The school operetta, which was postponed because of the inclement weather, was presented Monday night in the Banning hall. Talks to School Classes

The students of the history class of Vernon Waterman and the current events class of Paul Iverson, had a very enjoyable treat afforded them this morning. Mess Sergeant Louis Kief, home from Fort Leonard Wood, Mo., was visiting the school of which he is a graduate and was asked to give a short talk to the classes.

Sergeant Kief gave a most entertaining account of the army camps, the work in the training periods, recreation and the preparing and supplying of food, in which department he has served since his induction into the army.

The instructors and class members are very grateful to Sergeant Kief for his very entertaining remarks.

School Board Accepts Government Grant

The board of education at their meeting Tuesday voted the acceptance of the government grant of \$49,000 for additional classrooms and needed improvements at the high school building. The government, in making this very fine allotment of funds, has requested that the school district also make a contribution to the sum for school purposes. It is estimated that the school district share will be some \$10,000, a very small one to secure the large and liberal grant given by the federal agencies to aid the school program.

Miss Maxine Hughes of Lincoln is here to spend the Easter vacation with Mr. and Mrs. Rex Fournie, the latter a sister.

Aid Does Their Part
The ladies of the Baptist Aid society served a dinner recently at the church for the benefit of the Red Cross. A nice crowd responded to the tempting viands, which invariably associate themselves with these ladies and it may be pleasing to all to learn that due to the co-operation of the community the society was able to present \$20 to Union quota of the Red Cross war fund.
