## Nehawka

By Journal Field Representative

Mr. and Mrs. Lyle Kruger were over to Plattsmouth on last Friday where they were looking after some business matter for the day.

Mrs. Hicks, better known as "Grandma" Hicks, who makes her home with her two sons, Eugene and "Mitt" has been visiting in Tennessee for most the summer, and just recently returned to Nehawka. Before returning she was over to Chicago where she visited with her other son, Edward Hicks, where she enjoyed a fine visit.

Fred Rose, who has been making his home with his daughter Ellen, an ordained minister of the Methodist church with a charge in the State of Washington, arrived in Nehawka last Sunday. Mr. Rose is visiting at the home of his son, Charles Rose, and also with his many friends. Fred is looking fine and substantiates that by saying he is fit as a fiddle.

The Nehawka schools are to observe their mid-winter vacation with the closing of the school on December 23, and they remaining closed until January 5, 1942. This will give the students a good holiday.

### Mrs. Miller Visits Folks

Mrs. Miller, formerly Velma Wessel, who has been making her home at Honolulu, arrived in Nehawka last week and has been visiting her mother, Mrs. Henry Wessel. The husband, Dr. Miller, who is a physician in the United States navy, is somewhere on his ship, and as the things being as they are, the navy is not telling where any ships are, so not even the wife knows just where Dr. Miller is, but is sure he is looking after the boys on the vessel on which his is stationed.

### Visiting Relatives Here

Miss Margaret Steffens, graduate nurse, a sister of J. H. Steffens and Mrs. Albert Anderson, who makes her home in Chicago, arrived in Nehawka last Saturday evening and has been visiting with her relatives. Mr. and Mrs. Albert Anderson were guests of honor last Sunday at a family dinner. During the afternoon Sunday Mr. and Mrs. J. H. Steffens took Miss Margaret to Lorton to visit with her parents, Mr. and Mrs. C. Steffens. She will visit there and in Nehawka for a time during her vacation.

### Home From the Busy West

James J. Pollard and wife and Mr. and Mrs. T. J. Pollard, who have been in the west for the past two weeks visiting at Los Angeles, returned home last Sunday night after having enjoyed a very fine visit in the coast city. They found a number of blackouts while they were there but did not feel that there was any special danger. They however were prohibited from entering the park at San Diego, and all buildings where defense work was being done. Notwithstanding all this they enjoyed their trip very much.

### Receives Broken Rib

While J. J. Pollard and party were in the west James M. Palmer was caring for the elevator and as he had some time on his hands, was delegated to audit the books of the Masonic lodge and having concluded the same was taking the large ledger home. With the heavy book under his arm he slipped on the snow and ice and fell. Lifting on the edge of the book with the result that one of his ribs was fractured. While the pain was severe, he is getting along very nicely.

### SAFE IN HAWAII

Word has been received from Lieutenant Joy Valley, formerly of Council Bluffs and member of one of the well known families of Cass county, that he and his wife were safe in Hawaii. This message was very reassuring to the relatives and friends in this part of the west.

We're selling a lot of rubber stamps these days and the reason is the low prices. Get your stamps at the Journal office.

### HORSAKS RECEIVE MESSAGE

Mr. and Mrs. Frank Horsak of this city received a card from Mr. Horsak's brother, Joe, who is in the United States navy. On the card Joe stated that he was well, safe and happy. Regarding his whereabouts was not given, and they received very little information in the card.

A strange fact is that Erwin and Henry Mueller, Omaha, who had been killed in action while serving on an American warship in Pearl Harbor, were very close friends of Joe Horsak, and it was through him that Mr. and Mrs. Frank Horsak got acquainted with them and the boys' mother. When Joe was in Plattsmouth and Omaha on a furlough some time ago, the Horsaks bade him farewell at the depot. There also were the Mueller brothers, who left at the same time, and Mrs. Horsak had a pleasant visit with them and their mother, Mrs. Max Mueller.

"America" was sung at the beginning of the business and social meeting. For entertainment games were played and prizes went to Mrs. Wilma Becker, Mrs. Emma Nolting, Mrs. Louise Tritsch, Mrs. Sterling Ingerson. Guests of the club were Mesdames Catherine Nolting, Minnie Nolting and Hugh Stander, Jr. The next meeting is slated to take place at Mrs. Joseph Bierl's home.

### LOCAL COUPLE HEARS THAT RELATIVES SAFE

Mr. and Mrs. Charles Vitousek of Plattsmouth, were happy to know that their nephew, Royal Vitousek and grandnephew, Martin Vitousek, 17, of Honolulu, are safe and escaped serious and possibly fatal injuries in the Japanese raid on Pearl Harbor Sunday, Dec. 7. Royal Vitousek, a prominent attorney at Honolulu, and his son decided to take a plane ride, not knowing that Japan was going to strike. The Vitouseks own their plane, and Mr. Vitousek has flown to and from the United States several times.

Martin and his father perhaps were the first to see the enemy attack. "Suddenly we were in the thick of a black-painted mass of planes," Martin said. "They rocketed from the sky everywhere and I saw on the wingtips the rising sun of Japan. When the first bomb hit, my heart almost went out on me. Then all hell broke loose."

He said he saw three enemy planes shot down.

Royal Vitousek is a son of Mr. and Mrs. Frank Vitousek of California. Frank Vitousek and Charles Vitousek are brothers.

### GETS USED TO BLACKOUTS

Mrs. Gretchen Simmons of this city, received a letter from her daughter, Mrs. Maxine Kolb, who, with her children, is in Portland, Oregon. In the letter Mrs. Kolb stated that blackouts were conducted there everyday from 12 midnight until 8 a.m. the next day. The school children have air raid drilling. She said that all cars have to be off the street by 12 and all electrical signs turned off.

Not only did Mrs. Simmons receive a letter from her daughter but she and Mrs. Carl Kopsichka received a letter from Carl Kopsichka, their brother and son, Carl's son, Carl, Jr., was stationed at Pearl Harbor, and the parents have not heard from him thus far.
