

### Timms Romp Norfolk in the State Tourney

17-Hit Attack Cuts Winning Streak—Hula Leads Hitting—Ward Master All the Way.

By ROBERT COOK  
Timms Tavern buckled down to business Sunday night at Fallstaff Park in Omaha and played the best game of their career as they slugged unbeaten Norfolk into discard by a whopping big margin of 12-2. Everybody on the team contributed to the seventeen-hit attack. Carl Hula led the barrage with three safeties. Earl Ward chucked four-hit ball and was never in any real danger. Hofferber never knew what hit him but stayed the limit and fanned three. Ward failed to get a strikeout.

Timms' cut loose in the first inning. Smith walked and took second on a wild pitch. Ward was safe on Hall's fumble. Smith going to third. O'Donnell singled to left scoring Smith. Gradoville singled to left plating Ward.

Timms' tallied again in the second. Hula singled to right center. Shiffer singled to left, and when E. Ruegge let the ball get away from him, Hula scored.

Timms' Tavern tucked the old ball game away in the third. Petet beat out a roller to short. O'Donnell tripled to left bringing in Petet. Gradoville walked. Spidell beat out a bunt driving in O'Donnell. Both runners advanced on a passed ball. Hash missed D. Ruegge's throw, and Karr was safe as Gradoville scored. Timm singled off Hall's glove bringing in Spidell and Karr.

Norfolk made a feeble effort in the fourth. E. Ruegge singled to short field. Muller doubled to left. Hall singled to right center scoring E. Ruegge. Hall was trapped on an attempted steal as Muller raced in.

Timms' blasted away once more in the seventh. Ward singled to right and advanced on O'Donnell's sacrifice. Gradoville doubled to left, and Ward scored. Karr's single to center brought in Gradoville. Hula doubled to center. Timms was safe as Hash dropped his pop, and Gradoville scored. Shiffer beat out a grounder to short. Hula scoring.

Tom Gradoville's running catch of Hash's liner in the fifth was the fielding highlight. Timms' will soon be sporting seventeen new neckties courtesy of the Nebraska Clothing Co. Timms' face Lincoln Fords at 1 this afternoon.

### Kaufmann Hurls a Perfect Game Against Timm's

Fords Win 4-0 as Fitcher Fans 13—Ward Allows V-8's But Three Blows.

From Tuesday's Daily—  
By ROBERT COOK  
The bubble burst yesterday afternoon, and the Lincoln Fords eliminated Timm's Tavern from the state softball tournament by a margin of 4-0 as Harvey Kaufmann hurled a perfect no-hit, no-run game. Kaufmann struck out thirteen including the first seven batters to face him. Lincoln, who routed the great Lyle Whiteing from the box Saturday night, was able to touch Earl Ward for only three infield hits including a scratch bunt and but one earned run. Timm's played good field but the lack of batting punch spelled their doom. Ward whiffed one.

Lincoln scored in the third inning. Heilman walked, and Cole was safe when Spidell muffed his bunt. Weaver sacrificed both runners down, and Heilman scored when Petet dropped Peterson's line smash. Spadt walked, and Cole came in following Vosta's fly to left.

Fords tallied again in the fourth. Wheeler walked, and Kaufmann's pop bunt dropped behind Ward for a hit. Wheeler moved to third on Heilman's high fly to Hula and home on Cole's lift to Petet. Timm threw Weaver's roller away. Kaufmann scoring.

DID YOU KNOW THAT—  
26 sheep are necessary to produce a year's supply of wool for one soldier in the United States army.

the quartermasters department has just ordered 26 million more yards of cloth for overcoats and uniforms, and 3,600,000 more neckties.

the army's fluid milk bill is 45 thousand dollars daily. Butter and cheese, also bought in huge quantities, are extra.

About 15 per cent of the quartermasters purchases of food for the army are for fresh fruits and vegetables. It is estimated 35 million dollars will be spent this year for these items alone.

there is spice in the army. Five million pounds of spiced lunch meat, Vienna sausage and chile were added recently to the quartermasters stores.

It was the talk of everybody that this year's fair has been outstanding.

Report on Crop Conditions  
The Missouri Pacific railroad, in line with its custom of other years, has compiled a report on crop conditions all along its lines, extending from the tobacco and cotton country of the south to the small grain and corn raising country up this way.

From this report we note that the corn is good as far north as Norton, but from there north as far as Falls City, there has been a lack of moisture and the corn is not so good. However, from Falls City on north, the crop is very good and promises for a fine yield the best in recent years.

### "TAKE IT OR LEAVE IT"—BIG SCOOP FOR AK STOCK SHOW

"You have \$32—Do you want to try for the \$64?" . . . Many midwesterners will have the same opportunity to win dollars that Bob Hawk, famed radio quizzer, is giving the young lady above when, with his "Take It or Leave It," No. 1 question-and-answer program of the air, Hawk comes to the Ak-Sar-Ben Stock Show at Omaha during the week commencing Sunday, Oct. 5th. Right, Montie Montana, sensational movie stunt man, and his trick horse "Rex", whose company of daring riders and ropers will be another Ak-Sar-Ben thriller this year.

Teaming with new features in all of its many thrilling classes, and topped by America's No. 1 radio quiz program, the 14th annual Ak-Sar-Ben Live Stock and Horse show opens in Omaha on Sunday, October 5th, to present seven night shows and four matinees through the following Saturday, October 11th.

Heading in person the list of spectacular attractions for the 1941 show will be the unmatchable Bob Hawk offering hundreds of dollars nightly, Tuesday through Saturday, in his famous "Take It or Leave It" contest of the air. Hawk will present an exact replica of his exciting Sunday evening broadcast which rates first in the country's radio quiz programs and fourth in popularity among all radio shows.

