NOT TO RENEW "LINK" LYMAN'S CONTRACT

LINCOLN, Dec. 20 (UP)—The University of Nebraska athletic board of control today announced it would not renew the contract of William Roy "Link" Lyman, Cornhusker line coach.

"Because of the general state of uncertainty respecting the future of intercollegiate athletics and in the best interests of all concerned," a brief board statement said, "the athletic board of control has decided not to renew the contract of Lyman, of the football coaching staff."

Board Chairman R. A. Scott refused to enlarge upon the statement and would not comment upon reports that Lyman and Biff Jones were unable to agree.

Lyman came to Nebraska as line coach in 1935 after playing professional football with the Chicago Bears from 1926 through 1934. He played with Nebraska teams of 1918, 1919 and 1920.

Neither Jones nor Lyman would comment. The athletic board recently renewed the contract of Jones at a reported salary of \$12,000 annually. Lyman's salary, understood to be \$4,300 a year, will continue until his contract expires July 1.

PACKERS UNDER FIRE

The individuals are E. J. Kunkel, Omaha, head hog buyer for Cudahy; R. E. Secor, Ottumwa, head hog buyer for Morrill; and Floyd M. Sherwood, Chicago, head hog buyer for Armour.

The indictments charge that the defendant packers have divided up territory in Nebraska and Iowa in violation of provisions of the Sherman anti-trust act. THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports the use of the able physicians who test the value of Doan's under exacting laboratory conditions.

If more people were aware of how the kidneys must constantly remove waste from the blood, there would be better understanding of why the whole body suffers from kidney trouble. There would be more use of Doan's.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
