

Metal Drive in Plattsmouth to Start Monday

Don Seiver, General Chairman, Enlists Aid of Representatives of All Civic Groups

From Saturday's Daily—
A meeting was held last evening at the council chambers to discuss the aluminum drive in Plattsmouth to be held this coming week.

Don Seiver, general Plattsmouth chairman, named at last Monday night's council meeting, opened the meeting by reading a letter from Governor Dwight Griswold, requesting that all civic bodies co-operate in the drive. Associated with Mr. Seiver as Plattsmouth chairman are John Svoboda and Oliver Finnefrock, and they will have the assistance of every civic group in making the drive a most successful one.

Those named, who have accepted co-operative responsibilities and will work with Mr. Seiver's City of Plattsmouth committee, are:

George Dobson, Plattsmouth Chamber of Commerce.

Clem Woster, Business Men's Ad Club.

Don Cramer, Junior Chamber of Commerce.

Mrs. R. C. Shellenbarger, Plattsmouth Woman's Club.

Miss Anne Knieke, Junior Woman's Club.

Frank Rehal, American Legion.

Mrs. Robert Cappell, American Legion Auxiliary.

Mrs. Elmer Webb, Junior American Legion Auxiliary.

Mrs. E. H. Bernhardt, Campfire Girls.

Mrs. Frank Gobelman, Daughters of American Revolution.

Rev. J. W. Taenzler, representing four Plattsmouth Boy Scout troops, aided and assisted by all Plattsmouth Scoutmasters.

The committee has arranged to erect a bin of cribbing material at the 5th and Main street intersection, which is to remain there for the duration of the drive. In this bin there will be placed all aluminum articles collected and the public may view with satisfaction the mounting pile of discarded utensils and other materials, by day or night, as there will be a large flood light focused on it throughout the night, as well as flares and flags to warn motorists of its presence.

Program plans were also made for next Wednesday night, midway in the drive, of giving the public a treat with the band and twirlers out, and again on Saturday night with a program by the drum corps and twirlers. Loud speaker announcements will tell of progress made.

Local citizens will be called upon during this coming week to give all possible aluminum utensils and articles to assist in the making of airplanes for national defense. However, it is requested that no one give articles that will have to be replaced as that would retard rather than speed the defense program.

All who can, should bring their articles to 5th and Main and toss them over the cribbing into the pile, which is expected to grow daily.

In addition, Rev. Taenzler as chairman of the collection committee and head of the Scoutmasters and Scout troops, is arranging a house-to-house campaign for the gathering of such articles. The north side of town will be contacted Tuesday and Wednesday and the south side will be contacted Thursday and Friday. In the event anyone is missed and they are unable to bring their aluminum articles to the central location, they may call Rev. Taenzler, who will arrange to have them picked up.

In order to expedite the collection, if you are going to be away from home during the time designated for your locality, the committee asks that you place articles on your front porch in order that they may be picked up on the regular rounds.

The aluminum collection drive is nation wide and will extend to every city and village as well as rural precincts. While the drive here is primarily for Plattsmouth residents, people living beyond the corporate limits may participate if they desire, by bringing their aluminum articles to town and placing them in the bin at 5th and Main streets, the idea being mainly to get the material collected promptly and turned over to governmental agencies.

Besides the City of Plattsmouth committee composed of Councilmen Seiver, Svoboda and Finnefrock, those attending last night's meeting were Mrs. Robert Cappell, president of the American Legion Auxiliary; Mrs. E. O. Vroman, vice president of the Legion Auxiliary; Frank Rehal, commander of the American Legion; Miss Anne Knieke, president of the Jun-

ior Woman's club (who will act as publicity chairman) and Rev. Taenzler, as representative of all Boy Scout troops in the city.

