

Council Approves New Paving District for Oakmont

Petition Is Granted to Create District—Make Purchase of New Road Equipment.

From Tuesday's Daily—
The city council at its session last evening received a communication from J. Howard Davis, setting forth that he was the owner of more than sixty per cent of the real estate in Oakmont addition to the city, asking that the city as authorized by law, create a paving district, from Chicago avenue through the new addition to 12th and Gold streets. The prayer of the petition was granted and the necessary steps to create the district will be taken. The new paving will leave a stretch of unpaved roadway from Gold to Rock on 12th street. Mr. Davis explaining that probably the greater part of the residents of the addition would use the Chicago avenue entrance to the addition.

Chief O. Sandin, of the fire department, reported one fire for October, that of October 7th at the Bell pits north of the city.

Police Judge C. L. Graves reported that for the week of October 26 there had been three arrests and \$8 in fines and costs collected.

Chairman Webb of the tax and property committee presented the signed contracts for Fred Rice and Mr. and Mrs. Clifford Sutton for property recently purchased of the city, also the insurance policies. The city will sign up the contracts at once.

Chairman Noble of the streets, alleys and bridges committee, reported that Supt. Stahl of the Burlington had been here and looked over the ditch along the shop property on Lincoln avenue, promising that he would have the company engineers here to confer with the city engineers to see if they might be able to help in the situation.

Chairman Noble also brought up the matter of the purchase of new road building equipment, an agreement having been signed by nine of the councilmen, setting forth that an emergency would make it difficult to secure the machinery needed, that the city had the opportunity to secure a maintainer from the Highway Equipment and Supply Co., of Lincoln, at the price of \$2,596 including snow plow attachments and blades. The city would be able to purchase this with monthly payments of \$114.50. The purchase of the maintainer was made with nine of the council voting for and Webb pressing on the matter. It was voted to have the city ask for the five per cent government tax exemption and to notify the company selling the equipment of the desire of the city.

Councilman Finnefrock, chairman of the license committee, reported that the committee had investigated the request of Ray Wright for permission to place Venetian blinds at the window of his tavern. It was found that the city ordinances forbid the obstructions in the windows that might shut out the view. The request was not granted.

Chairman Painter of the fire and water committee, reported a letter had been received by the city from T. H. Pollock, local manager of the Plattsmouth Water corporation, enclosing a letter from the headquarters of the company at Portland, Maine. The company had turned the letter of the city with the appraisals, over to the engineers of the Plattsmouth Water corporation for study. The company also enclosed a number of questions regarding the city appraisal, and stated that it would be impossible to get a conference within the next ten days as had been suggested. The letter of the company was turned over to the Henningsen Engineering Co., representing the city, for reply.

Mr. Painter also reported that the 500 feet of hose purchased by the city had been received and tested out excellently.

Chairman Schutz of the WPA committee brought out the matter of the widening of the highway near Webster boulevard near the old mill site, the city having secured additional ground to make a much better turn. There was a lengthy discussion of the matter with the decision that the city would have some of the dirt removed and estimates secured of what would be necessary and also as to the quantity of concrete to be needed for use in widening. Engineer Mann was authorized to prepare the figures and estimate that the city might prepare to call for bids on the work rather than attempt the making of an additional WPA project.

The matter of letting the bids for the construction of the sanitary sewer district in Oakmont was brought up and two bids received, that of the Yant Construction Co. and the McClay Construction Co. The contract was finally awarded to the Yant company.

Homes Needed for Boys, Girls

Nebraska Children's Home Society Able to Place Children in Permanent Homes

A number of mighty fine boys and girls of school age are badly in need of permanent homes, according to word received from G. M. Porter, field representative for the Nebraska Children's Home Society. Mr. Porter, who will be in Cass county very shortly for the annual solicitation of funds for the Society, calls our special attention to one family of three children which includes a darling little girl of about 9 and brothers 11 and 13. These children would like to have a home where they can all be together. Then there are some fine little girls of 9, 11, 12 and 13, all in need of good homes.

Nebraska Children's Home Society is well known in Cass county, where it has served more than one hundred children and unfortunate girls. The Society, which was founded in 1893 for the care and placement of normal children of all ages, is non-sectarian and is supported by voluntary donations. It is not operated or supported by the State. Your help in cash or food is badly needed and will be much appreciated by Mr. Porter.

