The LETTER BOX

(Harry J. Frazier, World Correspondent, contributes the following to the Letter Box department this week...)

STILL ASLEEP! Though some of you people have shown signs of awakening, there are many still snoring loudly here in Bellevue.

Perhaps these various quotations from letters to me will serve as alarm clocks:

FROM MELBOURNE, AUSTRALIA "Hitler won't win! Why should a man like him be in charge of so many millions of people unhappy?"

FROM THAMES, NORTH ISLAND, NEW ZEALAND "I've been thinking about the people of Greece, who were reported missing in Greece for several weeks..."

FROM HATFIELD, WELLINGTON, NEW ZEALAND "Tom is missing from the campaign in Greece. It is now eight weeks since we received the news that he was missing..."

FROM LONDON, ENGLAND "We have had some nasty experiences in the raids, but am thankful to say we are none the worse for them."

FROM YORK, ENGLAND "I wish you could have seen what we saw lately. I can't say just where or when our bombers take off on their night trips..."

Our sleepy indifference is costing us considerable each day. We are not so secure we can lay down on the job—hoping some one else will take care of things...

MONEY IN OLD PAPERS

The P. T. A. paper sale was a real success, thanks to the co-operation of the entire community. Close to \$12.00 was realized.

Mrs. Clark extends thanks to the boys who helped so willingly, to the teachers for their co-operation and to Mr. Bonyer of the NYA...

There's the money in old papers, but it took a lot of work on the part of a lot of people to get it out.

EDITOR ARRIVING HOME TODAY

In sending the Journal an account of the officers and delegates elected at the state convention of Federated Women's clubs at McCook, Mrs. Hoyt Clark, Bomber page editor, advises she will be home today after stopping over in Lincoln last night to visit.

In the election of officers, voting machines were used and Mrs. Clark, who has lived in Iowa and is familiar with the machines, served as instructor during the time voting was going on.

The new state president is Mrs. J. L. Vandenberg, of Scribner. Mrs. R. W. Hill of Hebron is vice president; Mrs. Arthur Weeth of Gretna, recording secretary; Mrs. A. E. Mead of York, corresponding secretary; Mrs. H. C. Hanna of Superior, treasurer, and Mrs. C. R. Caley of Springfield, general federation director. Two Sarpy county women among this group—Mrs. Weeth of Gretna and Mrs. Caley of Springfield. Both are well-known workers of long time experience and proven capability.

Mrs. Weeth was also named as one of the sixteen delegates from Nebraska to the national convention to be held in Texas next April. Two Cass county ladies are among the sixteen delegates, Mrs. L. S. Devoe of Platts-mouth and Mrs. Ray Norris of Weeping Water.

PLANNING RED CROSS ROLL CALL

Mr. Dennison, Red Cross regional field worker, was in Bellevue this week, coming from the regional headquarters at St. Louis. He consulted with Mrs. Elmer Johnson in regard to the annual Roll Call in Sarpy county.

The county quota has been raised to \$1,200 or 1,200 members, in line with an increased goal all over the nation in this year of emergency.

Mrs. Frank Maxey will have charge of the Bellevue drive.

A membership in the Red Cross means that you are entitled to attend any Red Cross meeting with voting privilege. You are a member of the national and international organizations and have a voice (through your elected representatives) in their deliberations.

The Red Cross roll call dates are uniform throughout the nation, beginning on Armistice day, November 11 and continuing until Thanksgiving day, which is November 27 this year.

FAMILY REUNION SUNDAY

A real family get-together was held Sunday at the home of Fay Scheffelbein, with many of the relatives there to enjoy a chicken dinner complete with all the trimmings. Fay's brothers, Ira, Harvey, Chuck and Dee, with their families, his brother Jim, their sister, Mrs. Mike Whetstone and husband, with his cousins, Mrs. Will Meierhenry and Mrs. Walter Rathe and their husbands and the Rathe daughter from Arlington, Nebr., together with Mr. and Mrs. Chan Holt of Mount Carroll, Ill., made up the large list of those present.

It is needless to say, a most enjoyable time was had by all.

HORSES AT AK-SAR-BEN SHOW

Mr. and Mrs. Chan Holt of Mt. Carroll, Ill., have been guests at the Fay Scheffelbein home as they were able to get away from Omaha, where they were showing horses from the Argyll Stables at Mt. Carroll, of which Mrs. Holt is manager. She is a cousin of Mrs. Scheffelbein. The Scheffelbeins have also been attending the show more than ordinarily this year in order to have more time with the relatives.

Sarpy County Charities Worthy of First Attention

Bellevue Citizen Protests "Invasion" of Bomber Plant to Solicit for the Community Chest

A Bellevue citizen who is employed in Omaha and, as he says, must donate his share toward the Omaha Community Chest, calls our attention to the announcement that the Community Chest solicitors are soon to "invade" the Martin bombing plane assembly plant to collect donations towards the needs of Omaha, and asks:

"Why should Omaha be allowed to go beyond the city limits of Omaha to collect charitable donations that will be used wholly for the people of Omaha?"

Continuing, he says: "Those of us from Sarpy county who work in Omaha must donate our share toward the Chest... and we are not complaining about that."

"However, when Omaha comes out to Sarpy county to collect. It is going much too far! Since many Omaha people work out at Fort Crook, isn't it fair to expect them to donate toward our Sarpy county needs—the same as we are asked to do in Omaha—rather than make all their contributions to Omaha's needs? It isn't an Omaha pay roll they are living on!"

"We, here in Sarpy county must take care of our own charitable cases without any help from Omaha. We want only a fair deal. So, Omaha Community Chest, stay on your own side of the fence."

Perhaps our big town neighbors, after sending Sarpy county folks out to be one of them insofar as parking restrictions are concerned, feel that the annexation is complete enough to warrant coming into Sarpy county in quest of donations.

We think the expression of our Bellevue citizen is timely and well put.

Sarpy county will probably never put pressure on to collect donations from Omahans working in the county to carry on its charitable work—as Omaha does with Sarpy county folks employed there, and certainly has every right to expect and demand that Omaha cease from invading this territory in quest of funds.

Omahans working at the plant can easily be contacted in their homes.
