## Local Church Group to Entertain Omahans

**St. Wenceslaus Church's Choristers Who Sang for Jubilee and Frank Bugiewicz's Cast to be Honored**

The Altar Society ladies of the Holy Rosary church are to be hostesses at a social gathering in the near future. The occasion will honor Rev. Edward J. Chapuran and the High Choir members of the St. Wenceslaus Bohemian Catholic church of Omaha and Frank Bugiewicz and his group of entertainers who were heard on the program the afternoon of October 25.

This party is being given in courtesy to Father Chapuran, who delivered the splendid Czech and English sermons during the Golden Jubilee Mass celebrated at the Holy Rosary church on October 26; likewise, the St. Wenceslaus' choristers who so kindly came to this city and assisted so generously donating their services in providing the music, and last but not least to Frank Bugiewicz and his group of entertainers. Joe Chapuran, brother of Rev. Chapuran, served as the director, and Miss Ann Bendekovic was at the organ. Miss Dorothy Svoboda and many of the choir members of the Holy Rosary church were forced to assist in the preparation of the jubilee banquet at the American Legion hall.

At their meeting last week the Altar Society selected their new officers for the year 1942, and Mrs. John Kubicka was chosen to head the society. Mrs. Ernest Janda is the new vice-president, and Mrs. Harvey Meisinger is to serve as secretary-treasurer. The altar in the church chapel is to be arranged in the latest liturgical style with modernistic effects, and this society is to carry out these plans.

evening, it will be open on Saturday afternoons, and Sunday mornings by appointment.

Orders also have been received that men with correctable defects such as varicocele, hydrocele, and any other minor surgical defects, nasal deformities, hay fever, carious teeth that may be restored by filling will be accepted for enlistment. These men will be hospitalized immediately after enlistment and corrective measures taken. The regulations on the color test have been lowered.

### A WORD OF COMMENT on Mr. Neitzel's Bible School Lesson Study

We were very much shocked to read the valedictory. These lessons have been a great benefit to everyone concerned.

Your efforts, Mr. Neitzel, have not been in vain, as many a precious soul have looked forward to them weekly. Here is hoping your eyesight will soon be improved and you will continue on, and not leave us in the middle of the stream. Wishing you a Very Merry Christmas and health and happiness in the New Year.—A Plattsmouth Journal Reader.

## Plattsmouth Now 2nd in Red Cross Drive

**Louisville Still Leads in Amount Collected; Masonic Home Registered As 100 Per Cent Booster**

The Masonic Home at Plattsmouth is another establishment to be designated as 100% Red Cross booster for 1941, according to a report turned in to Attorney James Begley, local American Red Cross chairman. The amount collected within the last few days has swelled the total amount by \$90.15, and it is expected that Plattsmouth will soon be heading the list of "class county towns" in membership. Local people are striving to reach the allotted amount.

Norman Davis, national Red Cross chairman, announced Monday after a conference with President Roosevelt that a drive would be launched immediately for 50 million dollars to be used for "our own armed forces."

Davis said the Red Cross had spent a great deal of money in Hawaii Sunday as the result of the Japanese attack there, adding "we were all set for it."

The Red Cross had sent six representatives over some time ago, Davis asserted, and likewise strengthened its staff in 12 centers in the Philippines.

"I hope every citizen will look upon it as his duty to purchase as many seals as possible so that every greeting card and gift package that goes forth will carry these small decorations, attesting that our community is alive to responsibility and is doing its part to further 'home defense' against tuberculosis."

Signed,  
ARNOLD J. LILLIE, Mayor.

## Rotary Speaker Says America Fights for World

**One of the Best Addresses Heard by the Rotarians Given by Prof. Pfeiler of U. of N.**

From Wednesday's Daily—  
Last evening the Plattsmouth Rotary club journeyed to Lewiston, south of this city for an inter-community meeting with the friends and neighbors of that part of the county.

The ladies of the community near Lewiston had prepared a dinner that will long be pleasantly remembered by the visitors and the Lewiston group as well. It was a baked chicken dinner with all of the dainties that go for a perfect balanced meal and was served in delightful manner.