Each town in the county is to conduct its own campaign along any lines it wishes. County Commissioner Ray Norris is the county chairman under the plan set up for this state by Governor Griswold. In charge of rural collection is County Agent Willard H. Waldo of Weeping Water, and in this he will have the unified aid of 4-H project clubs. Such organizations may take the aluminum they collect to the nearest town and dump it on the community pile.

"Keep 'em Flying" by turning in all the aluminum you can spare without having to resort to replacement, during the approximate ten days this "week's" drive will be carried on.

Greenwood Special Journal Correspondence

Star Kensington met last Wednesday with Mrs. Ery McNurlin.

Mr. and Mrs. Elton Keller spent Thursday night in Lincoln shopping.

Mrs. Marion Garcia and son of Alvo visited Mrs. Mae Bauers last week.

Randall Shiffer left Sunday for Detroit, Michigan, where he has employment.

Nell Adair left last Thursday for San Francisco, where he expects to be employed.

Mr. and Mrs. Harold Brokhaga spent Sunday with Mr. and Mrs. Gus Brokhaga.

Misses Margaret, Mamie and Thelma Holka of Ceresco visited their parents Saturday night.

Mrs. Lulu Hurlbut was again called to Fremont for the serious illness of her son, Clarence.

Mrs. Ross Casey and Beverly went to Omaha Tuesday evening and remained until Wednesday evening.

Donald Shiffer of Texas has been hired by the town to be the new electrician.

Dewey Headley has given up his position as manager of the Searle-Chapin lumber company, Ben Howard has taken this position.

The funeral of Mrs. Mary Coleman of Lincoln was held Thursday at the Christian church. Burial was in the Greenwood cemetery. The Colemans were former Greenwood residents.

Mr. and Mrs. Fred Bastron, Bonnie and Billy of Hawthorne, Calif., Mr. and Mrs. Stanley Rung, Miss Treessia Rung and Mrs. Bybee of Lincoln were visiting Mr. and Mrs. R. C. Burks Monday.

LEWISTON STITCHERS

The Lewiston Stitches met at the community center Thursday, July 10th. We have our lunch cloth and napkins nearly finished. Margaret Ann Campbell, and Frances Sack served lemonade and cookies. The next meeting will be July 24th.

IDA MAE HOSCHAR, News Reporter.

Phone printing orders to No. 6.

Alvo News Special Journal Correspondence

Mrs. Frisbee of Elmwood has been visiting at the Stout home this week.

Mrs. Frisbee, Mrs. Winn and Robert Stout were Lincoln visitors Thursday.

Jerry Whitley of Savage, Minnesota, has been visiting her aunt, Mrs. Davis, at the depot.

Merna Jean, little daughter of Mr. and Mrs. Mason Dimmitt of Ashland spent part of the week visiting at the Glenn Dimmitt home.

Robert Stout of Oregon, who is here visiting relatives, spent a couple of days visiting his cousin, Mrs. Elmer Klyver and Mr. Klyver.

Mrs. Alfred Wulff and two small children of Cottage Grove, Oregon, have been spending the past two weeks visiting Mrs. J. H. Davis and Miss Marie Stroemer, also her cousin, A. B. Stroemer and family. They left for their home Thursday.

They had spent a very pleasant two weeks here.

Have Musical Social

Mrs. John Schlaphoff's young ladies Sunday school class sponsored a musical social Sunday evening on the Schlaphoff lawn. The boys were guests and all present enjoyed a most pleasant evening. The young folks are planning to continue these social events.

Beauty Spot

Simon Rehmeier who owns the local elevator has planted an additional beauty spot to the town. From the west entrance and all around the north side to the east entrance, Mr. Rehmeier has planted cosmos and petunias which are now coming into full bloom. This makes a beautiful sight, especially for the folks who come into town from the north.

Returns from Little Rock

Miss Evelyn Drexel returned home the first of the week from Little Rock, Arkansas, where she had been spending ten days visiting friends.

