Richard Weyers, the small son of Mr. and Mrs. Fred Weyers has been very ill for the past several days. At first it was feared that he was developing pneumonia, but time proves many things including the development of a good case of old fashioned measles. He is reported to be progressing very well at this time.

John Cardwell, William Murfin, and Bert Barden are employed at Plattsmouth this week. They are assisting with the paving work in the south part of town.

It is evident from reports received from the boys at camp that Uncle Sam is a good provider. John Beck of Camp Lewis, Washington, says in a letter to home folks that he weighs the neat little sum of 195 pounds. Floyd Barden reports that he has reached 196.

Stationed at Corpus Christi

The latest report from our friend, Ed McHugh of Murdock is to the effect that he expects to get his wings in the very near future. Ed is stationed at Corpus Christi, Texas and can be reached by this address: Aviation Cadet Ed McHugh, Bldg. 24-9, Room 129a, Naval Air Station, Corpus Christi, Tex. Ed says he appreciates very much hearing from his old friends and neighbors.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life, with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