The master of ceremonies was Art Troop, one of the leading members of the Plattsmouth club, presenting the various numbers, opening with the group singing by the men with Frank Clويد leading and E. H. Westcott at the piano.

The address of welcome was given by Richard Spangler, Rotarian and one of the active young farmers of the community, to which H. L. Gayer, farmer and rock magnate responded most fittingly.

Mr. Clويد gave two of his always pleasing vocal numbers, the lovely "In the Garden of My Heart" and the stirring song, "God Bless America," with Mr. Westcott as his accompanist.

The banquet party had an unusual treat in the speaker of the evening, Professor William K. Pfeiler, of the University of Nebraska. Prof. Pfeiler was born and educated in Germany and was a soldier in the German army in the World War. He and has been a citizen of this country since 1932. His topic was "Abiding Values of Democracy."

The speaker told of his experiences in his native land, of the old Germany of his youth and that which he found when on a return visit since coming to the United States. His subject was well borne out in the powerful presentation of the fact that the United States today in war, was not only battling for its own democracy and liberty but for liberty for all the oppressed in the world, nations whose only chance of attaining again their vested rights was in the triumph of the United States. He reminded the audience of the fact that Americans are not aware of how great opportunities they have or the blessings of freedom in their daily life so denied in the old world. He cited the quotation that each generation was called upon to struggle to preserve their liberties and enriching them.

The meeting closed with the singing of "America" by the entire audience.

### SHOULD DESERVE PUNISHMENT

Each year the Ofc Oil Co. has installed at their service station at Pearl street and Chicago avenue beautiful and attractive holiday decorations that are a delight to the passerby and a fine holiday greeting to all passing through Plattsmouth.

This year there have been several of the lights stolen and two strings were taken just recently, proving a real loss as these are getting hard to procure in the market owing to the war-time conditions.

The parties taking these should be properly punished for the destruction of a very attractive holiday setting. The company has gone to so much trouble in arranging for the wiring and charging of the tree and the grounds surrounding it.

### LOCAL MEN IN WAR ZONE

The news that the Japanese claimed capture of Wake Island in the central Pacific and also had the island under air raids, is of much interest to residents of this county. Three men from this county are at Wake and nearby Midway, going there to work on the defense projects that were started. These men are Arthur Cooper, of near Weeping Water, and John M. West and Thomas Murphy of near Washburn. The men were sent to the Pacific Island by the Raymond Concrete Pile Co.

### Celebrate Birthday—

Little Nancy Fern Wheeler, daughter of Mr. and Mrs. Robert Wheeler, whose birthday was Thanksgiving day, has decided it would be nice to have more than one birthday a year.

Having received the usual birthday gifts, including a doll, she was really surprised to be one of the lucky winners of a \$5 dolly in the Cocoa-Wheats breakfast cereal contest, sponsored by the Haygen family over radio station KMA.

The doll is about 18 inches tall with beautiful clothes and latest style washable arms and hands.

The little miss is very proud of this newest addition to her family. She has the doll and also enjoys the Cocoa-Wheat cereal which is like "having your cake and eating it too."

### From Tuesday's Daily— Married In Arizona—

Miss Gertrude Mae Hayes, daughter of Mr. and Mrs. L. J. Hayes of Elmwood, was married Nov. 23 at the Baptist church in Yuma, Ariz., to Winton J. Wicherts, son of Mr. and Mrs. Frank Self of Long Beach, Mr. and Mrs. Clyde Clint, uncle and aunt of the bridegroom, were the attendants. The bride is a graduate of Elmwood high school. The couple will live in Long Beach. Both the bride and her attendant wore soldier blue crepe with black accessories and gardenia corsages.

### From Wednesday's Daily— FSA Meet at Ferris:

There were about 20 who filled the E. J. Ferris home last evening, when several members of the Farm Security Administration were entertained following a business meeting. Organization members heard reports and the 1941 business was closed. Those present were: Leonard Hanks, Miss Nelson and two representatives of an adjoining county. These guests were served a luncheon.