Improving Home

For some time during A. B. Stroemer's spare time, he has been busy redecorating the interior of the Stroemer home. He has also done some remodeling such as taking off the old front porch and making a more modern entrance to the front. He has also repainted the home, which is an added improvement.

Mowing Right-of-Way

Wilson Howe has been busy mowing the right-of-way for the Rock Island railroad company. This is indeed an improvement to the right-of-way because due to more rain than usual the weeds have been very plentiful throughout the entire country-side.

Loading Out Grain

The influx of small grain at the elevator while not comparable to the rush of many years, has been very steady, and up to the time of writing Mrs. Davis, local agent, has billed out twenty car loads for Mr. Rehmeier, the local grain dealer.

AVOCA By Journal Field Representative

The Avoca Garden Club met at the home of Mrs. Mary Harmon last Monday afternoon.

John Mohr, who has been in a Lincoln hospital for some time, returned home Monday and is feeling much improved.

Chester Welshimer of Plattsmouth was a business visitor in Avoca last Tuesday, coming to consult with Bobbie McDonald, local gas station operator.

The country kensington group met at the home of Mrs. William Mase-man on Friday of last week, enjoying an excellent program and some good eats as well.

George Peters, who has been poorly for some time, was taken to a Lincoln hospital for treatment one day last week. Friends hope for his early recovery and return home.

Phillip Mase-man and Henry Sudman, who were in Kansas working in the harvest fields, arrived home last Saturday and say the work there in that line is about concluded.

Robert Marquardt, the one-year-old son of Mr. and Mrs. Fred Marquardt, was honor guest at a birthday celebration last week. Among the delicacies served was plenty of ice cream.

The threshing firm of Zaiser and Mase-man have their machine out that the combining season is over, and are finding a considerable amount of shock threshing to occupy their attention.

John E. Johnson and wife are in receipt of a letter from their son, Walter Johnson, who is on the U. S. S. Ballard, plying west coast waters, stating that he has been promoted to the position of gun sifter.

Elmer Corbin, who was a patient at the Veterans hospital in Lincoln for several weeks, has now returned home and is showing good improvement, which will be pleasing news to his many friends.

Frank Dean and family of Elmwood were in Avoca last Sunday, being guests at the home of Mr. and Mrs. Elmer Corbin, where they welcomed Mr. Corbin back home after his stay at the Veterans' hospital.

The pipeline company that is engaged in laying a line across Cass county and on to Council Bluffs, Iowa, has leased a truck from Henry Smith, together with a driver, promising steady employment for the next six weeks.

Mr. and Mrs. A. Z. Thomas came over from their home at Shenandoah to spend Sunday with Mrs. Thomas' father. Their daughters, Alene and Nadine, are visiting relatives in the state of Kansas and will not return home until shortly before time for school to open.

John E. Johnson, veteran Weeping Water blacksmith, arrived in Avoca Tuesday of last week and has opened the blacksmith shop of Fred McGrady, which has been closed during the prolonged illness of Mr. McGrady. Mr. Johnson comes here well recommended as a good workman and will undoubtedly be well patronized.

Albert Carr, local agent for the

Missouri Pacific railroad, and his wife have returned home from a vacation trip to the south. They visited a good portion of the time at El Paso, Texas, where they visited their son Lester and family.

During the time Mr. Carr was away, Hugh Norton served as relief agent at the local station.

Wheat began coming into the elevator July 2 and since that time the place has been kept open day and night in order to accommodate the grain sellers. The little daughter of Mr. and Mrs. Fred Marquardt, not accustomed to having her father absent from home every day in the week, inquired of him last week, "Daddy, isn't this Sunday school day?"

Spent Sunday at Bertrand

Messames Carl A. Balfour, W. A. Ost, Henry Ross, J. M. Kokjer and E. J. Nutzman, together with the daughter of the latter, drove out to Bertrand, Nebraska, last Friday to visit over the week end at the home of Mr. and Mrs. J. H. Ehlers and visit other relatives and friends in that vicinity. They arrived home during the wee small hours of Monday morning and say they enjoyed a most pleasant visit.

