To hew to the line and let the chips fall where they may is the prerogative of all citizens, rather than a policy, and this is the intention of our government. Citizens Party Selects Ticket for the April Election—School Meeting on March 17th

The caucus of the Citizens party was held at the city hall on Wednesday evening with a very fine attendance and a great deal of interest in the naming of the officials for the consideration of the voters at the April election.

Allen Frazier presided as the chairman of the meeting. A full ticket was selected comprising the following:

Mayor—F. H. Freeman.
Clerk—Mrs. Elizabeth Smith.
Treasurer—J. O. Phelps.
Police Magistrate—Frank Maxey.
First Ward Aldermen—Harry Frazier, Gus Elby.

It was decided to have the school caucus called for Tuesday, March 17 at which time there will be candidates named for the board of education.

The wind, and being true to the very best principles and practices has made Alfred Gansmer a man of honor and a financial success, and made him a man standing for right and justice in his community. All people who knew Mr. Gansmer honored and respected him. His was a very busy life, filled with hard work and a battle against adversity, but was always on the right side when ever a question of honesty and fortitude was under trial. Let us honor your memory, that we might have all good citizens.

The Street Cleaned

By reason of the blizzard and snow storm last week, the streets of Murray were piled high with snow drifts and when it came time for the holding of the funeral of Alfred Gansmer, John Bergman cared for the work of cleaning the streets as Herman Wohlfarth had been incapacitated with a severely injured hand. The street cleaning made it possible for the people to congregate to pay honor of an outstanding citizen.

Bellevue Loses to College View in Tournament

On Tuesday morning, February 24, nine excited, eager basketball players and their coach, boarded a train for Lincoln, where the class C district tournament was to be held. These nine players, Don Litwin, Bob McGraw, Richard Huntley, Leo Hike, Leonard Halt, Maurice McLaughlin, Dick Covington, Jack Sullivan and Bob Sullivan, were going to Lincoln as a team to compete against other teams of eager players, intent on winning.

In their first game the Bellevue Chieftains romped over Louisville, 28-10, Don Litwin being high point man with 10 points.

In the second game of the meet for the Chieftains, Elkhorn was soundly walloped by the score of 44-19. Again Litwin was high, this time with 20 points. Holy Name, of Omaha, too, proved to be a mild obstacle and they were eliminated easily 27-24. The halftime score of this game was 21-10 in favor of Bellevue. Don Litwin again showed the way with 14 points.

In the tournament finals Bellevue vs. College View of Lincoln, a fighting Bellevue team went down 19-16.

So ended one of Bellevue's best seasons with 18 wins to three losses. A total of 726 points were garnered by the team as compared to 415 points for their opponents.

Graduation will take four lettermen from the squad, Don Litwin, Richard Huntley, Maurice McLaughlin and Dick Covington. Next year will see five lettermen returning for practice.

We're Doing Our Bit...
OUR ELECTRIC BROODER
is Helping the Victory Program

Sometimes it's hard for farm women to realize that they have a big responsibility too in helping win the war.

But the government has called for the biggest poultry product production in history, and that's one of the many ways farm women can help.

Electric brooders are a big aid in increasing your poultry products. When fire hazards and fumes that suffocate are eliminated, there's an amazing drop in chick mortality. Keep your brooder working for you . . . and for your country!
