From Monday's Daily—  
Back From Chicago—

Mrs. Theodore Yelick arrived back in Plattsmouth Sunday, following a visit she enjoyed with her parents, Mr. and Mrs. James Ptacek at Chicago. She and her husband, were guests of the Ptaceks during the Christmas season. Mr. Yelick returned to this city early last week, but Mrs. Yelick remained over the New Year holiday.

Mrs. Salerno Leaves—

Mrs. Arthur Salerno and daughter, Rose Mary, who have been here as guests of Mr. and Mrs. E. B. Warthen, Mrs. Salerno's parents, left today for the east. The Salernos reside in Chicago, where Mr. Salerno is steadily employed. While here they had the pleasure of seeing and visiting with a number of their relatives and old friends.

Landis-Eads—

Another secret marriage has been announced. Miss Pessie Landis, Plattsmouth and Jack Eads, third son of Mr. and Mrs. Eli Eads of Coe county, were married October 6 at Rockport, Missouri. The bride has visited at Julian, Nebraska many times. The groom was born and reared in that vicinity and graduated from Julian high school and the past year was engaged in farming.

From Tuesday's Daily—  
Shower for Mrs. Heldt:

"You are invited to a miscellaneous shower for Mrs. Henry J. Heldt (Amelia Friedrich) at the Eagles hall, Plattsmouth, Monday, January 5, at 2 p. m. given by Mesdames Will Friedrich, Ed Becker, John Sattler, William Schmidtman, Jr., Lucille Gaines and Miss Marie Horn."

That was the invitation extended to a hundred or more persons to attend the affair. Mr. and Mrs. Harvey Spekman and daughter, Marvely, came from Yutan, Nebraska, and scores of country folks were present to honor the recent bride. In addition to all the gifts she received from her friends and relatives around here, she was also the recipient of telegrams from Chicago, Central City, Colorado; night letters; and presents came from Lincoln, Omaha.

For entertainment Bobby Tritsch sang and Betty Albert played the piano. Guests showered Mrs. Heldt with many lovely recipes. Following the entertainment Miss Horn presented the gifts to Mrs. Heldt, who with the assistance of Mrs. Spekman, unwrapped and displayed them. A luncheon was served.

Here Fine Program:

Below-zero weather could not keep a goodly number of members and guests away from the Plattsmouth Woman's club meeting last evening at Hotel Plattsmouth, when Rev. Paul Iverson spoke on "Freedom in South America." Rev. Iverson, a Plattsmouth boy, has just returned from Bogota, Colombia. He stated that South Americans' freedom meant much different than North Americans' freedom. It is more of license and not discipline as we like to define our liberty. He spoke of the

type of weather there which plays a great part in the character of the people, of the distinctly different social classes, of the schools which are not public or co-educational like ours, and many interesting things. He was introduced by Mrs. Lora Lloyd Kieck, Cass county superintendent of schools.

After his talk he offered to answer any question and several ladies took advantage of his offer to satisfy their desire for knowledge.

As the musical part of the program, Miss Marjorie Devoe sang "We Are All Americans," accompanied by her mother.

For the business meeting the minutes were read by the recording secretary, Mrs. L. W. Egenberger, who also read a note of thanks from Fort Cook for the books and other reading material collected by the members of Plattsmouth Woman's club at its recent Book Shower. The corresponding secretary, Mrs. Frank Horsak, read a letter from Mrs. J. L. Vandenberg, state president of NFWC, concerning club women's part in defense.

Mrs. William Heivrich, defense chairman of registration for Plattsmouth Woman's club, handed out cards to every woman to register their names and volunteer service in case of emergency. The meeting closed with the singing of "The Star Spangled Banner." Hostesses were: Mesdames Roy W. Knorr, Willard Sherman, Henry C. Frey, Dwight Edwards, Ernest C. Giles.