Three-Point Landing?

Roy Ruhge and Harold Hauschild made a trip to our neighboring town of Otoe one day last week on their motorcycle. Desiring to get back as quickly as possible, they stepped on the gas and fairly sailed through the air. They did touch the ground at times, and on one of these occasions found they had lost a patch of skin and suffered severe bruises. Roy advised the writer to leave motorcycles alone, and we are going to do just that.

Mrs. Everett Still Poorly

Mrs. Rachel Everett, who has been seriously ill at her home in Avoca, shows little if any improvement since our last report on her condition. Her daughter, Miss Leona, and son, Silas, are uniting in caring for her and seeing that she receives the best of medical attention.

Friends are hopeful of hearing more cheerful news from her bedside during the coming week.

MURDOCK By Journal Field Representative

Wayland Ware is a victim of the measles and is far from enjoying the experience.

Mrs. H. R. Schimide departed last week for Lincoln, where she is to spend some two weeks at the home of her daughter, Mrs. Hulda Eckery and family.

The Murdock elevator shipped its first car of new wheat last Wednesday. The test showed 13 per cent moisture. The grain was in prime condition, but the yield rather low.

Mr. and Mrs. Lois Schmidt and family and the Robert Stock family visited relatives and friends in Ithaca last Sunday. They report a fine yield of wheat and other crops looking good out that way.

Mr. and Mrs. O. H. Robson, who reside at Belfast, a small town near Lincoln, returned home last Saturday night from a visit in North and South Dakota. Mrs. Robson is a daughter of Mr. and Mrs. E. E. Ganaway of this vicinity.

Mr. and Mrs. Henry A. Tool were guests at the home of their son, Kenneth Tool and family at Wahoo last Sunday. While the ladies visited together, father and son took a couple of turns at golf on the greens there, enjoying the experience and making a very credible score.

G. R. Eveland and son, who live west of Elmwood, were visitors in Murdock during the past week, having some matters of business to look after at the Murdock elevator. Mr. Eveland recently suffered a fractured leg as the result of a fall from a corn crib, but is now well nigh recovered from the injury and is able of crutches.

Books in the library here, which are supplied out of Lincoln, were returned there recently and a new supply has been received, so now new books can be secured by borrowers. The library is maintained at the George Kruse hardware store.

Murdock Shoppers

Mr. and Mrs. Emil Melsinger and the children, who live near the west end of the county, but who have for many years been making their home in Saunders county, were shopping in Murdock and visiting friends here.

Mr. and Mrs. Melsinger formerly lived in the east part of the county.

Murdock Boys Work at Bellevue

With the construction of a group of new homes at Bellevue for Mr. Rushhart of Fort Crook, under the

supervision of Matthew Thimgan, employment is being provided for a considerable number of Murdock workmen. Those working there at the present time from here in addition to the Thimgans are W. J. McDonald, Frank A. Melvin and Carl Buck. The homes are all located in a new addition which is being platted with winding driveways instead of the conventional streets running at right angles to each other.

Will Make Home in Omaha

Charles Schaeffer, who has made his home in Murdock for more than twenty-five years and was with one firm for nineteen years, as related last week, has severed his connection with the Trunkenbolz Oil company to accept employment at Bellevue, and within a few weeks will move to Omaha to reside, getting located there before the opening of the school term this fall. All but one of the children have already graduated from high school, but Mr. Schaeffer feels there is an opportunity for higher education there and so will vacate their home here and move to the city to live.

Old Residents Visit Here

Older residents of Murdock will recall the Henry Kohlbrush family that lived here when Mr. Kohlbrush was employed in the drug store, later moving elsewhere to live. They had a daughter Violet.