Members of the local advisory board are Dr. R. P. Westover, Rex Young, Mrs. Ona Baird, Mrs. J. E. Wiles and Miss Alpha C. Peterson. William A. Robertson, local attorney, is a member of the Society's Board of Trustees.

Termite Control Plan Available

E. J. Richey, Lumberman, Named as Representative—Actual Work by Herman Tiekotter

An advertisement in this issue of your Journal announces the appointment as exclusive representative in this area for the Termite Control System of E. J. Richey, Plattsmouth lumber dealer.

The setting up of this local service enables home owners of Plattsmouth and surrounding territory to obtain full protection against termite infestation of their property at prices far below those charged by the so-called professional termite-treating companies, says Mr. Richey.

The Termite Control System is based on the known habits of termites and the recognition of the hazards created together with the proper control methods.

The same fundamental rules of treatment apply to any type structure, but a thorough knowledge of construction is necessary in order to do a successful job. Unrestrained and uncontrolled, this tiny parasite can literally "eat one out of house and home" almost before they are aware of their presence. The trained control man, on the other hand can sense their presence at once and "do something about it" before it is too late, which is much better than "locking the stable after the horse has been stolen."

Coincidental with the appointment of Mr. Richey as representative, it is announced that Herman Tiekotter, well known contractor, will handle the actual work in conjunction with the trained representative of the Termite Control System. Inspections and estimates are FREE. Better take that "stitch in time" which might easily "save you nine."

ANOTHER BAND WAS FAMOUS IN EARLY DAYS

Speaking of Czech music in early days recalls to the minds of a large number of residents the time when the second Bohemian orchestra which followed the Janda band proved a real hit. It also was known as the City Band and this group had postcard pictures taken. The orchestra consisted of Tom Gradoville, Tom Svoboda, Julius Kalasek, Roy Holly, Frank Janda, Jr., Charles Hula, Tim Wooster, Frank Aschenbrenner, Joseph Sedak, Charles F. Janda. Out of this number two are now deceased, Frank Janda and Frank Aschenbrenner. This orchestra flourished approximately thirty-two years ago. The late Mr. Aschenbrenner played in the orchestra when he was only 14. These music leaders existed for some time.

Lincoln Lumberman Leaves Large Last Bequests

Riley M. Tidball Names Local Members of the Family as Beneficiaries of Will.

Will of Riley McMillan Tidball, former Lincoln lumberman, filed in Lancaster county court Monday, gives \$5,000 of his estate to the First Presbyterian church of Lincoln. It is provided that the amount shall be applied to the principal of the church mortgage if there is one and if not it shall be paid to the trustees to be invested in United States bonds. Mr. Tidball died Oct. 21.

One-half of his estate is given to his wife, Emma B. Tidball. In another document filed in the county court it is stated the estate is upward of \$50,000. He also gives Mrs. Tidball the home at 2136 C st. for life and his library and household goods.

From the other half of his estate certain bequests are made to relatives and friends and the residue after these bequests are paid goes in equal shares to Frank C. Patterson, Omaha, a nephew and to James Edward Pallett, a grand nephew.

The will after providing \$500 for the care of the grave of his brother, John, buried in Riverside cemetery at Crete and \$500 for flowers for Memorial day for the family lot, provides for the residence being given to his widow to occupy until death or to receive the income therefor for life. At her death the property goes to his nephews, Frank C. and William D. Patton of Omaha and to James Edward Pallett, grand nephew.

To Mrs. Flora Tieger, a friend of the family, he gives \$500 to Thomas S. Allen, another friend \$500, to nieces, Mrs. Mary S. Reed, Boulder, Colo.; Katherine Lockwood Johnston, Idaho Springs, Colo., and Mrs. Harriett Johnson, \$5,000 each; to William D. Patterson, \$5,000 to George H. Glade, Jr., a grand nephew, \$3,000 and the same amounts to Mrs. William P. Glade, Donald H. Pallett and Harold A. Pallett, sons of W. H. and Carrie Pallett. John L. Tidball III, a grand nephew, is given \$5,000. This sum is to be invested in United States bonds and when \$100 has accumulated it shall be reinvested and the money paid over in a lump sum when John L. has reached the age of 28 years. Violet S. Tidball, widow of John L., is given \$5,000. His will said he had not forgotten certain other nieces but he had provided for them previously.