From Wednesday's Daily—  
Buzello-Iles Wedding:

Mr. and Mrs. Earl Iles are announcing the marriage of their daughter, Rhoda Carolien to Mr. John Buzello, son of Mr. and Mrs. Camillo Buzello of Omaha. In the presence of the bride's mother and Mrs. Willard Sherman, the couple was married at the parsonage of the St. Paul's Evangelical and Reformed church Saturday afternoon, January 3, Rev. Willard Sherman officiating in the single-ring ceremony.

The groom is expected to enter military service soon.

Wedding Dance Enjoyed:

Around a hundred or more of the Frank Slatinsky, sr., family's relatives and close friends were entertained at the Eagles Hall last evening; many of the guests coming from distant points to honor Mr. and Mrs. Harry Bellinger, jr., who were married in Omaha Tuesday morning. Mrs. Clara Keller was there from San Francisco, California; from Raiston, Nebraska, there were Mr. and Mrs. Frank Slatinsky, jr., and family; Mr. and Mrs. Clarence Peterson came from Richfield, Nebraska; Omahans there were Mrs. Stanley Kucera, Misses Mary and Helen Schobert, Mr. and Mrs. Harry Bellinger, sr., father and step-mother of the groom, and Charles Bellinger.

The evening was spent in dancing to the music of the Kostka orchestra of Omaha. Orchestra members comprised Charles and Frank Kostka, Frank Pesek and Stanley Kucera. In addition to Bohemian tunes the orchestra played some popular numbers.

When lunch was served to the jolly crowd, there were several ladies who assisted Mrs. Slatinsky, sr., in the preparation and serving. In the kitchen were Mrs. Charles F. Janda, Mrs. Vaclav Dvoracek, Mrs. James Lipert and Mrs. Thomas Gradoville. At the intermission, which took place around the midnight hour, Mrs. Bellinger opened and displayed the scores of wedding gifts she received

from those who were present and unable to be present.

Mr. and Mrs. James Lipert and daughter, Mary Ann, were also included among the Plattsmouth people who witnessed the wedding ceremony at the St. Wenceslaus church yesterday morning.

TO RESTRICT CONTESTS

The Plattsmouth Board of Education voted at their regular meeting to restrict the number of interscholastic contests for the duration of the war. In the past local students have traveled to music, debate, dramatic, commercial and athletic contests. It is not the intention to eliminate the entire extra-curricular program, but to limit the athletic games as well as restrict other interscholastic contests.

## CLAIM VERDICT NOT SUSTAINED

Attorney for Lee Watson told the supreme court Tuesday in oral arguments that the verdict of guilty by a Cass county district court jury against his client, was not sustained by sufficient evidence, and asked that it be reversed. Watson was convicted of breaking into a corn crib, and sentenced to three years in prison. His attorney said the evidence is wholly circumstantial, and far from conclusive. It was also pointed out that Watson was "under a cloud" in that he had pleaded guilty to a felony and was serving time in the penitentiary at the time of the trial. Asst. Atty. Gen. Clarke, representing the state, told the court that crimes similar to the one Watson was convicted of are not done openly, and it is only by such circumstantial evidence that the state can ever hope to track down such violators.—State Journal.

## GIRL'S CLASS ORGANIZES

The class of high school girls of the Methodist church, met on Saturday afternoon at the home of Mrs. E. H. Westcott, their teacher. The girls, some thirteen in number, completed their organization and are ready to do their bit in defense work as a unit. They are ready to co-operate with any of the organizations or larger groups in the city in defense work, as most of the girls work after school and will be glad to help in any way possible. The girls are planning to put on a Red Cross bake sale as soon as weather conditions will permit and will be grateful for any donations of foodstuffs canned goods or articles that may be offered for sale in the interest of the Red Cross.

## COPPER ON THE MARCH AND ON THE WING!

Copper, while tremendously important, is only one of the many basic materials needed constantly by the telephone industry. And copper is going into tanks and planes instead of into telephone lines. Soon none of the essential materials we need may be available for extending telephone service—except as directly needed for national defense.

The situation already is such that we feel an obligation to warn our subscribers that, once their telephone service is discontinued, we may not find it possible to reinstall it UNTIL THE WAR IS OVER!