This past week, Mrs. Kohlbrush who is now Mrs. Charles (Leona) Vockrodt and the daughter, Violet, now Mrs. T. N. Venema, with her husband, were here while en route to Oklahoma to visit relatives. During their brief stop here they met a number of old friends, among them Mrs. Henry A. Tool. Returning to their home in Watertown, South Dakota, they plan to cross southern Missouri, go north through Illinois and Wisconsin and then turn west toward home. Their address in Watertown is 313 4th Ave., S. W.

Old friends were pleased to greet them if even only for a short time.

Shingle Tea a Good One

The "Shingle" tea which was sponsored by Mrs. Henry A. Tool was a good one and produced a neat amount of money to help pay the balance of the cost of placing the roof on the lodge hall. Gradually the amount is being raised and the ladies are very appreciative of the fine patronage that is being given them in their efforts to clean up this indebtedness.

Visited Friend Here

Jesse Hill, who in the days when he lived at South Bend was a frequent visitor in Murdock and well known here, back on a visit from his present home in the west, came to Murdock to see Mrs. Una McHugh, formerly Miss Una Towle, but found she had gone to North Platte for a visit at the home of her daughter, and so was unable to see her. Mr. Hill and Edwin McHugh went to the home of Fred Towle near Wabash and visited for a time with Mr. Towle.

Visited Friends Here

Mr. and Mrs. Joe Mueller and their daughter, Miss Gladys, of Chicago, visited in Murdock last Wednesday, coming to call on their old time friends here and spending some time at the home of Mr. and Mrs. Frank Rosenow before departing for the south, where they will visit as well as look after business matters before returning to their home in the east. They would have liked to remain longer, but time did not permit.

Louis Schmidt and wife, hearing of their being here, drove to town to see them.

Visiting at Seward

Mrs. Emma Johnson, mother of Mrs. George Kruse, who has been visiting here for some time, went to Seward last Sunday for a visit with relatives. Mr. and Mrs. Kruse took her over in their car and also visited there for a short time before returning home.

Speaking of crops out that way, Mr. Kruse said the small grain yield has not been anything to brag about, but prospects are very good for a fine corn crop.

The story is pretty much the same everywhere and present indications are that Nebraska is coming back into its own this year, after a series of lean drought years.

Pilgrim's Progress

L. Neitzel writes: "A happy and very profitable day was spent by the Pilgrim last Sunday at First church in Lincoln (the Evangelical church). A fine Sunday school session, followed by preaching and communion in which we participated, were greatly enjoyed. Then the afternoon service at the city mission, conducted by the writer, was a high spot of the day.

"How much good we may do if we will only seek and make use of the

Former Pastor Observed 40th Anniversary

Solemn Mass Is Sung by Monsignor Adolph M. Mosler at Sacred Heart Church, Crete.

Monsignor Adolph M. Mosler, vicar general of the Diocese of Lincoln, observed the 40th anniversary of his ordination to the priesthood in Sacred Heart church at Crete, Monday, July 14. He celebrated a solemn mass at 8 o'clock, assisted by Fathers J. E. Pokorny and Frank Plicek. A banquet was served in St. James' hall at 12 o'clock for Monsignor Mosler, Bishop Louis B. Kucera, DD., LL.D., and 16 priests.

Born in Germany

Monsignor Mosler was born in Germany on April 21, 1875. He made his classical studies in his native land. His philosophy course was taken at the Gregorian university in Rome, and he studied theology at the Catholic university of Louvain, Belgium, where he was ordained to the priesthood for the Diocese of Lincoln, July 14, 1901.

In 1937, as an Easter gift from the Holy See, he was appointed a domestic prelate at the request of Bishop Kucera; he was invested on April 25.

In addition to the pastorate at Crete, Monsignor Mosler has held charges in Able, Wilber, Odell, Milligan, David City, St. Teresa's in Lincoln, Beatrice, Holy Rosary in Plattsmouth, and St. Patrick's in Lincoln. He was appointed vicar general by Bishop Kucera November 9, 1932.

opportunities as we find them. What a blessing we all could be, in spending the Lord's day going about doing good, like the Master.

