillie announced that he would appoint a committee to contact the men and on suggestion of Councilman Webb, the committee will ask the old board to function until the next meeting of the council, when, if necessary three new members might be named. This was accepted and Mayor Lillie named as the committee, Webb, Puls and Schutz.

Mayor Lillie reported that a member of the state board of health was in the city and checked up several places, chicken pens and others being ordered cleaned up. He will return next week to check if the work has been carried out.

Pass New Ordinance
Following the natural course of procedure, ordinance No. 749 came up for the consideration of the council. This ordinance was one to levy an occupation tax on all musical mechanical devices, machines for amusement and entertainment, excluding machines that carried gifts or anything of value as a prize, that might be contrary to law. The new ordinance set a tax of \$10 per year on each and every machine operated in the city. On the vote all members voted in favor of the proposed ordinance.

The tax and property committee had received the bid of Everett Noble for lots 7 and 8 in block 73 on North 11th street. On motion this was referred to the committee to consult with the bidder as to the proposition of the erection of a residence.

Discuss New Street Equipment
With the report of Chairman Noble of the streets, alleys and bridges committee, came a large number of matters of street work and equipment. The question of painting parking spaces on the streets was brought up and the decision made that the committee secure a gallon of aluminum paint to be used as an experiment.

Chairman Noble brought up the matter of a new tractor and grader for the city street department to replace the present one. The chairman and Councilman Finnefrock favored the caterpillar type of machine and heavier blade for road work. Councilman Puls stated that the purchase of a machine of the type suggested would be in the neighborhood of \$3,500.

On motion of Councilman Painter, the tractor matter was referred to the chairman of the streets, alleys and bridges committee and the members of the finance committee.

Appoint Citizens Committee
Chairman Painter of the fire and water committee reported that the street drinking fountains were now fixed and in operation. Mr. Painter expressed the opinion that the city should be giving some thought to the fact that the franchise of the Plattsmouth Water Corporation will be expiring next spring and the city must face some definite action at that time as to renewal or the seeking of other sources.

Mayor Lillie announced that in studying rates and other data and to assist the city council he had appointed a citizens committee, naming Mr. Lapidus, Mr. Bernhardt and Mr. Davis.

Cemetery Road Promised
Chairman Schutz of the WPA committee brought a pleasing message to the council in the announcement that the Oak street and cemetery road surfacing as well as new road construction was being advanced. It was hoped to get the work definitely under way soon.

Councilman Webb was of the opinion that the gasoline tax and unemployment insurance funds that would be available during the year could pay the cost very nicely.

Fouchek & Garnett, city attorneys, gave an opinion in the matter of easements on land on the Missouri river bottoms, recommending that court action to legalize the Ray Herold land be made by the appointment of Mr. Herold as guardian of the minor heirs.

The following claims were ordered paid by the council:

GOES TO WEST COAST

From Monday's Daily—
This morning at an early hour Miss Betty Stangenberg of Dunning, Nebraska, and sister, Miss Jeanne Stangenberg, departed for the west coast. They are cousins of Mrs. M. S. Briggs of this city. Miss Jeanne Stangenberg was graduated Sunday from the St. Vincent's hospital at Sioux City, Iowa. They are going to Los Angeles where their parents are locating and expect to make their future home. Miss Jeanne Stangenberg will remain in the west for some three weeks and then return for a post graduate course at the St. Vincent's hospital. They made the trip via auto, being passengers in a car being delivered to the coast.

MRS. VORNDRAN BEDFAST

Mrs. John M. Vorndran, aged resident of Plattsmouth, is quite ill at the home of her daughter, Mrs. John Cloidt, with whom she made her home for many years. Mrs. Vorndran has been ill for over three weeks and her condition today was reported about the same.

LOCATES IN CITY

From Monday's Daily—
Marcus Schmidt, of Omaha, arrived today and started work in the barber shop of Don Cramer. The new barber comes very highly recommended and will be a great assistance to Mr. Cramer in the operation of the shop.

RETURNS TO WISCONSIN

Mrs. Josephine Morawetz, who had spent almost a month in Plattsmouth, returned to her Racine, Wisconsin home Saturday. From here, however, she went to Des Moines, Iowa, where she spent the week-end with her nephew, Raymond Koukal and family. Then she went to Racine. While here she was a guest of her daughter, Mrs. Vincent Pihly, Jr., her sister, Miss Julia Svoboda, and other relatives and friends.

SUFFERS FRACTURED WRIST

From Monday's Daily—
Otto Schliske, employee of the BREX shops was severely injured this morning near the noon hour when he fell from a refrigerator car on which he was working. The left hip was fractured and possible hip injuries sustained by the young man. He was taken to the office of Dr. L. S. Pucelik and given temporary aid, later going to Omaha and placed in the St. Joseph hospital.

TAKEN TO HOSPITAL

Fritz Siemoneit, well known farmer of the Cullom community, was taken to Omaha Saturday evening to be placed in the Immanuel hospital for an operation. It is expected to have the operation performed Tuesday if his condition permits.

Industrial expansion at Fort Crook is assured. Work will start soon on a large scale and Plattsmouth will benefit.