### Christmas Party Yesterday:

Christmas parties are now beginning to become prominent all through Cass county, Plattsmouth is no exception.

At the First Christian church parlors last evening a group of members of the Young Married Peoples' class from this particular church joined, together with their teacher, Mrs. Floy Hardison, in an evening of entertainment and luncheon. All brought gifts, and these were put around the handsomely-decorated Christmas tree and later exchanged. The guest list was made up of Mr. and Mrs. Eugene Bushnell and son, Mr. and Mrs. Carroll Sutton and two sons, Mr. and Mrs. Alvin Smock, Mr. and Mrs. George Cassidy and son, Mr. and Mrs. Lester Thingan and daughter, Jane, Mr. and Mrs. William Gochenour, and Mrs. Hardison, the teacher. Games were played, the season's most favorite hymns were sung, with a luncheon concluding the party. Lester Thingan was at the piano.

On the entertainment committee were Mesdames Sutton and Thingan, while Alvin Smock and Eugene Bushnell comprised the members of the refreshment committee.

### INCREASE PRECAUTIONS

The fact that our nation is at war is found by the visitors at Fort Crook, where additional restrictions have been placed and visiting at the fort by those not having official passes is banned. Guards are on duty at all times to check the persons who may seek entrance to the reservation.

The guard force at the Martin bombing plant is also increased as a matter of precautions against any attempt at sabotage around the property that will be a big factor in the manufacture of planes for the use of the United States and the democracies.

## Cass County People Wedded Sixty Years

**Mr. and Mrs. E. E. Day of Weeping Water Will Observe Anniversary Monday.**

Monday, December 15, Mr. and Mrs. E. E. Day of Weeping Water will celebrate their sixtieth wedding anniversary, with a reception both afternoon and evening at the home of Mr. and Mrs. John Robinson (Margaret Day).

Jennie Norton and Everett E. Day were united in marriage December 15, at South Bend, Nebraska, with Rev. Hill, pastor of the Congregational church, of Atlantic, Iowa, their former home, officiating.

Mr. Day began operating a grain elevator at Weeping Water that same year, with George W. Norton, his father-in-law, in charge, but they continued to make their home in South Bend until the year 1886, when they moved to Weeping Water, and opened a general merchandise store.

They made their home on a farm adjoining Weeping Water on the west, raising fine cattle and operating a dairy farm.

With all these activities Mr. and Mrs. Day always entered into and assisted in all civic work. They were always in their pew at the Congregational church each Sunday morning. Mr. Day taught a young people's Bible class for years and was active in the young peoples' work, especially the Christian Endeavor society. Their home was always open to their friends and old settlers have many happy memories of social gatherings enjoyed at the Day home.

They remained in the home west of town until their children had all gone into homes of their own, when they moved into town. Here they are enjoying their declining years close to friends and to their beloved church.

They have had the rare privilege of enjoying sixty happy years together and with all of their seven children living. Six of them will be present to assist them in celebrating the happy occasion. They are: Harold, North Platte; Mrs. Helen Selbey, East Lake, Colo.; Mrs. Dan Switzer, Valley; Seward Day, Lincoln; Mrs. George Corley, and Mrs. John Robinson. Another daughter, Mrs. Rose Card, may not be able to come at this time.

Mr. Day made his first trip to Weeping Water in 1870, when he came here to visit his brother, Eugene, who had bought a farm south of town. This farm is still owned by Carl Day, and occupied by a grandson, Eugene Day.

Crossing the Missouri river at Kenosha Landing he caught his first glimpse of Weeping Water from the top of Goshawk Hill, which at that time was rocky and steep. The only frame house in town at that time was the Detwiler home where the Knud Jensen house now stands. Between there and the corner west of the Republican office where K. D. Clark then had a store was hazel brush with a creek running through it. Reed's Store stood on the northeast corner of that block, with the family living upstairs at that time.

Mr. and Mrs. Theroa Cole of Kansas City, Missouri, are guests of the former's parents, Mr. and Mrs. Roy Cole. They plan to leave for Missouri tomorrow evening.