"A visit to Wynka at mother's grave ended the pilgrimage. Happy and contented, we reached home safely."

GARDEN CLUB MEETING WEDNESDAY EVENING

The Plattsmouth Garden club will meet at Hotel Plattsmouth July 23 at 8 p. m. Emil Weyrich and Dr. Paul T. Heineman will show flower and travel pictures and Mrs. Heineman will talk on rock gardens. Anyone having unusual or interesting flowers now in bloom please bring them to the meeting for other members to see and enjoy.

Remember the hotel is air conditioned so you will be sure to be comfortable there. A large attendance is desired. w&d

HEIMS HAVE SON

A son was born to Mr. and Mrs. Ford Heim at the Methodist hospital in Omaha, Thursday. The infant is the Heims first child, and is a grandchild of Mr. and Mrs. Frank Parkening of Plattsmouth. Mrs. Heim was the former Estella Parkening. Mother and son are doing fine.

HERE FROM ST. PAUL

Ralph H. Anderson, of St. Paul, Minnesota, was here for a short time Thursday evening to visit with the old friends. Mr. Anderson was called to Wahoo by the death of a relative and on the way home stopped here for a short time. He reports Mrs. Anderson and the new baby as doing very well and enjoying life.

CARD OF THANKS

I wish to express my appreciation to those who helped and remembered me in any way during my illness and stay in the hospital. Your kindness will be long remembered.—Clarence Eggelkemeier.

NIMBLE FINGERS DELIGHT CLUB

We held our third meeting July 16. All were present. Our leader showed us how to make our needle cases. Our next meeting will be at Marilyn Schaefer's July 24. Following the meeting we had a Weiner roast.

NEWS REPORTER.

VISITS IN THE CITY

George Eoff, of Norfolk, one of the well known residents of that city, has been here looking after some matters of business and visiting with acquaintances. Mr. Eoff was very much pleased with the city and its group of fine citizens whom he had an opportunity of meeting.

Merchants! We can supply you sales slips at a lower price than you have been paying. Prompt service direct from one of the largest concerns in the business.

CHEESE WAFERS—TEMPTING TID-BITS!

THE whole duty of proper appetizers, as the name implies, is to whet the taste for the larger feasts of dining to come. They are designed to tempt, to tease, to please—and as is proper for these insubstantial tid-bits, they must be small, light, and delicious.

Such an appetizer, specially designed to flirt mildly with appetites, is the cheese wafer—mere wisp of a flavorful cracker, giving its special delicacy to mingled flavors of butter, American cheese, spicy seasonings, and oven-popped rice cereal crumbs. The ready-to-eat rice cereal, rolled into fine crumbs and used as the basis for a wafer mixture has a most delicate and pleasing flavor—a lightness of texture so desirable in before-dinner appetizers.

Cheese wafers made with rice cereal crumbs as the basis are simple to make, too—and may be prepared well in advance of the dinner party. These small morsels of goodness are perfect served with glasses of chilled tomato juice or fruit juice.

They're an excellent choice, too, with soups and salads—lending character and flavor accent to many other foods.

KRISPIES CHEESE WAFERS

1/4 cup butter
2 cups soft American Cheese, grated
1/4 teaspoon Worcestershire sauce
Blend butter and cheese thoroughly; add Worcestershire and tobacco sauce. Roll cereal into fine crumbs, mix with flour and add to cheese mixture. Slice into rolls one to two inches in diameter; chill in refrigerator for two hours, or until firm. Slice into wafers 1/4-inch thick. Bake on ungreased baking sheet in a moderate oven (375 degrees F.) for twelve minutes. Serve as an appetizer or with salad.

Yield: 60 wafers (1 1/4 inches in diameter).
