**Tenth Reunion
of Graves Family
Here Labor Day**

Held at Garfield Park in This City
With Fine Program and
Basket Dinner.

The tenth annual reunion of the
descendants of the late William W.
and Mahala Graves was held on
Labor day at Garfield park in this
city, some twenty-one of the mem-
bers of the family being present from
here and out of the city.

The group singing was enjoyed by
the members to make a fitting start
of the fine event which included the
fine basket dinner which the various
members of the family had brought
with them.

The Christian church orchestra
gave a number of selections to add to
the enjoyment of the party.

Rev. J. W. Taenzler, pastor of the
Christian church gave a short talk
on "The Family Circle," one that
was very much enjoyed by all.

M. G. Churchill of Murray and
Perry Graves, each was heard in a
well chosen reading.

Mr. Churchill also had his fa-
mous mechanical dancing dolls there,
the accompaniment for which was
played by Mr. Churchill on the vio-
lin and Perry Graves on the guitar.

Miss Ruth Ann Nelson gave a
special number on the cornet and
also a vocal number that showed the
artistic ability of this talented young
lady.

Bobby Graves, one of the younger
members of the family was heard
in two vocal numbers.

Out-of-town guests were Mr. and
Mrs. Alvin Graves, Mrs. Bessie
Nichols, Mrs. Maurice Lacy of Om-
aha; Andy Graves of Bellevue; M. G.
Churchill of Murray.

Next meeting will be in Platts-
mouth on Labor day, 1942.

TO ATTEND DEKALB MEET

From Monday's Daily—
Dale Topliff left today to attend
the fourth annual DeKalb Hybrid
Dealers' convention at Lake Delavan,
Wisconsin, on September 4 and 5. On
his way to the convention with sev-
eral other DeKalb dealers, he plans
to stop at several of the fourteen
processing plants and production
areas as well as at several of the
experimental fields along the way.

Mr. Topliff stated that the con-
vention is an educational one for
the 2000 dealers who expect to at-
tend. The latest developments will
be shown in a huge demonstration
plot located near the convention site.
The plot embodies many of the de-
tails in a hybrid corn breeding pro-
gram. C. L. Gunn and R. R. St. John
will be on hand to discuss the newest
developments.

Mr. Topliff will have an interest-
ing report to make when he returns
from the 1200 mile trip.
