During the early days their home was kept open to all ministers who came this way and itinerant ministers all knew of the Ogdens. Eighteen inches gives room to use a wheel hoe, and allows for vigorous growth. In large gardens, 2 to 3 feet are often allowed. Vine crops, including tomatoes, need more room, at least 3 feet in the smallest gardens. Sweet corn ought to have the same, even Golden Bantam.

Abundant and efficient production will get most of the emphasis in the P-F-L this year. Farmers are urged to plan their feed supplies ahead of time so as to be sure to have enough feed for expanding livestock numbers this summer and next fall.

Alfred Eornemeier of Murdock was the first Cass county farmer to report to County Agent Waldo his intentions of being a cooperator. He is going to farm a little larger acreage this year and is planning on abundance of pasture crops.

Blue Devils in Handy Win from 'Shan' by 45-32

Hilt, Bratt and Larson Lead Local Scoring with Smith Topping Shenandoah's Shooting

By BERNARD ULRICH
From Wednesday's Daily—

Last night a supposedly weak Blue Devil machine was in high gear and rolled past the Shenandoah Mustangs by a score of 43-32, on the local maples. It was the last home contest of the year in the local gym and four boys, Don Dooley, Ralph Hilt, Johnny Slatinsky and Wendell Bratt played their last game here. The Plattsmouth crew which have sputtered all year long, came to life as this was entirely a different Blue Devil crew than the one that lost 12 games prior. Their passing was good and their defense from out-court was near perfect. Time and again Slatinsky stole the ball from the invaders and whipped it into the arms of Bratt who got 12 points despite the fact that he missed many lay-in shots.

Most of the fans were wishing for more home games as this was one of the best Blue Devil machines that ever trod the small gym maples.

In the preliminary two Plattsmouth second teams played an overtime with the upper classmen defeating the freshmen 26 to 22. Gradoville brought a tie but McMaken and Vroman got baskets in overtime to bag the victory.

Plattsmouth will play at North-east in Lincoln Friday, and drew Tekamah in the first round of the Class B tournament.

Shenandoah held a lead in the first two minutes, but after that it was all Plattsmouth. Patty whipped in a bucket and Cox made a free throw, to lead 3-0. Hilt turned the tide by sinking his favorite basket, which is a long one, but the Blue Devils surprised by their knowledge of basketetry and peppered the hoop with Hilt scoring eight points in eight minutes. Slatinsky, great defensive guard, showed the most improvement and backbone of the team by intercepting passes and also putting one. Plattsmouth led 14-7, but most of the people were saying: "The boys have held leads but couldn't hang on to them," but this was a different Blue Devil outfit.

At times they looked even superior to the outfit that shot the ball through the hoop last winter. In the second quarter the boys showed signs of collapsing but despite the fact that they played without substitution they were still fresh as daisies. Smith, rangy forward, dropped in eight counters in this stanza and the score was 24-18 at the half. With about two minutes left in the half, Ray Johnson, sophomore guard, fouled out and Don Dooley finished the game with a high degree of success. Every man was firing at the basket.

The next stanza was even, with Slatinsky having garnered three fouls. In the first three minutes Plattsmouth was dead on their feet and the Mustangs forged to within three points of the locals, but after a time-out the boys were again on a rampage with Larson slipping some beauties through before he fouled out. Ken White sank his first basket of the year on a long shot.

Sterling Cole sprained his ankle in the second team game and failed to participate in the Shenandoah game.

HERE FROM LOUISVILLE