Hawk's Omaha engagement will mark the first time in his sensational career that he has appeared in a show of this type. Ak-Sar-Ben's scoop in signing him comes as a special concession on the part of his radio sponsors, Eversharp, Inc.

Co-starring on all eleven Ak-Sar-Ben horse show programs will be Montie Montana, daredevil movie stunt man, with his wife, Louise, and a company of awe-inspiring trick riders and ropers.

In other divisions of the gigantic seven-day exposition, scores of improvements and new classes have been made or added. Of primary interest to 4-H Club exhibitors in Ak-Sar-Ben's world's largest baby beef show is the addition in the carlot division of a class of calves especially suited for 4-H feeding. This will enable the young contestants to immediately replace, right on the ground, the prize-winning fat calves they sell here and get their new stock home and on feed right away for next year.

Additional entertainment will include renewals of the mammoth carlot show, the gorgeous flower and garden show, the glittering and thrilling midwest championship band and drum corps contest, and many other attractions.

General admission to Ak-Sar-Ben will again be only 50c, with reserved seats at a small additional charge, ranging upward from 25c. However, general admission tickets may be purchased in advance for one-third less, or at the rate of three tickets for \$1.00, from county agents or the Ak-Sar-Ben office, 201 Patterson building, Omaha.

Schools Now Open  
The Murray schools opened Monday with a full complement of teachers on hand and a good enrollment. The teachers are Miss DuBois, Wallace Nelson and Mrs. Esther Rhoden. The enrollment in former years has been running about 80 pupils. Just how much it will go above that this year, we have not learned.

Showed Excellent Training  
One of the features at the state fair this year was the singing of a mass chorus made up of different county organizations of this type. In the rendition of their numbers, the Cass county group was particularly effective, and there were people in the audience who were able to distinguish the individual voices of a number of the Cass county vocalists who participated in this feature.

The Cass county chorus has been ably trained by Mrs. J. R. Reeder, of Plattsouth and its members have the voice and the poise to make them outstanding singers.

New Tomato Varieties  
There is a lot of difference in tomato varieties according to Mrs. Nels Thoren of near Nehawka, who has cooperated with the extension service in testing some of the newer varieties during the summer. To date a Bounty selection known as No. 10 has made the best yield. The yield of 20 plants of this variety recorded to date is 286 lbs. The same number of plants of the Pritchard variety which is one of the older standard varieties commonly used was only 179 pounds.

Some of the varieties are so new that they have not as yet been named and are known only by numbers. Yields of other varieties in the test on the Thoren farm are: No. 8, 260 lbs.; No. 9, another Bounty selection, 246 lbs.; All Red, 233 lbs.; Ruby, 230 lbs.; Firesteel, 224 lbs.; Earliana, 210 lbs.; No. 5, 206 lbs.; No. 6, 196 lbs.; and No. 7, 155 lbs.

Twenty plants of each of the 12 varieties were planted side by side the same day and under the same conditions, in order that a fair comparison might be made. Although the yields on the whole were exceptionally good, even higher yields would have been possible if the weather conditions during the past month would have been more favorable.

Trees in Cass County  
Visits to several Cass county tree plantings the past week have been reported by Ernest Thalman who represents the extension forester's office of the College of Agriculture.

He urges farmers to get the weeds away from their trees at their earliest convenience. Weeds sap the ground of much moisture and thus hinder the trees maximum growth.

On the Parr Young farm north of Nehawka, thousands of trees have been planted in the last ten years. Many fine windbreaks give much needed protection and shade to the livestock. New groves of trees are set out each spring. A hundred fine 3 ft. pines were transplanted this spring from his garden nursery. All have survived and are growing fine.

Lawrence Johnson south of Weeping Water put out 600 trees this spring. He used most of them for gully control work on his farm. Trees are to hold the soil and keep it from eroding from creek banks. He reports a good survival. He has also a fine 4 year old elm wind break that averaged 15 ft. in height.

On the John McKay farm southwest of Weeping Water is a fine planting of Austrian pines. These pines were planted in 1933 and now they average 12 feet. McKay is justly proud of his trees. He is nearly 80 years old and plants 100 trees or more every year. More of the younger farmers ought to plant trees with such an unselfish attitude.

Donald Wiles, one of the younger farmers, put out 900 trees this spring and has a high survival. He plants his trees on the contour. Weeds are kept down at all times and no cattle are permitted among them.

SCHOOL OPENS TODAY  
From Monday's Daily—

While the greater part of the city observed Labor day, the schools of the city opened as usual and the classes were organized and work started for the term. The largest enrollment in the high school anticipated of over 400. The senior class also will be well over a new record this year.

Both in the high school and the lower grades the increase is expected to be the heaviest. The registration of new students will probably take two or three days for the belated entries and as soon as completed will be announced.

### Old Friends Meet

Herbert Marshall welcomed by Bette Davis on the set of Samuel Goldwyn's "The Little Foxes." Miss Davis stars in the film, and Marshall plays the role of her husband—his second such portrayal. William Wyler, who directed the two in "The Letter," directs them again in "The Little Foxes."

VISITS IN OLD HOME  
From Monday's Daily—

Mr. and Mrs. Edward Yelick of Des Moines, Iowa, are in the city for a short visit with Mr. and Mrs. James Yelick, Sr., and the other members of the family circle. They have been visiting at Tarkio where they stopped for a brief visit with Dr. R. Foster Patterson, former teacher at Falls City for a visit with relatives before coming on to this city.
