THE TRUTH
SIMPLY TOLD

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys are weak and diuretic medication would be more often employed.

Burning, scanty or too frequent urination sometimes warns of disturbed kidney function. You may suffer angling backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—feet weak, nervous, allaying.

Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Get your medicine.
